Mr. Frank Davey, of Forest Grove, then moved that the chair appoint a committee of five, centrally located, with Mayor Mason as chairman, who shall issue and distribute a suitable address to the people of Oregon, asking them to contribute in small amounts, money to purchase suitable testimonials. Mr. R. B. Knapp moved that Mayors Crosby, Mason and McComas, of LaGrande, wait upon Governor Penney and request him to appoint a committee to

The ladies of the library are still working on the "party" to be given on Monday next. Any one who wishes to represent a book may do so. A list of books has been got out and placed in the library for those who would like the assistance of a prepared list. It is anticipated that Monday evening's entertainment will be one of the most interesting of the season. As the workings of the wheels of the "circulating library" may not be understood by some, and so that it may circulate freely and the cogs not stick, the following data may prove useful: Each person who wishes, comes representing in person or dress the title of some book. All are given cards, and an hour is passed in reading the bound volumes and "circulating." A guess as to the title of the books that each person represents is then written on each card, and the person who guesses the largest number correctly is given a first prize. Another prize will be awarded to the one who has the most ingenious representation.

THE FATHER OF MANY ILLS.

Constipation leads to a multitude of physical troubles. It is generally the result of carelessness or indifference to the simplest rule of health. Eugene McKay, of Brantford, Ont., writes:

"I had for several years been a sufferer from constipation, had taken a great many different remedies, some of which did me good for a time, but only for a time, then my trouble came back worse than ever. I was induced by a friend, whom Brandreth's Pills had benefited, to try them. Took two each night for a week, then one every night for about six weeks. Since that time I have not experienced the slightest difficulty whatever, and my bowels move regularly every day. I believe firmly that for sluggishness of the bowels and biliousness, Brandreth's Pills are far superior to any other."

A SAFFRON COLORED INDEX.

Of the condition of a bilious stomach and sluggish liver is the human countenance. Not only the skin, but the eyeballs, are tinged with the yellow hue when the bile gets into the blood. Besides this, sick headache ensues, the tongue becomes furred, palms are felt in the liver and through the right shoulder blade, and dizziness is experienced upon rising from a sitting or recumbent posture by the bilious individual. For these and other indications of biliousness, Hooper's Stomach Bitters is the sovereign remedy. It is also efficacious in chills and fever, dumb ague, acute and chronic rheumatism and nervousness. It stimulates, restores digestion, and sleep, and tends greatly to mitigate the infirmities of age.
