PARLIAMENTARY PROCEEDINGS

The Question of the Value of the Rupee
Raised in the Commons.

DEBATE ON THE HOME RULE BILL

Several Clauses of the Measure Carried—
Gladstone Attacked by a Liberal
Member.

Associated Press.

London, July 13.—In the commons to-
day Sir John Lubbeck asked whether
the government had settled upon the
rate at which the rupee would be re-
ceived for gold. Gladstone said that he
knew nothing of the matter beyond
what he had already announced. Sir
John then gave notice that he would
question the government as to
whether gold would be given for rupees
at the same rate as the rupee for gold.

The house then went into committee
of the whole on the home rule bill. The
debate was marked by the attack on
Gladstone by a member of his own
party. Robert Wallace, liberal member
from Edinburgh, opposed the with-
drawal of the "in and out" sub-section
of clause 9, and spoke at length against
the course of the prime minister. Joseph
Chamberlain charged Gladstone
with breaking his publicly expressed
pledge against the detention of Irish
members, and challenged the govern-
ment to appear before the country on
the issue raised. At 10 o'clock Chair-
man Mellor applied the closure on the
amendment proposing the omission of
the "in and out" provision. It was
carried by a vote of 325 to 298. Clause
9, which provides for the representa-
tion in parliament of Irish countries
and boroughs was then adopted by a
vote of 325 to 297. As chairman Mellor
proceeded to put the question on clause
10, the first of the financial
clauses, the conservatives, after cheer-
ing derisively, left the house bodily.

The government's proposal that the
consideration of clause 10 be postponed,
was then passed. The bolting conserva-
tives returned and a number of other
clauses were carried.

STILL SEARCHING FOR BODIES.

Chicago, July 13.—Workmen on the
made another ghastly find this morning.
It was that of a human arm, and from
a ring on the finger it was identified
as that of Ralph Drummond, a part
of whose remains were taken out yester-
day. The total list of fatalities from
the fire now number seventeen, with
three or four still unaccounted for. It
is now believed the total will not ex-
ceed twenty or twenty five. The gate
receipts at the fair on Sunday will be
be donated to the relatives of the dead
firemen, and several city theatres will
also give benefits for them, so that a
handsome sum is sure to be raised.
Memorial services will be held at the
grounds on Sunday.

Over \$20,000 have thus far been raised
for the firemen who lost their lives in
Monday's fire.

THE LAW'S INTRICACIES.

Washington, July 13.—It is under-
stood that the treasury department
hold it is not required by the Sherman
law that a purchase of 4,500,000 ounces
of silver be made each month. The law
reads: "That the secretary of the
treasury is hereby directed to purchase
from time to time, silver bullion to ag-
gregate 4,500,000 ounces, or so much
thereof as may be offered in each
month at the market price, etc." Under
this construction if the price does not
suit the department, it is held that pur-
chases need not be made in any special
month, so long as the aggregate is
maintained. A decision as to what is
the market price is made by the di-
rector of the mint, who makes the pur-
chase. The acting director of the mint
expects to get his full quota this month.

EXCHANGED COMPLIMENTS.
London, July 13.—A Times corres-
pondent in Bangkok telegraphs: De-
spite the assurance from the French
minister who undertook to stop the ad-
vance of the gun boats and arrange
equitably all differences the Comete
and Inconstante slipped across the bar
this evening and exchanged shots with
the Hakanak forts. Two men-of-war
then proceeded to Bangkok and are
now anchored with the gunboat Latin,
opposite the British legation. One mail-
or was killed and two wounded in the
exchange of shots at Hakanak. The
king is now holding a council. If it
comes to fighting, fearful scenes will
probably be witnessed.

IMPORTANT PENSION RULING.
Washington, July 13.—Commissioner
Lochran, of the pension bureau, today
issued an order directing that hereaf-
ter in making a call upon the war and
navy departments for information re-
garding the service of applicants for

pensions under the act of June 27th,
1890, a request shall be made for the
military and medical history of soldiers.
The new order shows a purpose on the
part of pension officials to make more
searching inquiry than formerly into
the causes of applicants' disability.

WILLING TO RESIGN.

Milwaukee, Wis., July 13.—James G.
Jenkins, United States circuit judge,
who is under indictment here in con-
nection with the failure of the Plankin-
ton bank, said today that if he had
received the slightest intimation of his
indictment he would have immediately
resigned his seat on the circuit court
bench. He thinks he will have some
friends, probably Secretary Gresham,
lay the matter before President Cleve-
land, and if the president thinks it
best he will resign.

