ROARING FLAMES.

An Extensive Fire Raging in Pictou, N. S.
Special to THE ASTORIAN.
Pictou, N. S., Nov. 8.—The largest fire for twenty years is in progress. It started in the police station early this morning on the east side of the South Market wharf and rapidly spread south to the harbor and north to West street.
A Norwegian sailor, an inmate of the police station, perished. A very strong wind carried the flames to Anson's warehouse, where they spread to Carson's lumber yard, destroying the lumber warehouse and the saw-mill of Fringle & Sons, and the shops of D. Sutherland, together with offices and Wm. Carson's dwelling. The Standard office is now burning and a clean sweep of the South Market wharf is threatened. The fire is spreading up Carroll lane.
CORBETT AND SLAVIN.
The Californian Willing to Meet The Big Fellow.
Special to THE ASTORIAN.
SAN FRANCISCO, Nov. 8.—The challenge to Slavin, which Corbett issued recently, has created considerable of a stir in sporting circles.
One of Corbett's friends in this city was telegraphed to a few days ago by the directors of the Olympic club of New Orleans asking if Corbett would be willing to fight Slavin there. To this Corbett authorized an answer that the chief consideration with him would be a suitable purse, and if the Olympic club made a satisfactory offer he would accept.

EVENTS OF THE NATION

Representative Englishmen Who Favor Protection.
CALIFORNIA'S BIG MAJORITY.
The Golden State Rolls Up Ten Thousand Extra Votes—General National Notes.
Special by THE UNITED PRESS.
MANCHESTER, Nov. 8.—As anticipated some time ago Messrs. Reich and Watson, of Lester & Company, limited, who have just returned from New York, deny that they ever made the statement attributed to them by the Philadelphia Inquirer in an interview which was called to this country, through a new agency. They were asked if English capital would still go to the United States after the elections.
Reich and Watson replied that they had made careful inquiries and that the national feeling seemed to be in favor of protection. English capital would, therefore, go to the United States.
CALIFORNIA STILL FIRMS.
The State Will Show Big Republican Gains.
Special to THE ASTORIAN.
SAN FRANCISCO, Nov. 8.—The latest returns from the interior of the state do not materially alter the vote, and so few precincts still remain to be heard from that it is not probable that any notable change will be made when the count is completed.
The republican candidates on the state ticket have won by majorities of 10,000. The republicans have probably all the congressional districts, but it is thought that in the First and Second districts the result is so close that it will be impossible to tell what is elected until the returns are completed.
QUAY TO RESIGN.
A Political Rumor That Was Born in Washington.
Special to THE ASTORIAN.
WASHINGTON, Nov. 8.—The following paragraph is published in an evening paper to-day: "Among the reports discussed by the political gossip to-day was one that Senator Quay would resign the chairmanship of the republican national committee as soon as he returns from Florida and that Clarkson would be his successor."
Fifty Cigars Free.
Special to THE ASTORIAN.
WASHINGTON, Nov. 8.—The treasury department has informed a Philadelphia correspondent that the importation of cigars in packages of less than 3,000, is prohibited, but that passengers and travelers, who arrive in the United States, are allowed to retain for their own use not more than fifty cigars without payment of duty.
Death of an Educator.
Special to THE ASTORIAN.
PITTSBURGH, Nov. 8.—Milton B. Goff, chancellor of the Western University, died this morning. Goff was about 50 years of age and was widely known as one of the most popular educators of the day. His death was caused by injuries received while visiting Carnegie's mills at Homestead on the day of the British iron and steel engineers' excursion.
A Grand Army Man Suicides.
Special to THE ASTORIAN.
NEW YORK, Nov. 8.—Louis J. West, a well known member of the Grand Army of the Republic and commander of the A. S. Claffin post, committed suicide this afternoon, at his home, by cutting his throat with a razor.
EXPLOSION IN A BREWERY.
Four Men Killed and Several Others Injured.
Special to THE ASTORIAN.
MILWAUKEE, Nov. 8.—An explosion in the famous Pilsner brewery to-day, caused the death of four workmen and seriously injured several others.
AN OVERDOSE OF OPIUM.
A Big Millionaire in Ohio Dies Suddenly.
Special to THE ASTORIAN.
SPRINGFIELD, Nov. 8.—Mr. Evans, president of the A. C. Evans Company, manufacturers of a variety of agricultural implements, and a millionaire, died suddenly to-day from the effect of an overdose of opium.
A TOWN IN DANGER.
Destructive Fire Raging in Fremont, Pennsylvania.
Special to THE ASTORIAN.
READING, Pa., Nov. 9.—A dispatch from Fremont says that a fire started there this midnight, which threatens the destruction of the town. Assistance has been asked from surrounding towns.
The Home Truth of a Foreign Proverb.
The Spanish have a proverb—*demostado es peligrado*—"Too much is dangerous." If truth is the soul of wit, this means a great deal. Excess and other immoderances in eating and drinking are productive of many of our ailments, and the follies to which this plaything has direct application to-day which we should be indulgent to the relief and cure of which Hostetter's Stomach Bitters has contributed more than any medicine which science has given to the American people. This invigorating stomachic and corrective is the means not only of reforming a disordered or enfeebled condition of the digestive organs, but of renewing healthy action of the bowels and the liver. Besides this, it counteracts a tendency to rheumatism and kidney complaint, cures and prevents malaria, and is a potent restorative of strength which is fading, restores convalescence, and mitigates the infirmities of age.

