SAN FRANCISCO, Sept. 20.—The following dispatch was received at the Merchant's Exchange this morning: The steamer Ajax, from Coos Bay for San Francisco, struck on Blunt's reef, off Cape Mendocino on September 18, at 9 a. m., in a thick fog, and sank ten miles north of Shelter Cove. The crew and passengers were safely landed at Shelter Cove. The Ajax was owned by the Oregon Coal and Navigation Co., and valued at \$120,000; partly insured.

A TURKISH WAR SHIP
Lost Off the Japanese Coast.
Special to THE ASTORIAN.
SAN FRANCISCO, Sept. 20.—John M. Birch, late United States consul at Nagasaki, Japan, arrived here on the Gallic. Just prior to his departure from Nagasaki Consul Birch was entertained on board of the ship Ertrougou, Osman Pasha giving several dinner parties on board the vessel to the officers from the shore. In speaking of the disaster to the vessel, as reported in yesterday's dispatches, Consul Birch said last evening: "It is not surprising to me to hear of the loss of the Ertrougou off the coast of Hango. It is a rough and perilous section of the Japanese coast, and most modern war ships would be in danger there to a certain extent. The Ertrougou was a rotten old hulk, and when I looked at her I marvelled that any civilized nation would send human beings afloat in such a craft. She was scarcely fitted for firewood. It looked to me as if the Turkish government had sent her 500 men out on board the Ertrougou for the express purpose of sinking them to the bottom of the sea."

EMILIE'S LAST TRAGEDY.
Her Poor Dupe Dies With Her.
Special to THE ASTORIAN.
New York, Sept. 20.—Gossip has robbed the double suicide of the German actress Emilie Rossi and her artist lover, Gustav Noeh of much of its tender romance. It appears now that the girl did not love Noeh and it seems probable that he was her dupe in so far that he doubtless believed she loved him as he loved her. According to the opinion of those who knew the girl best, her object in inducing Noeh to die with her was that she might make in death, since she could not in life, at least one intensely theatrical and tragic appearance before the public. She made a fool of Koch and induced him to secure a divorce from his wife, while she was in love with a married man in Hamburg. Her mother did not learn of the other lover till Emilie left for this country; then she wrote bitterly upbraiding her daughter. This, together with her ill success as an actress, it is believed, led to the tragedy.

BARBARIY OF RUSSIANS
Three Innocent Recruits Executed For Murder.
THEY ARE DENIED A FAIR TRIAL.
Three Days After the Execution of the Innocent Men the Real Murderer is Discovered.

Challenge to Dempsey.
SAN FRANCISCO, Sept. 20.—Eastern sporting papers lately recorded the opinion that LaBlanche would not be adverse to fighting Dempsey again, in the near future, and in order to ascertain if there was any truth in the rumor Ross Jackson wrote to LaBlanche and a reply was received yesterday, and in it he says: "Yes, I intend to give Mr. Dempsey another chance, and that very soon. I will meet him any place with the same gloves, or at least gloves similar to those we fought with last winter." This news was telegraphed to Dempsey today.

The Bonds Floated on the New York Market.
Special to THE ASTORIAN.
PORTLAND, Sept. 20.—A dispatch has been received by a prominent banker in this city from Mr. Theodore B. Wilcox, who went with Mr. G. W. Hunt to New York some time since to float the bonds necessary to the Hunt system in this city. Mr. Wilcox said in the telegram that he has at last been successful in securing the necessary amount of money, and will soon be ready to start home.

Oregon Weather and Crops.
Special to THE ASTORIAN.
PORTLAND, Sept. 20.—The Oregon weather bureau today telegraphed the following to the chief signal officer at Washington, D. C., relative to Oregon crops and weather: Average temperature prevailed during the week; a sprinkle of rain fell; frosts in some sections did light damage; there have been a few clouds; smoke is more dense; the harvest over hop picking and prune drying continues; fall seeding is being pushed; leaves are coloring.

Greatly Exaggerated.
Special to THE ASTORIAN.
SAN FRANCISCO, Sept. 20.—The steamer San Jose arrived from Panama this morning. The captain and passengers had no news from Salvador and Guatemala other than a treaty had been published. They all join in saying that the account of the attempt upon the life of United States Minister Mizner was greatly exaggerated.

BIDDING FOR THE CONTEST.
Rivalry Between the Athletic Clubs for Dempsey and Fitzsimmons.
Special to THE ASTORIAN.
NEW YORK, Sept. 20.—Dempsey proposes to meet Fitzsimmons and to decide whether the fight will be before the Olympic or Puritan club. He is willing to fight on neutral ground for \$10,000 and a purse. Burke sends a challenge from London to box Dempsey or Fitzsimmons for a purse of \$5,000. He wants \$500 for expenses. When \$10,000 was bid by the Puritan Club for contests between Dempsey and Fitzsimmons it was generally supposed that the maximum had been reached but it was sent along to \$11,500 last night, and unless the Olympic club of New Orleans raises that figure by to-morrow night, which is hardly probable, the Puritans will secure the prize.

He Miscalculated and was Killed.
Special to THE ASTORIAN.
LOS ANGELES, Cal., Sept. 20.—Wm. Myers, aged 25 years, a railroad man from Racine Wisconsin, was killed this morning. He fell under a car while trying to board the train.