ONLY AN ELECTION DODGE.

Denver, Col., July 13.—The Rocky
Mountain News will publish tomorrow
correspondence between Grover Cleve-
land and Hon. Blanton Duncan, which
it is alleged, shows that Cleveland en-
couraged Duncan to secure him sup-
port in California at the last election
upon the claim that he would approve
a bill for free coinage of American sil-
ver products.

INDICTED FOR SMUGGLING.

Tacoma, July 13.—The grand jury to-
day returned an indictment against
Rev. Thomas Sling for violating the
Geary act in attempting to land thirty
Chinese laborers from the steamer Mo-
gul on the pretext that they were ac-
tors for the World's Fair. Sling claims
to be a missionary of the Methodist
church, educated in San Francisco.

A TRUE BILL FOUND.

Tacoma, July 13.—The United States
grand jury today found a true bill
against Arthur B. Calder and William
R. Thompson, Canadian Pacific Rail-
road agents in this city, for violation of
the interstate commerce law by selling
a ticket from Tacoma to Boston for
\$56 when the scheduled fare was fixed
at \$78.70.

MR. BLUM IN TROUBLE.

Portland, July 13.—The United States
grand jury this afternoon returned two
indictments against N. Blum. The first
is for smuggling Chinese into this port
last November, and the second for
smuggling opium in February last. He
was arrested this evening and his bail
was fixed at \$5,000 in each charge.

BOLD BANK ROBBERY.

Coffeeville, Kan., July 13.—The Bank
of Mound Valley, owned by G. M. Con-
don, of Oewego, was robbed at noon to-
day by three men who rode into town
and entered the bank, tied and gagged
the cashier, J. O. Wilson, and secured
all the money in sight, which amounted
to \$600. The robbers escaped.

APPOINTED REVIEWER.

Albany, Or., July 13.—H. M. Beall of
The Dalles has been appointed reviewer
of the closed Linn County National
Bank. He will arrive in a few days to
assume charge and begin closing up
the business of the bank.

assigned as the cause.

sufferers are badly in need of stoves.
A formal appeal was issued this morn-
ing for help in this direction. The com-
mittee asks for 100 stoves, old or new.

THE HYDE PARK STAKES.

Washington Park, July 13.—Keene's
horse Domino captured the Hyde Park
stakes today, worth to the winner \$16,-
000. This makes \$43,000 in three races
that the Keenes have captured.

THE GOLD RESERVE INCREASING.

Washington, July 13.—The gold re-
serve in the treasury now stands at
\$98,093,141.

DOWN GO THE RATES.

The Union Pacific now lead with re-
duced rates to Eastern points, and
their through car arrangements, mag-
nificently equipped Pullman and tour-
ist sleepers, free reclining chair car
and fast time, make it the best line to
travel. Two trains leave from Port-
land daily at 8:45 a. m. and 7:30 p. m.
The rates are now within reach of all,
and everybody should take advantage
of them to visit the World's Fair and
their friends in the East. Send for
rates and schedules of trains, and do
not purchase tickets until after con-
sulting G. W. Lounsbury, Agent, As-
toria, Or.

TREASURER ARRINGTON RESIGNS

He Is Unable to Explain the Shortage
in His Accounts.

ACTION AGAINST THE BOND MEN

The Defaulter Turns Over All His Prop-
erty to His Sureties—Denies Having
Speculated.

Associated Press.

Roseburg, July 13.—The amount ap-
propriated by the county treasurer, V.
L. Arrington, is reported to be \$23,029.31
cents. The treasurer has resigned and
the county court has appointed W. A.
Frater to fill the vacancy. Up to noon
today the sureties, Hyman Woodberg
and A. Aronson had not made good the
deficiency, and the county court has
ordered that action be brought against
them for the recovery of the amount
due the county. The sureties are abun-
dantly able to pay, but the stringency
of the money market may cause some de-
lay. The investigation of the books is
not yet completed, and reliable infor-
mation cannot be had, further than
that above stated. Today's Review
says Mr. Arrington was seen by a
reporter yesterday, and he stated that
he had turned all his property over to
his bondsmen, and had filed his resig-
nation. He was at a loss to account
for a deficiency and did not know
where the money could have gone to,
as he had not speculated and lost it.

DEATH ON THE RAIL.

Newburgh, N. Y., July 13.—The west
bound West Shore train ran into an
open switch half a mile south of here
at noon, and a bad smashup resulted.
Four bodies have been taken from the
wreck. A large number are badly in-
jured, being taken to the hospital. It
is said that from eight to ten were
killed, and over a dozen hurt.

