MEETING OF THE COUNCIL

Light Session of the Municipal Legislature Last Evening.

ROUTINE BUSINESS TRANSACTED

The Petition to Change the Name of Third Street in Upper Astoria Renewed.

The usual weekly meeting of the city council was held last evening, Mayor Crosby in the chair. There were also present Councilmen Welch, McGregor, Webber, Barker, Lewis, O'Hara, Bergman and Thomson.

The minutes of the previous meeting were read and confirmed.

The following petition, which was signed by a number of the property owners in Upper Astoria, was read:

To the Common Council of the City of Astoria:

Gentlemen-We, the owners of property adjacent to the streets herein named, most respectfully represent to your honorable body:

That whereas, Third street in part of Upper Astoria and Elm street in the town of Alderbrook, and Elm street in Van Dusen's Astoria, all in the city of Astoria, are practically one street, each being an extension of the other;

And whereas, there is another street in Astoria generally known as, named and called Third street, it is therefore expedient and desirable that all of said streets have one name. We, therefore, petition your honorable body to change the name of said Third street in said part of Upper Astoria, and give one name, and make one street of all said streets so named, and that you name the said street, extending from the west end of said Third street to the east end of said Elm street, in said Van Dusen's Astoria, "Elm" street, and your petitioners will ever pray, etc.

The petition was referred to the street committee.

A petition from Messrs. George & Barker for permission to erect a dock in front of their property in Uppertown, was referred to the committee on wharves and water frontage.

Messrs. Thomson, Lewis and Barker, committee on ways and means, recommended that the report of the water commission be received and placed on file.

The same committee made its report as follows, on the quarterly statement of Auditor Osburn: "The above report appears to be correct, and we recommend that the report be received and placed on file.

The public property committee's report on the city cemetery was ordered referred to the city attorney in order that he might recommend the proper course in the matter.

In reference to the claim of A. W. Twombly for $5 for watching the quarantine building, the committee on ways and means recommended that the claim be referred back, on the ground that it was exorbitant. It was moved and seconded that the committee's report be adopted. Councilman O'Hara spoke in favor of allowing the claim, arguing that in case contagious disease should find lodgment in the city, no one would be found to look after the sick. The motion prevailed, however.

Similar reports were made in reference to the claims of Emil Wesche, for $5 and O. Peterson for $15. On motion the reports were adopted.

The superintendent of streets reported that "Cass street from Chenamus to Court street is in a very dilapidated condition, and especially that block between Second and Third, is unsafe for travel and should be immediately rebuilt or fenced up." Referred to the street committee.

Mr. Chadwick also reported that "the head of Washington street sewer being washed out, to prevent a recurrence I recommend that a wooden flume be constructed from the head of the sewer to Nowlen's dam, and also a surface gutter to take the overflow." Referred to street committee.

The ordinance providing for planking 1000 feet of the road from the west side of West Eighth street to Young's Bay, was read a first time. Some discussion as to the advisability of planking 2000 feet instead of one, was had. The ordinance was amended so as provide for the planking of 2000 feet and passed its first and second reading.

The ordinance relating to street assessments was amended so as to strike out that portion providing that any abstract company could furnish abstracts of title where the price charged was less than the fee of the recorder for such work.

The ordinance, in amended form, was then passed.

Under suspension of the rules an ordinance was passed amending section 1 of Ordinance 1615, entitled, "An ordinance in relation to the assessment and collection of taxes, defining the duties, and fixing the compensation of the city assessor."

The ordinance providing for the establishment of the grade of Third street from Bonneville avenue to the claim line of Adair's Astoria and Alderbrook was also finally passed.

An ordinance was read first and second time appropriating $200 out of the general fund for the benefit of the Police Telegraph company.

The ordinance fixing the bond and salary of the auditor was vetoed by Mayor Crosby, but was subsequently passed over the veto.

Claims ordered paid: P. A. Stokes, $20.35; T. E. Graves, $1.75; Fitzjerald & Co., $200; Budget, $2.75; sundry persons, $15; Clatsop Mill Co., $9.59; A. L. McCroskey, $4.

A number of claims were read a first time and referred to committees.

The following resolution was offered by Mr. Welch:

Resolved, That the street committee and city surveyor be and they are hereby instructed to recommend to the council at its next regular meeting, the establishment of the grades of Fourth street complete, in Adair's Astoria.

An amendment, which was lost, was offered, taking in Second, Third, Fifth, Sixth and Seventh streets.

Upon motion the resolution was passed.

The meeting then adjourned.

It disappears—the worst forms of catarrh, with the use of Dr. Sage's Catarrh Remedy. Its mild, soothing, cleansing and healing properties effect a perfect and permanent cure, no matter how bad the case, or of how long standing. It's a remedy that succeeds where everything else has failed. Thousands of such cases can be pointed out. That's the reason its proprietors back their faith in it with money. They offer $500 reward for a case of catarrh which they cannot cure. It's a medicine that allows them to take such a risk. Doesn't common sense lead you to take such a medicine?

"An advertising fake," you say.

Funny, isn't it, how some people prefer sickness to health when the remedy is positive and the guarantee *absolute*.

Wise men don't put *money* back of "fakes." And "faking" doesn't pay.

They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?

The World's Fair Directors

Have 5,000,000 Souvenir Half Dollar Coins in their treasury, the gift of the American people by Act of Congress. The patriotic and historic features of these Coins and their limited number, compared with the millions who want them—our population is 66,000,000—have combined to create so great a demand for these World's Fair Souvenir Coins that they are already quoted at large premiums. Liberal offers from speculators, who wish to absorb them and reap enormous profits, have been rejected for the reason that

This is the People's Fair--
We Are the People's Servants--
and a divided sense of duty confronts us—

We need $5,000,000 to fully carry out our announced plans, and

We have decided to deal direct with the people---To whom we are directly responsible---among whom an equitable distribution of these National heirlooms should be made.

The World's Fair Offer to the American People:

That none of our plans for the people's profit be curtailed we must realize from the sale of 5,000,000 Souvenir World's Fair Fifty-cent Silver Coins the sum of $5,000,000. This means $1.00 for each Coin, a much smaller sum than the people would have to pay for them if purchased through an indirect medium. Every patriotic man, woman and child should endeavor to own and cherish one of these Coins, as they will be valuable in future years—a cherished object of family pride.

Remember that only 5,000,000 Coins must be divided among 66,000,000 people. These Coins could be sold at a high premium to Syndicates, but we have enough confidence in the people to keep the price at a Dollar for each Coin, as this will make us realize $5,000,000—the sum needed to open the Fair's gates on the people's broad plan.

World's Fair Souvenir Coin for a Dollar.

How to Get The Coins Go to your nearest Bank and subscribe for as many coins as you need for your family and friends. These Sub-Agents of the World's Columbian Exposition will give you their receipt for your money, as delivery of these coins will not begin before December. There is no expense to you attending the distribution of the Souvenir Coins, as we send them to your local bank. If for any reason it is inconvenient for you to subscribe send Postoffice or Express Money Order or Registered Letter for as many coins as you wish with instructions how to send them to you, to
