CRAND PREMIUM OFFER!

A SET OF THE

In Twelve Large Volumes. Which we Offer with a Year's Subscription to this Paper for a Trifle More that Our Regular Subscription Price.

Wishing to largely increase the circulation of this

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a Set of the Works of Charles Dickers, in Twelve Large and Handsome Volumes, with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers paper, for a time more than our regular embecription price. Our great offer to subscribers eclipses any ever heretofore made. Charles Dickens was the greatest novellist who ever lived. No author before or since his time here went the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, pathes, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No homeshould be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with new type. The twelve volumes centain the following world-famous works, each one of which is published complete, unchanged, and absolutely unabridged:

BARNABY RUDGE AND CHRISTMARS

DAVID COPPERFIELD. BARNABY RUDGE AND CHRISTMAS MARTIN CHUZZLEWIT.

PICKWICK PAPERS, EDWIN DROOD. The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nock and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works.

SOON IT WILL BE TOO ATE. I have been troubled many years with disease of the kidneys and have tried many different remedies and have sought aid from different physician without relief. About the 1sth of April I was suffering from a very violent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for mit oget up alone, or to put on my clothes, what kind Providence sent Dr. Henley, with the OREGON KIDNRY TEA, to my lyadel. I immediately conamenced using the tea, It had an almost miraculous effect, and to the aston-ishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been.