A later report says six or seven were
killed and fifteen or twenty injured.
The dead include four unknown women
and a little child.

The following were killed: Mrs. Ellen
Klemm, Highland Falls, New York;
the two-year-old daughter of Burnham
Elberston, of Setauket, L. I.; an un-
known woman about 34; Rose Reilly, a
cook at West Park; Mrs. Pauline
Wright, Brooklyn. Between twenty
and thirty people were injured. Among
the more seriously are the following:
Miss June J. Cooke, of Catskill, prob-
ably fatal; C. G. Sistrare, commercial
traveler, recovery doubtful; five mem-
bers of a family named Michael, of
Brooklyn, mother and four daughters,
all more or less injured; Judge Charles
F. Buhl, of Union Hill, N. J.; Lucie M.
Elberston and wife, Setauket, L. I.

LONDON STOCKS QUIET.

London, July 13.—Stocks are quiet,
though somewhat improved. American
securities were weak, though there
were some advances. The failures of
four small stock brokers are announced.
Later in the day the bears made a
raid on the granger stocks. There was
a little support and many margins were
exhausted, forcing out much long
stock and causing nervousness. When
the pressure was removed there was a
rally of 1/4 pt, but the market became
dull and a firm tone continued to the
close, however, with further apprecia-
tion.

BANKERS HOPEFUL.

New York, July 13.—This afternoon
the hopeful feeling among the bankers
became more pronounced. Fredrick D.
Tappen, president of the Gallatin Na-
tional bank, said one of the most nec-
essary things was the resumption of
the normal relations between the sub-
treasury and the clearing-house. Mon-
ey, he said, would be probably easy
right along, and within the next ten
days there would be a superabundance
of currency here, particularly in notes
of small denominations.

DEMAND FREE COINAGE.

Des Moines, Ia., July 13.—At a mass
meeting held here resolutions demand-
ing free and unlimited silver coinage
were adopted. A resolution endorsing
a tax of ten per cent on all interest-
bearing gold notes was also adopted.
The principal speaker was General
Weaver, who made a fierce onslaught
on the men who want to revoke the
Sherman law, predicting that if the
democratic congress repeals that law
there never will be another democratic
congress elected.

AN ADVANCE NOTED.

New York, July 13.—Good buying of
stocks this morning caused advances
of 1/4 pt. At the opening a more con-
fident feeling generally prevailed.

SILVER DEMONITIZATION.

Salt Lake City, July 13.—A monster
silver demonstration was held here
last night. Resolutions were passed
praying congress for the enactment of

an act repealing the Sherman law, and
all other laws unfavorable to silver,
and for the substitution of a law restor-
ing to silver its former value.

SILVER CONVENTION FOR IDAHO.

Boise, Idaho, July 13.—In a few days
Governor McConnell will issue a call
for a state silver convention to meet
in Ketchum on August 12th. He thinks
the convention can act more effectively
after having read President Cleveland's
message to congress.

FIGHTING IN SAMOA.

Sydney, N. S. W., July 13.—The latest
advices from Samoa are to the effect
that active hostilities have broken out
between the followers of King Mulletoa
and Chief Mataafa. Each faction has
a camp two miles from Apla, and
skirmishes occasionally occur. The
King's forces are stronger, but the
chiefs have better arms. Both refuse
to hold any district neutral.

DAMAGED BY STORM.

Kalamazoo, Mich., July 13.—The
worst electrical and wind storm in
years passed over this city this after-
noon. Lightning struck ten places in
the city, including the First Presby-
terian church. Great damage was done
to property in town and in the sur-
rounding country.

STEVENSON IN CALIFORNIA.

San Bernardino, Cal., July 13.—Vice-
President Stevenson and party will ar-
rive in this city from the East tomor-
row morning for a brief visit to the
coast. A reception committee has been
appointed to meet the party and wel-
come them here.

A BLOW AT TAMMANY.

New York, July 13.—The first blow at
Tammany domination was struck at a
meeting of citizens of the Democratic
Seventh Assembly District last night,
when the permanent organization of a
new political party was effected.

DIED FROM HER INJURIES.

Tacoma, Wash., July 13.—Carry Rob-
stad, aged 21 years, a domestic at the
Humboldt House, died this morning
from injuries sustained by a fire caused
by a lamp explosion. She had fallen
asleep while reading as she reclined on
her bed.

Savings Bank closed its doors this even-
ing. It claims assets of \$104,000 and de-
posits of \$61,000. The state banking
board is in charge.
