ACCIDENTS ON THE OCEAN.

A Collision on the Atlantic Without Any Loss of Life.

SEVERAL OTHER DISASTERS.

Special by The United Press.]

NEW YORK, Dec. 7.—The French steamship *La Champagne*, from this port for Havre, and the British steamer *Labrador*, from Para to this port, collided two miles east of Sandy Hook at 5:30 o'clock this morning. No lives were lost, and as far as known no one was injured.

Good seamanship and prompt action combined, with what is generally termed "good luck," prevented what would in all probability have proved a terrible disaster. As it is, both vessels will be at their docks, one with a big hole in her bow, the other with a bigger hole in her port quarter, to-day. Three thousand dollars will repair the damage done to both vessels.

AT SEA IN AN OPEN BOAT.

No Tidings Heard of a Messenger Boat's Crew.

Special to The Astorian.]

SAN FRANCISCO, Dec. 7.—No news has been received from the crew of the schooner *Ida Florence*, who put to sea in an open boat when the vessel was wrecked at Iverson's landing on the 2d inst. It is now feared that the schooner is a total loss and that her crew, who put to sea, are lost.

The waves turned the schooner completely over, and when last seen she was breaking to pieces on the rocks.

HEARD FROM AT LAST.

The Long Overdue Ship "Embleton" Reported Afloat.

Special to The Astorian.]

SAN FRANCISCO, Dec. 7.—Information has just been received at the Merchants' exchange, that the *Embleton*, which has been overdue, has sailed from Montevideo for Tacoma.

"Being familiar with the stimulating, healing and anodyne properties of ALLCOCK'S POROUS PLASTERS, I commend them as a most valuable agent in the class of diseases for which they are intended. The stimulating action when worn over the gastric region materially aids in restoring strength and energy to digestion, and the consequent building up of tissue and restoring tone to the general system."
