A GOOD REPUTATION

Is often ruined by manufacturers, who, relying on their own ability, allow the character of their goods to deteriorate. The GAIL BORDEN EAGLE BRAND Condensed Milk is always the same. Rest assured that its standard of excellence is constantly maintained...

PERSONAL MENTION.

Mayor M. C. Crosby returned yesterday from a trip to Portland.

Judge C. A. McGuire and wife, of Seaside, were in the city yesterday in attendance at the Homeers' picnic.

Miss Clara Young, who has been in attendance at the Mount Vernon school, arrived home on the Potter yesterday morning.

W. H. Remington and E. A. Seelye paid a visit to Warrenton yesterday morning. They spent the day with D. E. Warren and returned to this city on the afternoon boat.

Gus. H. Bynon, editor of the Nehalem Journal, published at Vernonia, was in the city yesterday and made this office a pleasant call.

Work on the county road between Seaside and Elk creek is progressing nicely. Philo Eberman, with a force of men, has been busy for the past month removing fallen trees, filling up mud holes, and otherwise repairing the damage done by the winter storms.

The Elk creek house, owned by H. F. L. Logan, will probably be ready for the usual summer travel by the first of July.

Among those who will spend the summer on the beach are, Clark Carnahan and family, J. N. Griffin and family, Mrs. Clayton and daughter, L. Mansur and family, Ben Sabine and family, S. D. Adair and family, E. Jay Smith and family, Harry Bell, B. F. Astbury, J. J. Kern and Robert Norris. Messrs. Lewis and Flanders, who are having a house erected at Seal Rock, will live there during the summer months.

For the past three weeks the heavy southwest winds have been bringing in millions of jelly fish, commonly known as Portuguese men-of-war. The beach, from False Tillamook to the Seal Rock, is thickly strewn with these peculiar fish, and it may be imagined that the smell is not altogether pleasant during the hot days, which fortunately in this respect, have been but few in number.

A large steamer with two smokestacks was sighted off the beach on Sunday last. She was headed north and quite near in shore, something uncommon for this class of vessels. The Elmore and Truckee passed here on Tuesday last, turned south, and so near in that the people on board could be easily distinguished with the naked eye.

A number of the families now residing at the beach will celebrate the Fourth with a display of fireworks from the rocks that abound along the coast.

The schooner Harrison, which ran ashore near the Nehalem bar last Tuesday evening, was towed off by the Augusta. The Elmore reported the Del Norte still ashore on Thursday evening.

The flags of the Telephone were at half-mast yesterday on her arrival from Portland, out of respect to the memory of Captain Moody, who died on Thursday evening in Portland.

The steamer R. P. Elmore arrived in from Tillamook yesterday morning.

The Crofton Hall, wheat barge, is on the way down the river.

The ship Solitaire will finish loading on Monday.

The steamer South Coast sailed Thursday for this city from San Francisco.

The steamer Truckee will sail from San Francisco for this port on the 23th inst.

The steamship Oregon arrived from San Francisco yesterday with a quantity of miscellaneous freight for this port. She had a full complement of cabin passengers.

The steamship State of California sailed for San Francisco yesterday morning from this port. She took 500 barrels of apples, 100 cases of oranges and a quantity of miscellaneous merchandise.
