CRAND PREMIUM OFFER!

A SET OF THE

In Twelve Large Volumes.

Which we Offer with a Year's Subscription to this Paper for a Trifle More than Our Regular Subscription Price.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New Tork publishing house whereby we are enabled to offer as a premium to one subscribers a Set of the Works of Charles Diekens, in Twelve Large and Handson Velames, with a year's subscription to this paper, for a triffe more than our regular subscription price. Our great offer to subscribers eclipses any ever heretofore made. Charles Diekens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even nore popular to-day than thing his lifetime. They abound in wit, humor, pathes, mesterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No homeshould be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with new type. The twelve volumes contain the following world-famous works, each one of which is published complete, unchanged, and absolutely unabridged:

d complete, unchanged, and absolute DAVID COPPERFIELD. BARNABY RUDGE AND CHRISTMAS

BARNABY RUDGE AND CHRISTMAS STORIES,
OLIVER TWIST AND CREAT EXPECTATIONS,
THE OLD CURIOSITY SHOP AND THE UNCOMMERCIAL TRAVELER,
A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nock and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works. Grand Premium Offer to the Subscribers to "Weekly Astorian."

By special arrangement with the publisher of Mammoth Cyclopedia, we are enabled to make to our subscribers and readers the following extraordinary offer: We will said the Mammoth Cyclopedia, Complete in Four Volumes, as above described, all postage prepared, also The Weekly Astorials, for one Year, upon recipt of only \$2.75, which is but 75 Cents more than our regular subscription price, so that you practically get this large and enhable work for the trifting sum of 15 Cents.
