

CHICAGO LETTER.

The Exposition and the Feelin Regarding Finances.

Chicago, Sept. 28.—Although Oregon has no state building at the World's Fair, her products receive much attention from the public and elicit much favorable comment. The Oregon fruits which are in charge of Dr. Lewis, occupy a prominent place in the Horticultural building and compare favorably in appearance, quality and variety with those from any other state, not excepting California, whose grand, varied display reflects credit on the entire Pacific coast.

THE STAND TAKEN BY SPAIN.

THE FATHER OF MANY ILLS.

Constipation leads to a multitude of physical troubles. It is generally the result of carelessness or indifference to the simplest rule of health. Eugene McKay, of Brantford, Ont., writes: "I had for several years been a sufferer from constipation, had taken a great many different remedies, some of which did me good for a time, but only for a time, then my trouble came back worse than ever. I was induced by a friend, whom Brandredth's Pills had benefited, to try them. Took two each night for a week, then one every night for about six weeks. Since that time I have not experienced the slightest difficulty whatever, and my bowels move regularly every day. I believe firmly that for sluggishness of the bowels and flatulencies Brandredth's Pills are far superior to any other."
