GROCERS.

The Wisdom of Coming Early is Apparent

The Truth and Nothing But the Truth.

You will find it so if you call this week. Some people will get big bargains—we mean the early callers. Why not be one of them, and then you'll not say "Just as I expected! Ain't got my size. I never got a bargain yet!" If you do it is not our fault. By attending this

ROOMS FOR LIGHT HOUSEKEEPING. this office.

Some take advice and never give it; others give advice and never take it. You can get all you want of it for nothing, and what you get for nothing you are not apt to esteem very highly. Throw this advice away if that is the way you feel about it, but don't reject a good thing when it comes your way. We are selling the bankrupt stock of N. T. Dinamore at a sacrifice, and our less is your gain. It we give you a chance to name your own figures we don't think you would quote lower prices than those we are offering now on the bankrupt stock of

As the Flax Grows, So the Twine Lasts

You can't go wrong if you buy

MARSHALL'S Twine.

The 1893 make is now being delivered to customers. It is made of the flax crop of 1890.

WHY?

Because the 1891 and 1892 crops have been inferior. Marshall never uses inferior flax. That is why his twine
