Checked—the frightful increase of Scrofula, and all blood-taints. Dr. Herve's Golden Medical Discovery cures purities and enriches the blood, cleanses the system of all impurities, and restores health and strength. It cures all diseases arising from impure blood. Consumption is one of them. It's simply lung-scrofula. In all its earlier stages, the "Discovery" effects a cure. It's easy to see why. The medicine that makes scrofula in one part, is the best remedy for it in another. It is the best. It's warranted. It's the only blood and lung remedy that's guaranteed to benefit or cure, or the money will be refunded. No other remedy of its class does it. How many would be left if they did!

It's the cheapest blood-purifier, sold through druggists, no matter how many doses are offered for a dollar, because you only pay for the good you get. That's the kind of medicine to try. Your money is returned if it doesn't benefit or cure you!

THE OPEN SWITCH. AN ESTABLISHED SAFEGUARD. Anybody who travels by car knows what is meant by "an open switch." It is the terror of railroad men, and the dread of the traveler. Its victims—killed, horribly mangled or maimed for life—are numbered by the score each year.

Yet even the dreaded "open switch" is not so widely fatal as is a certain disease, which, without ceasing its activity for an instant, is daily filling hundreds of graves. What is that terrible ailment? you ask. It is Heart Disease! "But," you reply, confidently, "I haven't any heart disease—my heart is all right." Are you SURE?

Dr. Franklin Miles, of Elkhart, Ind., the distinguished specialist in diseases of the heart and nervous system, states that disorders of the heart are as common as those of the lungs, liver, stomach, bowels or kidneys, though often unsuspected. The reason people are not aware of this important fact is because symptoms of heart disease are not usually recognized as proceeding from this organ, but are attributed to some other source. If you have shortness of breath, fluttering or palpitation, pain or tenderness in left breast, shoulder or side, oppressed or choking sensation, fainting or smothering spells, your heart is affected.

"I had been troubled with heart disease for years. My left pulse was very weak, could at times scarcely feel it, excitement would weaken my nerves and heart, and fear of impending death stared me in the face for hours. Dr. Miles' Hearting and New Heart Cure are the only medicines that have proved of any benefit and cured me."—L. M. DYER, Cloverdale, Md.

"My wife has been taking Dr. Miles' New Cure for the Heart. She thinks it wonderful. She has not been troubled with pain or smothering spells since using it. We have also used Dr. Miles' Pills, and we find them all they are claimed to be."—GEO. L. FINK, Philadelphia, Pa.

Those hundreds of similar testimonials are convincing proofs of the wonderful powers of Dr. Miles' New Cure for the Heart. It is effective, agreeable, and above all, SAFE. Sold by druggists on a positive guarantee, or Dr. Miles Medical Co., Elkhart, Ind.

Lowell Mass., March 2.—The 20-foot wheel of the electric street railway power house, making seventy-five revolutions per minute, burst today, throwing great sections through the sides and tops of the building to a distance of one hundred yards or more, stopping all the electric street cars in the city.
