FURTHER ELECTION NEWS

Cheering Letter From California's
Governor-Elect.

THE GOLDEN STATE ON TOP.

McKinley is Satisfied and Tells Why—
Complete Returns From
Several States.

SPECIAL TO THE UNITED PRESS.]
SAN FRANCISCO, Nov. 6.—Colonel
Markham in a letter of congratulation
to Chairman Stump, of the republi-
can state central committee to-day
says:

"We have won a victory that will be
handed down in the history of this
state, unsurpassed, and when we see
what has happened to our party in the
East we have a right to demand
double congratulations from every re-
publican state in the Union for our
fidelity to the cause."

McKinley is Satisfied.
SPECIAL TO THE ASTORIAN.]
CANTON, Nov. 6.—McKinley said
this afternoon to a reporter that
while conceding his probable defeat
by a small majority, he is greatly sat-
isfied with the result. He said the
issue was between a protective
tariff and a tariff for revenue
only. It was clear and
distinct and nothing else entered into
the canvass. His bill was the center
of all and the result he regards as
a signal victory for a majority of over
2,900 democratic votes in his district
last year was reduced to about 200
this year. He carried his own ward
and the city and county by a large
majority, showing unprecedented
gains.

California.
SAN FRANCISCO, Nov. 6.—The latest
returns from the interior denote
no material change from previous
figures. The state legislature will be
almost solidly republican and the
chances are that the entire congress-
ional delegation will also be republi-
can, as the latest reports from the
first district give the republican can-
didate over one hundred more votes
than his opponent.

Illinois.
CHICAGO, Nov. 6.—Chairman Jones
of the republican state central com-
mittee concedes the legislature to the
democrats, but claims the election of
the republican state ticket by from
6,000 to 8,000. The democratic state
central committee is unwilling to con-
cede the claims of Jones in regard to
the state ticket. The official returns
from twenty-seven counties out of 103
in the state, show a net gain of 10,000
for the democratic state ticket.

Judging from the latest returns Sen-
ator Farwell says he will not be the
democratic nominee for Illinois, but
John M. Palmer will succeed to this honor.

SPRINGFIELD, Nov. 6.—General
Palmer this evening received a tele-
gram from Carbridge saying that Ed-
wards and Myers, the two democrats,
are shown by the official count to have
been elected to the legislature. Gen-
eral Palmer, on reading this dispatch
said: "This makes 103 democrats on
the joint ballot, a majority of one."

The 103, the general explained, in-
cluded the F. M. E. A. men, all three
of whom he claimed were pledged to
support him on a ballot for United
States senator.

KANKAKEE, Nov. 6.—Indications
now point to the election of H. W.
Snow, Dem., as congressman from the
Ninth district. Payson, Rep., carried
this district by 2,000 majority in 1888.

Kansas.
KANSAS CITY, Nov. 6.—There is now
but little doubt that the next Kansas
legislature, on a joint ballot, will be
under control of the farmers' alliance
and the democrats combined, and
possibly the alliance will have a majority.
This means sure defeat for Senator
Ingalls. Returns from the country
legislature, on a joint ballot, show
both republicans and alliance men
are claiming the victory in the govern-
mental contest, but so far, Willets, A. I.,
is in the lead. In the First congress-
ional district an official count will be
necessary to determine whether Mc-
Coy, light, Dem., or Broderick, Rep., is
elected. The remaining six congress-
men were elected by the alliance party.

Will Not Contest.
SPECIAL TO THE ASTORIAN.]
TACOMA, Nov. 6.—Thos. Carroll,
when interviewed by the United Press
reporter to-day said:
"I am satisfied with the result and
shall not contest Mr. Wilson's seat in
congress, and although I am certain
that fraud was used in many cases
and that the democratic house would
seat me, I believe Mr. Wilson's ma-
jority would offset all fraudulent
votes. Hence I will not contest."

Nebraska.
OMAHA, Nov. 6.—Boyd, Dem., is
elected governor by from 4,000 to
5,000 plurality. Most of the republi-
can state ticket, below the governor,
is elected. The farmer's alliance have
the legislature, two congressmen and
most of the county officers.

New Hampshire.
CONCORD, Nov. 6.—The republicans
