Remedy for a Lean Pocketchest.

A lean pocketchest is more painful in this country than chilblains is in Europe in the present time. The best treatment is a good nursing powder and proper care, which can be had by buying your Men's and Boy's Autos Puts, etc., at my 10 per cent reduction clothing sale. Also buy Hats, Caps, Boots, Shoes, Trunks, Valises and Men's and Boys' Furnishing Goods of all kinds, which are now all lines direct from the manufacturer, and from 10-50 e. to $3.13 per cent in price less than elsewhere. I am a child brain as cheap as the most experienced buyer.
