## TELEGRAPHIC SUMMARY.

The democrats claim New Mexico. North Dakota has gone republican. Montana is claimed by the republicans. Wisconsin is conceded to the democrats. The vote for governor in Minnesota is close. California elects Markham, Rep., by 2,000 majority. The democrats claim Minnesota with a big majority. Wisconsin is claimed by the democrats by 3,500 plurality. The democrats in Missouri elect the entire state ticket. The democrats have captured the New Jersey legislature. The democrats in Delaware still claim the entire state ticket. Pattison's plurality in Pennsylvania is given at over 10,000. Olympia was chosen for the capital by a sweeping majority. O'Donnell's election as mayor of San Francisco is in doubt. The republican's elect governor and congressman in Nevada. Cleveland in an interview says he is delighted with the result. The British newspapers lay the democratic victory to the McKinley bill. The New York Post claims a number of congressional districts in doubt. An official count in Kansas will be necessary to decide the government. A meeting of the committee on appropriations in congress has been called. Both parties in Illinois claim a legislative majority and the matter is in doubt. Senator Mitchell says the political revolution is not due to the McKinley bill. The republican state central committee in Ohio concedes the defeat of McKinley. One man was killed and several injured by the falling of a scaffold in Chicago. There is no doubt that ten democratic congressmen have been elected from Virginia. The democratic committee in Omaha claim Nebraska for Boyd and the entire state ticket. Buchanan, democratic nominee for governor, of Tennessee has from 25,000 to 30,000 majority. North Carolina democrats elect all candidates for congress except in one district, which is in doubt. It is conceded by New York papers that the next congress will have at least fifty democratic majority. The Mail and Express of New York concedes a democratic victory and turned the flag upside down. It is stated on the authority of a cabinet officer that the president will call an extra session of congress.

## LATEST RETURNS

Democratic Gains in The State Increase.  
**McKINLEY NOT ALL RIGHT.**  
His Defeat Conceded By Ohio Republicans.  
**GROVER CLEVELAND'S OPINION.**  
The Democrats Claim Ohio With Big Majorities.  
**A POLITICAL REVOLUTION.**

