The Silver Purchasing Clause of the Sher man Act Vigorously Denounced and Its Repeal Recommended. '

Associated Press. New York. July 6.-Business men of they are surrounded. The occasion was a gathering of the chamber of comthe leading members, who therein in the condition of the finances of the country calls for public expression of confidence. Vice-president Orr presided. John Claffin arose and said there had been many causes which contributed to the present trouble Most of them would right themselves in the natural course of business, but was the silver purchasing clause of the recited that the country had often legislation, and is now suffering from the effects of the silver purchasing clause of the Sherman act. In consequence of the alarm money was being withdrawn from circulation, busness greatly depressed, mills and manufactories were preparing to close, and thousands of working men were about to be thrown out of employment; that business enterprises would not be re- famous conspiracy case and were quite sumed or labor steadily employed unerate rates, and ordinary interest rates could not be expected until confidence in the stability of all money of the country had been thoroughly re-esthat clause. Further, that in the judgcongress, at its special session, to dilllaws of the United States and other countries, and report at the regular session of congress.

HERMAN ON SILVER. Says the Sherman Law Is Not the Cause of the Crisis,

Portland, July 6.-Congressman Herman in his address at Roseburg on the the metropolis met today and consid- Fourth said, in refference to the silver ered the financial situation by which question: "Believing in free mintage of silver, as well as of gold, but fearing that the United States alone cannot merce in response to a call issued by maintain the present ratio of 16 to 1, I favor change of ratio." In the event of declared that the present disturbance failure to secure free comage, he believed the government should be able to encourage a larger circulation of silver by demonetizing gold coin of less denomination than ten dollars. In his judgment the present crisis is more chargeable to failure to enforce the Sherman law than to the law itself. The treasury there was one chief cause which was department should redeem the silver not included in the category, and that bullion certificates in silver as well as gold. He further said : "The Sherman Sherman law. Claffin concluded by law should not be repealed until a better offering for adoption resolutions which guarantee is had that silver shall be recognized upon a just ratio with gold, and suffered from hasty and ill advised is free to the mints of the nation as gold itself. It is more noney and good money we want, not less."
