The horse, which is valued at \$40, and was used in connection with the fire brigade, is not expected to recover."

NOTHING LIKE SWIFT SPECIFIC is totally unlike any other blood medicine. It cures diseases of the blood and skin by removing the poison, and at the same time supplies good blood to the wasted parts. Don't be imposed on by substitutes, which are said to be just as good, if not better. No medicine has performed as many wonderful cures, or relieved so much suffering.

"My blood was badly poisoned last year, which got my whole system out of order—diseased and a constant source of suffering, no appetite and no enjoyment of life. Two bottles of Swift Specific brought me right out. There is no better remedy for blood diseases."