### Special by THE UNITED PRESS.

**California.**  
SAN FRANCISCO, Nov. 5.—Pond concedes the election of Markham by 2,000. The rest of the ticket is elected by about the same majority.  
Complete returns from fifty senatorial districts outside of San Francisco indicate the election of thirty-seven republicans. It is therefore safe to claim a republican majority in the legislature on a joint ballot. Out of forty-five assembly districts in San Francisco, 33 republicans and 6 democrats have been elected.  
**Delaware.**  
WILMINGTON, Nov. 5.—The result in this county cannot yet be definitely stated, but the vote in this city has been very close. On the face of the returns New Castle county has gone republican by from 125 to 150. The democrats, however, still claim the election of their entire state ticket. Kent county gives democratic majorities, ranging from 257 to 428. Sussex county, with one district to hear from, gives a majority of 500, which may be increased to 600. This elects Robert Reynolds, Dem., for governor, and John W. Casey, rep., for congress by a majority of 700, while the legislature will be two-thirds democratic.  
**Illinois.**  
CHICAGO, Nov. 5, 10 P. M.—Both parties, to-night are claiming a legislative majority on joint ballot and the democrats are hopeful of electing General Palmer to succeed Senator Farwell. The republican state central committee insist, to-night, that it will control the general assembly by five or six on joint ballot, but the democrats are vigorously insisting that they will have a majority. This result is still in doubt.  
**Kansas.**  
KANSAAS CITY, Nov. 5.—An official count in Kansas will be necessary to decide whether Willetts, the alliance candidate for governor, or Humphrey, the republican candidate, has been elected. The vote is very close, and indications in Willetts' favor with most of the western counties where the farmers are in a majority to hear from. The farmers' alliance has elected beyond doubt, W. A. Baker, its candidate for congress in the fifth district and contributed to the election of Moonlight, democrat, in the first whose election is conceded by something over 1,000 majority.  
**Minnesota.**  
MINNEAPOLIS, Nov. 5.—The gubernatorial vote is very close. The democrats are claiming the state. The alliance vote does not seem to be great in counties yet to be heard from. Castle, Dem., is elected to congress in the Fourth district. Hall, Dem., in the Third. Harries, Dem., in the First. The Fifth and Second are doubtful. The democrats made nearly a clean sweep on the city and county ticket.  
The gubernatorial vote is very close in Minnesota. Twenty-three counties gave Morrison, Rep., 22,845; Wilson, Dem., 23,178; Owen, alliance, 1,685. This does not include Hennepin county, Minnesota, which gives Wilson two thousand plurality, nor Ramsey county, St. Paul, which gives Wilson 15,000. The democrats are cleaning the state.  
St. Paul, Nov. 5.—Full returns and carefully prepared estimates from forty-nine out of seventy-nine counties in Minnesota give 1,673 plurality for Wilson, Dem., for governor. As to congressmen, it seems probable that three out of the five are democrats.  
**Missouri.**  
ST. LOUIS, Nov. 6.—The democrats will send a full delegation to congress and with one exception, they elect the entire state ticket and will have a large majority. Returns are coming in slowly and several days will elapse before the full and official vote can be given.  
**Nebraska.**  
OMAHA, Nov. 5.—Charles Ogden, chairman of the state democratic central committee claims Boyd's election by from 8,000 to 7,000 plurality. He claims all the congress and the entire state ticket.  
**Nevada.**  
VIRGINIA CITY, Nov. 5.—R. K. Colcord, Rep., for governor, and P. E. Bartine, Rep., for representative, will each probably have more than 500 majority.  
**New Jersey.**  
TRENTON, Nov. 6.—The democrats have increased their majority in both houses of the legislature. The senate will be composed of 13 democrats, 7 republicans and 1 independent democrat. The assembly will stand, 43 democrats and 17 republicans.  
**New Mexico.**  
ALBUQUERQUE, Nov. 5.—It is claimed that Joseph, Dem., has carried ten of the fourteen counties of New Mexico and that the democrats will have a majority. He carried a house for the first time in twenty-four years.  
**New York.**  
New York, Nov. 5.—The Evening World, Dem., says: "The democrats will have a majority in the next congress of between sixty-three and ninety-seven."  
The Mail and Express, Rep., concedes the democratic majority to be at least fifty. The Evening Sun, Dem., places the democratic majority at about fifty-three.  
New York, Nov. 5.—The Mail and Express, turns the American flag upside down, over the election returns, but says candidly: "There is no reason for the Republican party to distrust the future or for believing that the Democratic reaction is likely to yield permanent results." All the other evening papers attribute the Republican defeat to the McKinley bill. The Commercial Advertiser says whether McKinley is defeated or not, McKinley is dead.  
The Post is especially violent and compares Boyd, McKinley and Aldrich to "Falstaff," who led his followers where they were peeped.  
ALBANY, Nov. 5.—The private secretary to Governor Hill, states that the returns, according to the results received, show the Democrats will have sixty-six members, are. He estimated the Republicans elected, fifty-nine.  
ALBANY, Nov. 5.—The Post, in its last edition says:—"A number of congressional districts are still in doubt. Two in California, several in Iowa, two in Kentucky, two in New York, etc. It seems safe to say, however, that the democratic majority in the next house will not be less than 80. It looks as if it will run up close to one hundred."  
The congressional delegation from this state will be fourteen republicans and twenty democrats.  
**North Carolina.**  
RALEIGH, Nov. 5.—There is now no doubt of the election of all the democrats in the second district. That is yet in doubt.  
Returns from four hundred precincts, one fourth of the total number, give a net democratic gain for the ticket of 13,000.  
**North Dakota.**  
ST. PAUL, Nov. 5.—In North Dakota the republicans have elected the congress and the state ticket by from 2,000 to 4,000.  
**Ohio.**  
CHICAGO, Nov. 5.—Senator Calvin Brice, telegraphs to chairman Phelps of the state central democratic committee, congratulations. Ohio elects fourteen democratic congressmen, a gain of nine. McKinley and Foster are both defeated.  
**COLUMBUS, Nov. 5.—LATER—**The republican state central committee now concedes the defeat of McKinley. Both the democratic and republican state committees now agree that the congressional delegation from Ohio will stand fourteen democrats to seven republicans.  
**COLUMBUS, Nov. 6, 1 A. M.—**The republican state central committee have unofficial returns received from seventy-five counties, and the balance estimated. They claim that the republican plurality on the head of the state ticket will be between 10,000 and 15,000. The committee concedes the defeat of McKinley by about 200 and of Foster by 500. The democratic candidates in the other close congressional districts received majorities ranging from 500 and upwards with the exception of Cosgrove at Cincinnati, who is defeated by Storer, Rep., by 2,700. One of the most remarkable democratic gains was in the Eleventh district, where Pattison, Dem., was elected by 3,100. The republican committee concedes that the delegation to congress will stand 7 republicans to 14 democrats. The returns received and private advices by the democratic committee estimate that the republican plurality on the head of the ticket will be about 200 and that it may fall below these figures. On unofficial figures they claim McKinley is defeated by 318 and Foster by 300 or 400. Their estimate of standing is the same as the republican committee.  
**CANTON, Nov. 5.—**McKinley's great gain of 2,700 up to to-night lacks 147 of electing him. The official count may change this. There has been trouble in getting news from Holmes county.  
**Pennsylvania.**  
PHILADELPHIA, Nov. 5.—Revised figures from various counties indicate that Pattison's plurality for governor over Delamater will exceed 10,000. Waters and Stewart, republican candidates respectively for lieutenant governor and secretary of state are certainly elected.  
**Washington.**  
TACOMA, Nov. 5.—LATER.—Although full returns from the city of Tacoma and Pierce county are not yet complete there is no liability of any change in the previous report that the republicans have made a sweeping victory. Pierce county now stands as the banner republican county in the new state of Washington. The threats by leading democrats that Thomas Carroll, democratic candidate for representative in congress will contest the election of John Willson, republican, on the ground of intimidation by republican deputy marshals and sheriffs are scoffed at by the republicans, as there is positively no foundation for such a contest. Returns from all parts of the state received, show a republican majority for Willson of about 5,000 as against 3,000 last year.  
The Tacoma News, democratic, claims additional democratic representation in the state legislature.  
The News, in an editorial to-night, strongly urges Carroll to contest Willson, republican, in the election, alleging fraud and intimidation throughout the state and but for a violation of the law Carroll would have had a majority and that the next congress will be urged to investigate the matter.  
The News, also, in a leading editorial to-night, urges the republicans to take up Nelson Bennett, the Ta-

