TODAY'S WEATHER. Portland, Or., For Oregon and Washington: Occasional light rain; slightly warmer. Local weather for the twenty-four hours ending at 5 p. m., yesterday, furnished by the U. S. Department of Agriculture, weather bureau.

The records of the U. S. Weather Bureau of this city show some interesting comparisons between the present month of May and the same month of previous years. Thus far, the month, like its predecessor April, has abnormal features.

It may not be generally known, says the Marine Journal, that all the calculations of the ephemeris of the sun for the Nautical Almanac during several years past have been made by a woman. She is Mrs. Elisabeth P. B. Davis, the wife of Mr. Arthur Powell Davis, of the geological survey, at Los Angeles, Cal., but was in the Nautical Almanac service long before her marriage.

A good name counts for something among the bulls and bears of Wall street. This was seen when recently a speculator released a claim which he had on S. V. White when he learned of that broker's suspension. He did not know Mr. White personally, but he was aware that the veteran broker always acted liberally with those who owed him money.

It appears that Mr. Upton's agent is conducting a deal with the Great Northern railway with a view to running steamers between Seattle and China. This suggests that if Astoria had railroad communication with the east, she could outbid any Pacific port in competing for the Oriental trade.

California is able and is willing to pay her just public debts. It is only by the grossest mismanagement that the stain of insolvency can be incurred by the Golden State.

The World's Fair is a gigantic factory and as such it demonstrates practically the almost unlimited capacity for diversified industries on the largest scale.

All who purpose building houses in Astoria or the suburbs this year, should begin work at once. The city needs a little more money in circulation.

It is evident from present indications that Seaside will have as many guests as it can accommodate despite the attractions of the World's Fair.

DANGER! If you have a feeling of oppression and uneasiness a little above the diaphragm, and just below the right ribs, aggravated by lying on the right side, look out! As sure as fate, your liver is disordered. Perhaps not seriously as yet, but fatal hepatic abscesses are not uncommon. Hostetter's Stomach Bitters is the precise remedy to regulate the liver, and prevent its congestion and inflammation, and to disperse such minor indolia of its derangement as yellowness of the skin and ball of the eye, allied to constipation, sourness of the breath, nausea, on rising in the morning, dizziness, sick headache and constipation. By relaxing the bowels painlessly, it opens a channel of exit for the superfluous bile, checks a tendency to congestion and engorgement of the liver, at the same time giving a gentle impetus to its secretory action, and affords relief to the stomach, which is usually inactive, out of order and oppressed with wind when the bowels are costive. Use the Bitters also in fever and ague, rheumatism and kidney troubles.

A Sure Cure for Piles. Itching Piles are known by moisture like perspiration, causing intense itching when warm. This form, as well as Blind, Bleeding or Protruding, yield at once to Dr. Bosanko's Pile Remedy, which acts directly on the parts affected, absorbs tumors, allays itching, and effects a permanent cure. 50c. Druggist or mail Circulars free. Dr. Bosanko, 329 Arch Street, Philadelphia, Pa. Sold by J. W. Conn.

L. P. Fisher, newspaper advertising agent, 21 Merchants' Exchange, San Francisco, is our authorized agent. This paper is kept on file at his office.

SERIOUS RAILWAY ACCIDENT. Milk train in collision; no milkman turns up; disappointed housekeepers, coffee without cream. A petty annoyance resulting from a neglect to keep the Gall Borden Eagle Brand Condensed Milk in the house. Order now for exigencies from Grocer or Druggist.

ADMINISTRATORS NOTICE. Notice is hereby given that I have been appointed administrator of the estate of Thomas Shay, deceased. All persons indebted to said estate, are notified to pay the same to me, at the office of Robb & Parker, at Astoria, Oregon, forthwith; and all persons having claims against said estate, are hereby notified to present the same to me, at the above place, within six months from the date hereof. F. L. PARKER, Administrator of the above estate. Dated at Astoria, Oregon, this 13th day of May, 1893.

America's Great Danger

An English Comment. Said an eminent English scientist recently: "The danger that confronts the great American people today is not the possible adoption of a wrong financial policy for the nation, or the spread of socialism, or the increase of corruption among public men. All these are bad enough, to be sure, but they are as nothing compared to the terrible national disease—I had almost said national crime—of overwork. The mad rush for wealth is set at a killing pace, and thousands fall by the way every year."

You are likely to be one of the victims! How do we know? Because it is the exception to find a man or woman of adult age in perfect health. Nervous Disorders are spreading with fearful rapidity. Among the symptoms are—Backache, Biliousness, Cold Hands and Feet, Dizziness, Hot Flashes, Fluttering Sensation, Fainting, Headache, Hysteria, Irritability of the Heart, Melancholy, Failing Memory, Palpitation, Rheumatism, Short Breath, Sleeplessness, Nervous Dyspepsia, Sexual Debility, Fits, etc. Rev. C. A. Campbell, pastor First Baptist Church, Yellow Springs, O., writes as follows: "I have used Dr. Miles' Restorative Nerve for the past six months. I find it acts like a charm on the whole nervous system. I have not found its equal in giving immediate relief. Dr. Miles' Little Nerve and Liver Pills only need a trial and they will recommend themselves to be the best pills in the market."

"For five years I have suffered from Nervous Prostration, I was unable to work or sleep. The first dose of Dr. Miles' Restorative Nerve gave me relief, and one thousand dollars would not cover the good it has done me."—JOHN MINCHEL, Youngstown, Ohio.

Dr. Miles' Restorative Nerve is unequalled in curing Nervous Diseases. It contains no opiates or dangerous drugs. Sold on a positive guarantee by all druggists, or Dr. Miles Medical Co., Elkhart, Ind.

THE MOUND-BUILDERS, THEIR WORKS AND RELICS.

REV. STEPHEN D. PEET, Ph. D., EDITOR OF AMERICAN ANTIQUARIAN, Author of Animal Emblems and Emblematic Mounds, etc.

This book treats of the Mound-builders; their occupation, modes of life, religious systems, tribal divisions and early migrations. The work contains descriptions of the earth-works of all classes. The classification of the mounds is made according to their uses, whether as village residences, as defenses, as religious structures, or as sacrificial or burial places. The work contains many illustrations and descriptions of Mound-builders' relics, especially pipes and pottery.

The value of the book is that it contains a comprehensive view of the whole field, and gives information about the mounds and relics of all states and districts. It is one of a series which is devoted to pre-historic America, and perhaps would be regarded as the most interesting volume. The author solicits subscriptions. Orders can be sent to the publishing house, 175 Wabash avenue, Chicago, or to the author at Avon, Ill.
