gale was blowing and the bar was such a large amount of money at stake rough. The vessel got out just in time for by noon the wind which was blowing from the southeast increased in fury and measured 50 miles an hour. There was a light fog off the shore and the bar was breaking feather white. During the afternoon feather white. During the afternoon an extensive scale, and Mr. Banfield the gale moderated and last evening was confident that the result of his recent trip will have the desired effect of bringing capital and experience to bear on the matter at an early date. "Don't worry about the railroad. That is all right and the \$3,000,000 of good English or American money will be forthcoming in due season and will put the road through to a cer-

## "A GROWL."

MR. EDITOR: Although my taxes are small, yet they are as burdensome to me as if I paid much more. And as a tax-payer, A Few Days Only. I feel that I have a right to criticise these extravagances that are factors in the crea tion of high taxes. I have in my mind the county hospital. No sooner does the im pecunious citizen become broken down and debilitated, than he rushes off to the hospital. Even persistent dyspepsia and constipation are getting to be excuses for admission ice, allow me space to enter my feebl protest against further continuance of this pernicious practice. It costs too many hard dollars for the treatment of these unfor-tunates, and it is high time that they should know that they can save the county that expense, by the judicious use of a few bottles of Joy's Vegetable Sarsaparilla,—a remedy that within my observation is a sovereign won't take it they ought to be compelled to by some law that would meet the case Under the circumstances a full hospital is inexcusable, - hence this growl,
