Wilson River Road Company who could be got together at Tillamook, was held at the office of G. O. Nolan, on Wednesday afternoon. Mr. Thayer, attorney-in-fact, reported that the reccipts at the two gates had netted \$143. The debts audited, amounted to something like five thousand dollars. The receipts were from the 27th of July to the 10th day of August. It was the general wish of all those present as tract well as of all who could be heard from, that the money on hand should be applied on the construction of a bridge across the Jordan and a bridge across the Wilson. It appeared that there was nearly enough lumber on hand to cover the bridges. An adjournment was taken till next Tuesday, at which it is hoped all the creditors may be present. It is expected, says the Headlight, that Mr. Thayer will have received some propositions for the construction of the bridges by that time.
