The New York Engineering News publishes statistics showing the prog-ress of railway construction in the far San Francisco, Dec. 17.—There is considerable anxiety among insurance people about the vessel Strathelyde, which is overdue from Java laden with sugar.

The steamer Eton from the same point brought no intellegence of her and those on board was surprised that the Strathelyde had not arrived ahead of them. the Strathclyde had not arrived ahead of them.

The Strathclyde, has been overdue for weeks, and has been given up as lost. The Strathcarn carried a cargo valued at \$200,000, and the Strathclyde carried about the same. Both of the strathclyde carried about the same. Both clyde carried about the same. Both control of the strathclyde carried about the same. Both control of the states of Washington, Montana and Colorado, and is being carried on by the Northern and Union Pacific, Great Northern and Union Pacific companies. Over 44 per cent of this year's track-laying and 40 per cent of the mileage under construction is the work of these companies.

Dickers was the greatest novelist who ever
lived. No author before or since his time has
won the frime that he achieved, and his works
are ever more popular to-day than during
his lifetime. They abound in wit, humor,
pathes, musterly delineation of character,
vivid descriptions of places and incidents,
thrilling and skillfully wrought plots. Each
book is intensely interesting. No homeabould
be without a set of these great and remarkable works. Not to have read them is to be
far behind the age in which we live. The

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the usual high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and stitching machinery, the extremely low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works. of the great anthor's works.

Grand Premium Offer to the Subscribers to "Weekly Astorian."

THE CRY OF MILLIONS OH, MY BACK! STOP IT HOW, SOON IT WILL BE TOO ATE. I have been froubled many years with disease of the kidneys and have fried many different temedies and have sought aid from different playscians without relief. About the 15th of April I was suffering from a very viscent attack that almost prostrated me in such a manner that I was bent over. When I sat down it was almost impossible for m to get up alone, or to put en my clothes, whet kind Providence sent Dr. Healey, with the OREGON KIDNEY TEA, to my hotel. I immediately commenced using the tea, It had an almost miraculous effect, and to the astonishment of all the guests at the hotel, in a few days, I am happy to state, that I was a new man. I will in a few days, I am happy to state, that I was a new man. I will recommend the tea to all afflicted as I have been. G. A. TUPPER,
