There is a feverish state of that my capital is made the direct emproached. There is a feverish state of ployer of labor. It furnishes many men the globe, and myriads of silly people steady work at good wages. I don't know think there are to be celestial phenomena. The year 1892 was one in which this. I have not taken any money our George Washington, if president would things. I never intend to do so, and since have been beaten for re-election by Ros- I retired four years ago the money time well Flower, David Bennett Hill or Aaron has some to me, beyond that of living Burr. What is the present verdict about? expenses, has been devoted to public uses. Burr. What is the present verdict about? I have hourded none, nor shall I. Much. Suppose it is said the vote of the people has been said about my fortune. I have in November last was one of confidence plenty, but it is all in the works at Pittsin the democratic party. But the demo-ocracy have no program in which they are I have nothing, and that is how I themselves have confidence. There has been a personal success, not a political knowing that the first charge upon every achievement.

President J. J. Hill's interview in Ta- les About three hundred classes of freight sea routes, and Mr. Hill them all. He further said: "We've got for any manager in the world. A good symptoms given in the following testimonial the railroad, and we've got to carry the workman or able man, said he, wh you should lose no time in seeking relief. stuff this country (the north Pacific learn to appreciate Mr. Frick, Inefficien coast) produces. We have got to bring or bad, unreasonable and violent workhere lots of cars to load with lumber men he does not like, and these will not and we cannot haul them empty west ward. We must bring freight that has been coming westward by water." It is noticeable that Mr. Hill does not commit himself in respect to rates on lumber. He simply says that he must furnish cars for lumber, which is something. But he is mainly concerned about the westward upon us. HAY & CORNELIUS. haul. Oregon and Washington lumberrunry 6th.

workshop and there are signs in the shavings that the reporters gather around the work bench-M. Cleveland is taking the view that the cabinet is not to be a grand council of the leaders of the democratic party, but a political family. President Harrison has been scolded for acting upon this policy, and President Hayes and President Garfield and Grant.

Notice is hereby given that I, A. F. Krager, have this day sold my entire wood business to D. and D. R. Campbell, who will carry on and continue to do business at the old stand. I heartly heapeak for them the same patronage becomed upon me. All bills contracted prior to February 1st, 1893, are rayable to me.

A. F. KRAGER. Hayes and Presidents Garfield and Grant, too, were assailed on asserted procityities for personal government. But when
we see Bayard and Lamont serving as
advisers-in-chief, there is no question of
the personal nature and character of the
output that is to be our frontispiece for

The Car of all the Hussias, it is said, lors in the Weich block, No. 718, Water shout to assume the title of "Emperor street, Call up telephone No. 7. is about to assume the title of "Emperor of Asia." But Victoria is Empress of India, and isn't India in Asia? How is the Cour going to get a full and complete

title unless he annexes Victoria? He might amend the title to make it read, Emperor of nearly all Asia." That would be in line with his present title.

It is quite evident that Charles A. Dana will not be happy in the same heaven with Rutherford R. Hayes. Springfield Union.

Charles A. Dana is one of the few men who shake our belief in a heaven for anybody.-New Bedford Journal. But isn't there a compensation in the