THE "WILD WEST" INDIANS

They Will Be Interviewed on Arrival From Europe.
Special to THE ASTORIAN.
NEW YORK, Nov. 8.—General O'Brien has been requested by Secretary Noble to make an examination of the "Wild West Show" Indians on their arrival at Philadelphia.
The general will go to Philadelphia, accompanied by Sioux interpreters, and take evidence as to the treatment received by the Indians while connected with the show.
A DOG KILLS A LITTLE CHILD.
Cruel Work of a Big Newfoundland in South Dakota.
FOUND EATING THE INFANT.
Special by THE UNITED PRESS.
LEAD CITY, S. D., Nov. 8.—Gus Cartwright, with his wife and child, lived in a cabin six miles from Rockford.
The family recently bought a Newfoundland dog. While the husband was away the wife had occasion to punish the dog and immediately thereafter went down to a spring, 100 feet from the house. On her return she discovered that the dog had attacked the child in her absence and had literally eaten his head off. He was still crunching the bones of the skull, the brains of the little one were dropping on the ground and the dog was fiercely growling.
The mother gave a piercing shriek and fell senseless to the ground. She has become a raving maniac.
IN LINCOLN'S TOMB.
The Remains of Little Abe Laid to Rest in Illinois.
Special to THE ASTORIAN.
SPRINGFIELD, Ill., Nov. 8.—Robert T. Lincoln, minister to England, arrived this morning with the body of his son, who died abroad. He was met at the station by members of the Lincoln Monument Association, who escorted Lincoln and the remains of his son to Oakridge, where the body was deposited in the monument erected to the memory of the boy's illustrious grandfather. The interment was without ceremony.
THE ANARCHISTS' MEETING.
It Passes Off in Brooklyn Without Trouble.
Special to THE ASTORIAN.
BROOKLYN, N. Y., Nov. 8.—The much talked of meeting of the anarchists of New York City and Brooklyn to express sympathy with the cause of the murdered martyrs, was held this evening at the Labor Lyceum in this city and passed off without any collision between them and the police.
Epoch.
The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alternative and Tonic. If you are troubled with any disease of the Kidneys, Liver or Stomach, of long or short standing you will surely find relief by using Electric Bitters. Sold at 50c, and \$1 per bottle at J. W. Conn's Drug store.
London has more Scotch than Edinburgh.
Notice.
GOD'S BLESSING TO HUMANITY—So Says an Oregon Pioneer Ninety Years Old.
FOURTH GROVE, Or., March 19.—I have used the OREGON KIDNEY TEA and obtained immediate relief. It is God's blessing to humanity. I take pleasure in recommending it to the afflicted. I am now nearly ninety years old, came to Oregon in 1842 in the emigrant train of the Hudson's Bay Company, and since I began using the OREGON KIDNEY TEA I enjoy good health.
DAVID MUNROE.
Bernhardt has a \$3,000 dress.
Science Works Wonders.
I had sciatic rheumatism so that I was all drawn over to one side. My hip sank in so that you could lay your hand in the cavity, and I did not work for a year. Nothing did me any good until I tried Hibbard's Rheumatic Syrup. Four bottles cured me.

FOUND EATING THE INFANT.
Special by THE UNITED PRESS.
LEAD CITY, S. D., Nov. 8.—Gus Cartwright, with his wife and child, lived in a cabin six miles from Rockford.
The family recently bought a Newfoundland dog. While the husband was away the wife had occasion to punish the dog and immediately thereafter went down to a spring, 100 feet from the house. On her return she discovered that the dog had attacked the child in her absence and had literally eaten his head off. He was still crunching the bones of the skull, the brains of the little one were dropping on the ground and the dog was fiercely growling.
The mother gave a piercing shriek and fell senseless to the ground. She has become a raving maniac.

Epoch.
The transition from long, lingering and painful sickness to robust health marks an epoch in the life of the individual. Such a remarkable event is treasured in the memory and the agency whereby the good health has been attained is gratefully blessed. Hence it is that so much is heard in praise of Electric Bitters. So many feel they owe their restoration to health to the use of the Great Alternative and Tonic. If you are troubled with any disease of the Kidneys, Liver or Stomach, of long or short standing you will surely find relief by using Electric Bitters. Sold at 50c, and \$1 per bottle at J. W. Conn's Drug store.

Science Works Wonders.
I had sciatic rheumatism so that I was all drawn over to one side. My hip sank in so that you could lay your hand in the cavity, and I did not work for a year. Nothing did me any good until I tried Hibbard's Rheumatic Syrup. Four bottles cured me.
