TODAY'S WEATHER. Portland, July 17. - For Oregon and Washington: Continued fair weather. Local weather for the twenty-four hours ending at 5 p. m., yesterday, furnished by the U. S. Department of Agriculture, weather bureau.

The experience of scientific men in Europe with the cholera last year has done much to divert the Atlantic pestilence of its terrors. That the disease may be stamped out is an established fact.

Warrants for the arrest of ex-Customs Inspectors Liville and Kearney, indicted by the United States grand jury for alleged connection with smuggling, were received by Sheriff Smith yesterday. The former immediately furnished bonds, but Kearney is in Albany. The impression is pretty generally throughout the city that neither of the ex-inspectors was criminally negligent while in office, and that the outcome of the trial will be prompt acquittals.

The "long time between drinks" is apt to have a new and, to the convivial inhabitants, a sad application in one of the Carolinas, since the decision of Judge Hudson of the South Carolina Circuit Court that the state dispensary bar is unconstitutional for the state

has declared that no drink is "legal" unless taken from the official Palmistock flask. The governor of North Carolina will have to drink alone for a while, until this tangle about tangle-foot is straightened out.

THEY NEVER FAIL.

J. N. Harris, 3 Fulton Market, New York City, says: "I have been using Brandreth's Pills for the last fifteen years. There is nothing equal to them as Blood Purifiers and Liver Regulators. But I wish to state how remarkably they cure rheumatism, and how easily; I was affected by rheumatism in the legs. My business (wholesale fish dealer) naturally leads me to damp places. I could not walk at night, I suffered fearfully; I tried Balsam, Sarsaparilla and all kinds of tinctures, but they did me no good and I was afraid of being a cripple. I finally commenced using Brandreth's Pills. I took two every night for ten nights, then I began to improve. I continued taking them for forty days and I got entirely well. Now, whenever sick, I take Brandreth's Pills. They never fail."

FUNERALS.

E. W. Kuykendall, the leading undertaker, having completed arrangements to purchase goods direct from the factories, regardless of middle men, has made a great reduction in the cost of funerals.

STRICKEN DEAD.

A recent New York dispatch reads: "James C. H., a fine looking and apparently healthy man, was observed to stagger while walking on Fifth Avenue this afternoon, and after taking one or two uncertain steps fell to the sidewalk. When picked up he was dead. A physician examined the body and pronounced heart disease the cause of death. A peculiarly sad feature of the case is that Mr. H. was on his way to Maine, to settle in the home of his boyhood. He had passed the previous ten years in the western mining country, and had amassed a fortune. IF YOU have any of the symptoms given in the following testimonials you should lose no time in seeking relief."

TRUSTWORTHY STATEMENTS.

From John L. Roberts, Slaton, Pa.: "I have suffered with palpitation, irregular pulse, fainting and smothering spells, pain in shoulders, sides, and arms for over forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, smothering spells followed one another, so my life was often in danger and I needed constant care. As my son had been cured by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy-five years old I feel twenty years younger. I claim my cure to be almost a miracle."

CATARRH IN CHILDREN

For over two years my little girl's life was made miserable by a case of Catarrh. The discharge from the nose was large, constant and very offensive. Her eyes became inflamed, the lids swollen and very painful. After trying various remedies, I gave her S.S.S. The first bottle seemed to aggravate the disease, but the symptoms soon abated, and in a short time she was cured. DR. L. B. RITCHIEY, Mackey, Ind.

THE MOUND-BUILDERS,

THEIR WORKS AND RELICS. REV. STEPHEN D. PEET, Ph. D., DIRECTOR OF AMERICAN ANTIQUARIAN.

Author of Animal Engines and Emblematic Mounds, etc.

This book treats of the mound-builders; their occupation, modes of life, religious systems, tribal divisions and early migrations. The work contains descriptions of the earthworks of all classes. The classification of the mounds is made according to their uses, whether as village residences, as defenses, as religious structures, or as sacrificial or burial places. The work contains many illustrations and descriptions of Mound-builders' relics, especially pipes and pottery. The value of the book is that it contains a comprehensive view of the whole field, and gives information about the mounds and relics of all states and districts. It is one of a series which is devoted to pre-historic America, and perhaps would be regarded as the most interesting volume. The author solicits subscriptions. Orders can be sent to the publishing house, 175 Wabash Avenue, Chicago, or to the author at Avon, Ill.
