General Miles' Course Defended by Brother Officer.

THE CRAZE STILL CONTINUES

Additional Reports of an Ominous Character From the Sioux Country The Navajos.

NEW YORK, Nov. 23.—A special to the Press from Washington says: "Admirers of General Miles express great indignation over a story printed here indignation over a story printed here his own age, near Hansonville, re-yesterday in a local journal, and tele-turned a verdict this afternoon, charggraphed to several New York morning newspapers.

said: 'Whoever charges that our commander is overrating the danger of an Indian uprising in order to boom him-self for president can only be actuated by a cowardly and envious spirit "'I have recently visited Pine Ridge

Special to THE ASTORIAN. and other agencies in Dakota where ALBUQUERQUE, N. M., Nov. 23. The reported discovery of rich gold leads in the Carriscoo mountains on little doubt that it is or has been the the Navajo Indian reservation, is fully confirmed by subsequent reports. The agent of the Navajos who has the part of the authorities."
"The Indians could probably put be-

tween six and eight thousand warrio in the field, and although they would in the end be defeated by our troops, before the redskins could be subjugated millions of dollars worth of damage would be suffered in property; the prosperity of the country would re a serious blow, and many lives receive a serious blow would be sacrificed.

"President Harrison thoroughly understands the situation. He has absolute confidence in General Miles, and has directed him to employ all possible precaution against an out-break.

General Crook, perhaps, is the best Indian fighter that we have. He knows the character of the redskins better, probably, than any officer in the army, and nothing could be more unjust than the charge that he is seeking to manufacture political capital A Shipwrecked Whaling Crew Arout of this crises."
