THE FATHER OF MANY ILLS. Constipation leads to a multitude of physical troubles. It is generally the result of carelessness or indifference to the simplest rule of health. Eugene McKay, of Brantford, Ont., writes: "I had for several years been a sufferer from constipation, had taken a great many different remedies, some of which did me good for a time, but only for a time, then my trouble came back worse than ever. I was induced by a friend, whom Brandredth's Pills had benefited, to try them. Took two each night for a week, then one every night for about six weeks. Since that time I have not experienced the slightest difficulty whatever, and my bowels move regularly every day. I believe firmly that for sluggishness of the bowels and flatulency Brandredth's Pills are far superior to any other."

PROVEN A BOON. Gentlemen—I have always recommended Krause's Headache Capsules wherever I have had a chance. They have proven a veritable boon in my family against any and all kinds of headache. Yours truly, J. E. WALTER, Leavenworth, Kansas.
