It is freely charged in Chicago that Altgeld, the Anarchist Governor of Illinois, bargained for the socialistic vote, and promised the pardon of the Haymarket murderers.

Chicago has a large German, Polish and Bohemian voting population. The Sixth ward of the city, largely German, gave Mr. Cleveland 6,200 votes and Mr. Harrison 2,000.

Watson & Gibson's Wad street letter gives this explanation of the change in the relations of the money metal in India: "The chief object in establishing an exchangeable value a gold for the silver rupee is to steady the rate of exchange between the two countries."

Notice is hereby given that I have been appointed administrator of the estate of James P. Metz, deceased. All persons indebted to said estate, are notified to pay the same to me, at Astoria, Oregon, forthwith; and all persons having claims against said estate, are hereby notified to present the same to me, at the above place, within six months from the date hereof.

Notice is hereby given that sealed proposals will be received by H. B. Ferguson, clerk of School District No. 1, of Clatsop county, Oregon, until July 19, 1893, at 1 o'clock p. m., for the purchase of 250 cords or over of wood. Wood to be of good fir, cut from green timber.

Several times this winter I have suffered from severe colds on my lungs. Each time I have applied Alcock's Porus Plasters, and in every instance I have been quickly relieved by applying one across my chest and one on my back. My friends, through my advice, have tried the experiment and also found it most successful.

All persons having claims against the estate of P. W. Larsen, deceased, are requested to present them to me at the office of J. Q. A. Bowley in Astoria, Oregon, within six months from this date.

AMATEUR ATHLETICS. Wednesday's Portland Telegram says, in speaking of amateur athletics: "The season of 1893 is witnessing greater strides of advancement in amateur athletics in the Pacific Northwest than have been made in any five years previous. It has distanced all professional sport in popular favor, and indeed almost has the field to itself. Prizefighting has died out, footracing is a thing of the past, and professional baseball is slumbering."

Handley & Haas, 120 First street, Portland, have on sale the Daily Astorian, so that visitors need not miss their morning paper when they are here.

Funerals. E. W. Kuykendall, the leading undertaker, having completed arrangements to purchase goods direct from the factories, regardless of middle men, has made a great reduction in the cost of funerals.

Why is it that people in general are so prone to disregard loss of strength, clearly perceptible in bodily shrinkage, failure of appetite, broken rest? Incomprehensible but true. Sheer carelessness, an overweening confidence in the power of nature to recuperate—these are the suggestive reasons.

It is the mind that makes the man, said Watts, but modern ethics deny this, and give the credit to the tailor. It is questionable, however, if either are right. Food has some claims in this respect, therefore those parents who would build up the physique of their children pay strict attention to their diet.
