iron horse and its hoarse shrick in the city limits will convince some of the ledge of and interest in notabilities will citizens that Astoria is to have trans- increase. continental connection. The cry of "Railroad!" has been made so often in the past, that there are a good many unbelievers in town.

Fairbank's Standard Scales carried in stock and delivered on short notice by Fisher Brothers.

Geo. Kaboth yesterday swore to a complaint before Justice Cleveland, charging John Rosenburg with assault.

way Company's road. Yesterday new bolts were put in the fish plates at the curve near Taylor avenue, the rails having spread at that point owing to the heads having been broken off some twenty of the bolts. During the past winter Judge Frank I. Taylor has had the gate of the base-ball grounds at Smith's Point know having spread at that point owing to the heads having been broken off some twenty of the bolts.

J. Taylor has had the gate of the baseball grounds at Smith's Point kept closed in order that the cattle might not get in and cut the ground up while the weather was wet. A day or two ago, however, the lock on the gate was broken and an entrance forced into grounds. Upon the de the parture of the parties who did the damage, they left the gate open IPPP'S, The Univ Restaurant, and since then cattle have gotten -
