PICKWICK PAPERS, The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works.

Our Great Offer to Subscribers to the "Weekly Astorian."

We will send the ENTIRE SET OF DICKENS WORKS, in TWELVE VOLUMES, as above described, all postage prepaid by ourselves, also THE WEEKLY ASTORIAN, for ONE VEAR, upon receipt of \$2.75, which is only 75 Cents more than the regular subscription price of this paper. Our readers, therefore, practically get a set of Dickens works in twelve volumes for only 75 Cents. This is the grandest premium ever offered. Up to this time a set of Dickens works has usually been \$10,000 or more. Tell all your friends that they can get a set of Dickens works, in twelve volumes, with a year's subscription to THE WEEKLY ASTORIAN, for only \$2.75. Subscribe now and get this great premium. If your subscription has not yet expired, it will make no difference, for it will be extended one year from the date of expiration. We will also give a set of Dickens, as above, free and post-paid, to any one sending us a club of three yearly subscribers. Address:
