## OUR DAILY MARINE COLUMN

The rudder of the *Belshaw* is being repaired near Parker's dock.

The steamer *Bandorille* passed out yesterday morning, taking advantage of the mild weather.

The schooner *Enterprise*, with 220 M. feet of lumber, cleared for San Francisco yesterday.

The steamer *Oregon* came down from Portland yesterday and after taking aboard Astoria freight left out for San Francisco.

The steamer *Columbia* came in from San Francisco yesterday with 1883 packages of various kinds of merchandise, and proceeded to Portland later in the day.

The revenue cutter *Bear* has received orders to take the old warship *Iroquois* in tow from San Francisco to Port Townsend when she starts for the north. The *Iroquois* has been condemned and assigned the northern district for a quarantine hulk, and the *Bear*'s task is to save the price of hiring a towboat to take her up.

An indignation meeting was held on the steamer *Alameda* today over the announcement of the dismissal of the charge of violence against *Freeman Roberts*. When the *Alameda* was about leaving Honolulu, Quartermaster *Boreman* was detailed to guard the gangway. A roughly dressed fellow who had been signaling to Roberts attempted to rush aboard at the last minute, and taking him for a stow-away *Boreman* refused to let him pass. When the quartermaster reached the deck and busied himself with hauling in the gang plank Roberts pounced on him, and with two or three heavy blows broke his nose and cut his head open so that he was incapacitated from duty. On arrival here Roberts was turned over to the United States Marshal on complaint of the officers of the ship, and ever since they have been losing time visiting the Appraiser's Building every time District Attorney Garter or his subordinates saw fit to postpone the case.

Yesterday morning they were informed that Roberts had left the building after waiting for some time, and that the case would have to go over again. They found Roberts and forced a hearing before Commissioner Sawyer. A prima facie case for a maritime trial was made out, but on the unsupported word of Roberts that he acted in self-defense the charge was dismissed without objection from the District Attorney's office.

The steamer *North Pacific*, on the way from Victoria to Tacoma, ran down the little schooner *Russell* at Seattle. The schooner was at the spot where the *Mystic* is sunk to have been in use in connection with the raising of the *Mystic*. On the schooner at the time of the accident were *Leam Miller*, 18 years old, Harry Crosby 14 years old. They were asleep in the little cabin at the time *North Pacific* struck the schooner, which passed under the hulls and was badly smashed. Young Crosby was awakened instantly and found himself in the water, which was rushing into the cabin. He had nothing on except his shirt, but heroically vent back into the cabin and pulled his companion, *Miller*, out nearly unconscious.

## SUGAR FROM COTTON SEED.

The cotton plant, which has for so many centuries furnished a large part of the population of the globe with clothing, seems to be almost without limit in its usefulness, remarks a scientific authority.

From the seed a valuable oil is expressed, while the husks form an article of food for cattle in the shape of cakes. From the lint which clings to the seed after it has passed through the "gin" felt is made, while the oil extracted from the seed is applied to quite a large number of purposes. But, according to the *British consul*, Mr. *Porter*, of *Zanzibar*, cotton seed is also capable of yielding sugar. Process has been discovered for extracting sugar from cotton seed meal, and, though the details of this process have not been disclosed, it is said that the product obtained is of very superior grade, being fifteen times sweeter than cane sugar and twenty more so than sugar made from beet. This indicates that sweetness is not due to cane sugar, but to some other chemical.

**Plain enough**—the way to a clear complexion, free from blotches, pimples, eruptions, yellow spots, and roughness. Purify your blood, and you have it. With pure, rich blood, an active liver, good appetite and digestion, the hues of health follow.

**Dr. Pierce's Golden Medical Discovery** gives you all that. It is the blood-purifier. There's no lack of them, but there's none like this. It's guaranteed to accomplish all that's claimed for it. In all diseases arising from torpid liver and impure blood, it benefits or cures, or the money is refunded. With an ordinary medicine, it couldn't be done. But this isn't an ordinary medicine.

**It is the cheapest blood-purifier** sold, through druggists, because you only pay for the good you get.

**Can you ask more?** The "Discovery" acts equally well all the year around.

**That's the kind of medicine to try.**

A REMEDY FOR CHILDREN.

**GOOD NEWS**  
For the millions of consumers of **Tutt's Pills.**

It gives **Dr. Tutt** pleasure to announce that he knows putting up a **TINY LIVER PILL** which is only a few grains in size, yet retaining all the virtues of the large ones. Guaranteed purely vegetable, and does not cause constipation or any other ill effects. The exact size of **TUTT'S TINY LIVER PILLS** is shown in the border of this "ad."

## America's Great Danger

**AN ENGLISH COMMENTARY.**

Said an eminent English scientist recently: "The danger that confronts the great American people to-day is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year."

You are likely to be one of the victims!

How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms are—Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholia, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Etc.

**Rev. C. A. CARROLL,** pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used *Dr. Miles' Restorative Nervine* for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. *Dr. Miles' Little Nerve and Liver Pills* only need a trial and they will recommend themselves to be the best pills in the market."

For five years I have suffered from Nervous Prostration. I was unable to work or sleep. The first dose of *Dr. Miles' Restorative Nervine* gave me relief, and one thousand dollars would not cover the good it has done me.—**JOHN MINCHER,** Youngstown, Ohio.

*Dr. Miles' Restorative Nervine* is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or *Dr. Miles Medical Co., Elkhart, Ind.*

### The World's Fair Directors

Have 5,000,000 Souvenir Half Dollar Coins in their treasury, the gift of the American people by Act of Congress. The patriotic and historic features of these Coins and their limited number, compared with the millions who want them—our population is 66,000,000—have combined to create so great a demand for these World's Fair Souvenir Coins that they are already quoted at large premiums. Liberal offers from speculators, who wish to absorb them and reap enormous profits, have been rejected for the reason that

**This is the People's Fair—**

**We Are the People's Servants—**

and a divided sense of duty confronts us—

We need \$5,000,000 to fully carry out our announced plans, and

We have decided to deal direct with the people—To whom we are directly responsible—among whom an equitable distribution of these National heirlooms should be made.

### The World's Fair Offer to the American People:

That none of our plans for the people's profit be curtailed we must realize from the sale of 5,000,000 Souvenir World's Fair Fifty-cent Silver Coins the sum of \$5,000,000. This means \$1.00 for each Coin, a much smaller sum than the people would have to pay for them if purchased through an indirect medium. Every patriotic man, woman and child should endeavor to own and cherish one of these Coins, as they will be valuable in future years—a cherished object of family pride.

Remember that only 5,000,000 Coins must be divided among 66,000,000 people. These Coins could be sold at a high premium to syndicates, but we have enough confidence in the people to keep the price at a Dollar for each Coin, as this will make us realize \$5,000,000—the sum needed to open the Fair's gates to the people's broad plan.
