

The Daily Astorian. ASTORIA, OREGON: MONDAY, NOVEMBER 17, 1900. THE RANK OF STATES.

COMPARISONS of the rank of states as indicated by the census of 1880 and of 1890 affords an interesting study as showing the great advance made by some states in the last decade and the slow growth of others. A column could be written in reference to the matter, but any close observer will study the following table and draw his own conclusions so far as regards any state in which he may be interested. The first column of figures shows the rank of each state in population in 1880 and the second column the rank in 1890.

Table with 2 columns: Rank in 1880 and Rank in 1890. Lists states from New York to Nevada.

It will be seen that, as in 1880, New York still heads the list, and is followed by Pennsylvania. Ohio and Illinois have exchanged places. Of the other changes in the list the most marked are those of Texas, which rises from No. 11 to No. 7; Kentucky, which drops from 8 to 11; Minnesota, which rises from 26 to 20; Nebraska, which rises from 30 to 26; Maryland, which drops from 23 to 27; Colorado, which rises from 35 to 31; Vermont, which drops from 32 to 36; Washington, which rises from 42 to 34; Delaware, which drops from 38 to 42; Nevada, which drops from 43 to 49; and Arizona, which drops from 44 to 48.

DEMOCRATIC victories all over the country were followed by financial panic and wild tumble of stocks. Is it an exemplification of cause and effect, or can our democratic friends give any other reason?

Excitement runs high at J. W. Coon's drug store over System Builder, an everybody is using it for Catarrh of the stomach, Dyspepsia, Constipation and Impure blood, and to build up the system. It certainly possesses wonderful merit when all speak so well of it.

All the patent medicines advertised in this paper, together with the choicest perfumery, and toilet articles, etc., can be bought at the lowest prices at J. W. Coon's drug store, opposite Occident Hotel, Astoria.

DR. PRENTICE WILL ARRIVE NOVEMBER 22. Eye, Head and Nervous Diseases, At Occident Hotel, Astoria, For a Few Days.

FREE. Dr. Prentice Will Cure the First Case of Cross-Eyes and Epileptic Fits Free On the Day of His Arrival in Astoria.

Those Who Wish to Have the Doctor Treat Them Should Call Early, or They May Lose the Opportunity.

A man well known in this community writes the following interesting letter: "I was chopping a stump four weeks ago, when a flying chip struck me in the eye; for a short time I was entirely blind. Then partial sight returned again. I nurtured hope and continued to treat it at home, until ten days ago, when I began to abandon hope of ever seeing perfectly again, unless something more than ordinary was done. I then consulted two of the leading Oculists of Portland, who told me one eye would have to be cut out to save the other. It did not exactly suit me to have my eye cut out, and so I sought other counsel. I went to Dr. Prentice, the Oculist, then at Portland, and he laughed at the idea of its being necessary to cut my eye out; I joined in the laugh, for it was on my side. I have been free from pain since the first day's visit to Dr. Prentice, and improved steadily, and am now entirely well again. I feel safe in saying that if Dr. Prentice cannot cure a case he will always say so. Thos. H. Foss, Gray's River, Wash."

A Touching Scene Witnessed by a Portland Gentleman. One week ago we received an invitation to witness a delicate surgical operation on an eye. The patient was the 17-year-old daughter of Harrison Hay. For three years she had been blind in both eyes with a cataract, and was obliged to grope her way about in total darkness. The patient, without taking chloroform, submitted to the following operation: She was now ready for the surgical part of the work, and we stood in breathless anxiety as Dr. Prentice placed the point of his knife at the side of the eyeball, carefully touched the point of the cornea, then the blade entered the eye; we saw it pass through the eye in front of the pupil and then come out at the opposite side. It was then drawn upward, and a cut made of about one-third of the circumference of the ball. Another incision was then passed in back of the pupil, and almost on the instant the girl said: "Oh, Dr. Prentice, I can see you." This was spoken in tones well calculated to draw tears to one's eyes. From the time the knife touched the eye until the patient could see, it was just one minute. She was allowed to see those about her for a moment, then the eye was closed and bandaged.

In just one week after the operation she came into our office and was able to read our paper. She also wrote a letter home, saying: "Dear parents, I can see and am happy."

Mr. Jerome W. Campbell, General Superintendent of the Willamette Bridge Railway Co., saw this operation.

A LETTER. From a Patient Who Was Cured By Dr. Prentice. PORTLAND, OR., Oct. 7, 1890.

To the Suffering: For five years I have suffered with sleeplessness, nervous debility, irritation at the base of the brain, and a terrible kidney disease. I had tried so many remedies that did me no good that at last I gave up all hope of ever being a well man again. I tried many prescriptions that were said to be good, and all failed. There were many times during the past few years that I was obliged to lay off from work from two weeks to three months at a time. Lately I was running down in health very rapidly, and was alarmed. I contemplated leaving this part of the country and trying to see if I could not get relief elsewhere. I must say that my faith in doctors was about gone; but something led me to visit Dr. Prentice at the Occident hotel. I crowded in with the others and waited my turn. He examined me, told me where my trouble was, and said he could cure it without medicine. I can't say that I really believed him, but something in his manner led me to trust him. He gave me no medicine at all, yet from the day of my first visit I began to improve rapidly. I now sleep as sound as a child. My memory is greatly improved. My kidney disease and brain irritation are entirely well, my appetite splendid, and I now enjoy life as sound as a child. My only person wishing to learn about my case will find me at the Occident hotel.