## What Cleveland Says.

Special by THE ASTORIAN.  
NEW YORK, Nov. 5.—To a reporter, on the result of yesterday's election, ex-President Cleveland said:  
"I am delighted. I challenge the right of any man in the country to rejoice more heartily than I over the results of yesterday. My gratification is that of an American proud of his fellow countrymen, who, though led away for the time by party prejudices and blind confidence in their cunning and selfish leaders, could not be deluded to their ruin."  
"They have demonstrated that in dealing with them it is not safe to calculate that they are stupid or heedless of the welfare of their country; the necessity of tariff reform with its consequent reduction in the cost of living, and the duty of the democratic party to advocate it have been fully demonstrated by the action of the people yesterday."

## TO CALL AN EXTRA SESSION

A Cabinet Officer Says Congress Will be Convened.  
**GENERAL EASTERN ITEMS.**  
Special by THE UNITED PRESS.  
WASHINGTON, Nov. 5.—It is stated, on the authority of a cabinet officer, that the president will call an extra session of congress.  
**A FALLING SCAFFOLD.**  
Several Men Injured and One Killed in Chicago.  
Special by THE ASTORIAN.  
CHICAGO, Nov. 5.—By the breaking of a scaffold, raised 10 feet from the ground, to photograph Lyon & Healey's new piano factory, to-day, one man was killed, two probably fatally injured and several others badly hurt. Wm. Kischangoff, 54 years old was injured; August Haskel was injured about the chest and it is supposed his lungs are affected. Dora Gifford sustained severe internal injuries. John Coates had an ankle broken. E. Grillini and John Bailis had ankles sprained.  
**The Appropriation Bill.**  
Special by THE ASTORIAN.  
WASHINGTON, Nov. 5.—By direction of representative Cannon, chairman of the house committee on appropriations, notice has been given to the members of the committee, requesting them to meet in Washington Thursday to begin the preparation of the regular general appropriation bills.  
**Three Southern States.**  
NEW ORLEANS, Nov. 5.—The Florida democrats elect the governor, state comptroller and the associate justices of the supreme court, in the First and Second districts and a majority of the legislature. In Louisiana a full democratic delegation will go to congress. The First district is Democratic with a majority of 4,495. In the Second district the democratic majority exceeds 4,000; although the returns are not complete.  
In Mississippi seven democratic congressmen were elected by overwhelming majorities. So little was the interest taken by Negroes in the election that in many precincts no republican tickets were distributed. The smallest majority received by any democratic congressman will not be less than 4,000.  
**What Senator Mitchell Says.**  
SALEM, Nov. 5.—Interviewed upon the democratic success of yesterday's elections, Senator Mitchell, of Oregon said:  
"I do not care to say anything today as to the causes of this apparent political revolution. It was not caused by the McKinley bill, which is a measure that will be better appreciated by the people as it is better understood. Of course it is the usual result of an off year succeeding, the defeat of a republican administration."

**The Way Made Clear.**  
One of the most serious obstacles to success in the way of man is planted right in the middle of the road to health. How to restore and to maintain a regular habit of body and digestion is too often a source of needless and unprofitable inquiry. It is not necessary to lavish upon the stomach purgatives. They have used them continuously for years, and the result is a condition which unites the action of a regulating medicine for the bowels with that of a tonic both for the organs of the liver and the stomach. It is Hottel's Stomach Bitters, sanctioned by the best medical authority, and receiving daily the indorsement of fellow countrymen. With this effectual, though gentle, laxative in hand, it is possible to defy those changes of temperature productive of constipation, as well as assist in the removal of the bile, which is so often the cause of indigestion. Malaria dyspepsia, the summer and winter ailments, are resisted and prevented by the Bitters.

## What Cleveland Says.

Special by THE ASTORIAN.  
NEW YORK, Nov. 5.—To a reporter, on the result of yesterday's election, ex-President Cleveland said:  
"I am delighted. I challenge the right of any man in the country to rejoice more heartily than I over the results of yesterday. My gratification is that of an American proud of his fellow countrymen, who, though led away for the time by party prejudices and blind confidence in their cunning and selfish leaders, could not be deluded to their ruin."  
"They have demonstrated that in dealing with them it is not safe to calculate that they are stupid or heedless of the welfare of their country; the necessity of tariff reform with its consequent reduction in the cost of living, and the duty of the democratic party to advocate it have been fully demonstrated by the action of the people yesterday."
