CRAND PREMIUM OFFER!

SET OF THE

BLEAK HOUSE,

In Twelve Large Volumes, Which we Offer with a Year's Subscription to this Paper for a Trifle More than

Wishing to largely increase the circulation of this paper during the next six months, we have made printing ments with a New York publishing house wherely we are enabled to offer as a premium to op-subscribers a Set of the Works of Charles Die there a Set of the Works of Charles Die-ens. In Twelve Large and Handson wellemes, with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers early ever heretofore made. Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, his lifetime. They abound in wit, humor, paths, masterly delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No home should be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we elive. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with new typo. The twelve volumes contain the following world-famous works, each one of which is published complete, unclanged, and absolutely unabridged:

DAVID COPPERFIELD. MARTIN CHUZZLEWIT, NICHOLAS NICKELBY.

BARNABY RUDGE AND CHRISTMAS STORIES, OLIVER TWIST AND GREAT EXPEC-TATIONS, THE OLD CURIOSITY SHOP AND THEUNCOMMERCIAL TRAVELER, A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD. DOMBEY AND SON, LITTLE DORRIT, OUR MUTUAL FRIEND. PICKWICK PAPERS. The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to our to be a price which all can afford to our to be a price which all can afford to our subscribers and readers a set of Dickens' works at a price which all can afford to our subscribers and readers a set of Dickens' works at a
