

The game of football yesterday afternoon at Smith's Point between Port Canby and Astoria was very largely attended. Following up its usual luck with the weather, the A. F. C., saw the threatening clouds of the morning dispelled by magic, and when Empire Gunn blew his whistle for the play to begin, there were blue skies everywhere. Astoria won, by a score of four goals to one, but to say that the boys in blue were outmatched would be putting it very unfairly. They are novices at the Association game, and in this respect the local men had every advantage, but in point of pluck and endurance honors were easy. Astoria kicked off with the sun and wind both in favor of the visitors, and the play from the outset was fast and exciting. The home team by rapid and at times excellent forward play, got the ball between the sticks once before half-time, and though Canby made some strong rushes they failed to get through the Astoria backs and did not score. After the usual five minutes interval, both teams began to play a harder game, and in another twenty minutes of even play Astoria scored once more, following the goal up with another, five minutes afterward, and another immediately after that. With a record of four to nothing, and the game all but over, the Fort Canby boys might well have been disheartened, but instead they buckled down to work and five minutes before time was called kicked their first and only goal amidst great applause from the grand stand. The game was played throughout in an excellent manner, and there was no accident to mar the proceedings. The gentlemanly conduct of the Canby boys and their good natured play throughout won praises from everybody on the ground, and most of all from their opponents, who gave them three hearty cheers when the result was declared. The visitors, with Lieut. Sydenham returned to the fort on a special steamer at 6 o'clock. Their team was composed of the following: Wheeler, Corporal Orr, Wm. Clark (captain) Harrington, Tinner, Mike, Hamilton, Winters, Clarke, Spencer and Garty.

It is announced on good authority that commencing with tomorrow the Union Pacific will lay off one of their steamers and form a combination with the Telephone for the carrying of mail and raising of rates. The single trip ticket between this city and Portland will cost \$2, and the round trip \$3. The U. P. boat will make the night trip from Portland and the day trip from this city, and the Telephone will make the night trip from here and the day trip from Portland. The mail room of the Telephone is being fixed up for the change. The Larline will of course stand in with the new passenger rate and make no cut. The mail for Knappa, Clifton and Westport will from this date leave here at 2 p. m., daily on the steamer Miller.

Hon. George W. Bell, the recently appointed minister to Sydney, N. S. W., will deliver a lecture tomorrow evening in the big hall over Herman Wise's store, on the subject of government ownership of the Nicaragua canal. Mr. Bell, whose ability as a speaker is too widely known to need comment, has spoken on the above subject before very large audiences in Portland, Seattle, Tacoma, Port Townsend, and several other cities, and has shown conclusively that in the step suggested by him lies the future maritime supremacy of the United States. It need not be pointed out that this subject is of vital interest to Astorians. The lecture will be given at the invitation of the Chamber of Commerce and Board of Trade, and seats will doubtless be scarce before the speaker appears on the platform. Mr. George C. Flavel has kindly given the use of the hall free.

The steamship Columbia will arrive here from San Francisco this morning. Her cabin passenger list is as follows: T. A. Bell, W. B. Charlton, J. Land, Miss E. A. Wright, Mrs. Walsh, A. R. Kelly, Mrs. Hardman, Mrs. J. J. Bliss, C. R. Scott, W. C. Logan, C. J. Koeford.

Colonel Donan called a meeting of the citizens at George Hill's office yesterday afternoon, and read several letters from Mr. Hudson to Mr. Blackman, which he said proved conclusively that the latter had on two occasions been just on the point of investing \$2,500,000 in an Astoria railroad, but both times had been balked by some slight obstacle. Several gentlemen present then made profane remarks about the slight obstacle, and one went so far, after he left the meeting, as to make profane remarks about the gallant colonel himself, who, he vigorously declared, had travelled across the continent post haste to hold up before the residents of this enlightened burg a picture of last year's sour grapes.

Seaborg and wife to Aberdeen Packing Co.; lots 4, 5, 6, 7, 8, and 9, blk. 14, Shively's Astoria; \$6000. Messrs. Livingston & Douglas have reported the finest yield of oats on record this year, says the Eugene Register. On two and one-fourth acres of ground, by actual measurement, they have harvested 213 bushels, or 7,670 pounds of the finest kind of grain. A measured bushel instead of weighing the regulation weight of 36 pounds, weighed 41 pounds. The yield per acre, according to the above, is found to be 95 bushels. The seed from which these oats are grown was purchased in California, and none of the product will be sold, as they will be carefully cleaned and used for seed next year. This is the best yield of oats we have heard of in many a day.
