TODAY'S WEATHER.

Portland, Oct. 12.—For Oregon and Washington, fair weather, warmer.

YESTERDAY'S WEATHER.

Local weather for the twenty-four hours ending at 5 p. m., yesterday, furnished by the U. S. Department of Agriculture, weather bureau.

Maximum temperature, 55 degrees. Minimum temperature, 46 degrees.

Precipitation, .24 inch. Total precipitation from July 1st, 1893 to date, 13.01 inches.

Excess of precipitation from July 1st, 1893, to date, 4.63 inches.

A HORRIBLE CRIME.

The Vancouver Register is virtuously indignant. She says (why not call a weekly "she" instead of "it") that: "The Oregonian has a monopoly on the telegraphic news service of Portland, and that makes it possible for that paper to print only such news as it sees fit."

The Evening Telegram printed a dispatch yesterday stating that John Jacob Astor's yacht, the "Narwhal," had collided with a ferry boat. The Oregonian said the same thing. Both bungled. The dispatch appeared correctly in yesterday's Astorian.

That is a very pertinent question in a Portland paper. Everybody who was at the Portland Exposition last year will remember a handsome model of the warship Oregon, and a contribution box, (also handsome) at the side of it. Now there was a good deal of money put in this contribution box while the fair lasted. Where did it go to? Echo answers "Where!"

Notice is hereby given that I will sell at my Auction Rooms, Monday, the 18th day of October, 1893, at 2 o'clock p. m., to the highest bidder, for cash, a note given by John Howard of Cathlamet, Wash., for \$1,000, on which is due, including unpaid interest, the sum of \$1,408.89 at this date; also a mortgage collateral thereto conveying the following described real estate: The southeast quarter of Section twenty-three in Township No. Nine North, of Range No. Six West, Wahkiakum County, Wash. Also a note given by the aforesaid John Howard for \$1,000, on which is due including unpaid interest, the sum of \$1,408.89 at this date; also a mortgage collateral thereto conveying the following described real estate: The north half of the northwest quarter; the southwest quarter of the northwest and the northwest quarter of the southwest quarter of Section No. Seventeen, in Township eight north, of Range five west, Wahkiakum County, Wash.

THE FATHER OF MANY ILLS. Constipation leads to a multitude of physical troubles. It is generally the result of carelessness or indifference to the simplest rule of health.

majority should rule, but if conditions were reversed, they would cry aloud in support of the traditional rules of the senate that protect the minority. The only way that may possibly settle the matter in the senate is the consideration of a compromise measure, but I cannot say anything definite regarding that, because there are so many measures or amendments to the original bill already introduced."

Mr. Small writes from London to the "Tribune": "Mr. Parnell made a very remarkable speech in Liverpool in 1885. Mr. Gladstone was then playing his last card but one. He was appealing, and appealing vainly, to the English people—his admirers cannot be reminded of it too often—to give him a majority which would enable him to deal with Ireland independently of Irish wishes and Irish votes. If he should get such a majority, said Mr. Parnell, he would frame and pass a bill of his own. He never told the people what it would be like; any more than in 1892. The lords would throw out the bill and there would have to be another appeal to the country. That, Mr. Parnell thought he was then opposing Mr. Gladstone—"would be a very abortive result of the general election, but in the circumstances the house of lords would only be carrying out their constitutional right by rejecting a bill the details of which had not been before the country."

SET HIM RIGHT. Geo. Augustus Sala, the well known English writer, on his last Australian trip, writes as follows to the London Daily Telegraph: "I especially have a pleasant remembrance of the ship's doctor—a very experienced maritime medico indeed, who treated me most kindly during a horrible spell of bronchitis and spasmodic asthma, provoked by sea fog which had swooped down on us just after we left San Francisco. It the doctor's prescriptions and the increasing warmth of the temperature as we neared the tropics, and in particular, a couple of Alcock's Porous Plasters clapped on—one on the chest and another between the shoulder blades—soon set me right."

STRICKEN DEAD.

A recent New York dispatch reads: "James C. H., a fine looking and apparently healthy man, was observed to stagger while walking on Fifth Avenue this afternoon, and after taking one or two uncertain steps fell to the sidewalk. When picked up he was dead. A physician examined the body, and pronounced heart disease the cause of death. A peculiar sad feature of the case is that Mr. H. was on his way to Maine, to settle in the home of his boyhood. He had passed the previous ten years in the western mining country, and had amassed a fortune. If YOU have any of the symptoms given in the following testimonials you should lose no time in seeking relief."

From John L. Roberts, Slaton, Pa.: "I have suffered with palpitation, irregular pulse, fainting and smothering spells, pain in shoulders, side, and arms for forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, smothering spells followed one another, so my life was often in danger and I nearly lost my mind. As my son had been cured by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy years old I feel twenty years younger, and I am much stronger. My appetite is splendid. I gain strength with every dose. I have gained more in six weeks from your treatment than in sixteen months from all the doctors."

Dr. Miles' New Cure for the Heart is sold on a positive guarantee by all druggists. It is safe, effective, agreeable, and does cure. Dr. Miles Medical Co., Elkhart, Ind.

OUT OF THE FRYING PAN

Has come not a little knowledge as to cookery—what to do, as well as what not to do. Thus we have learned to use COTTOLENE, the most pure and perfect cooking material for all frying and shortening purposes.

PROGRESSIVE COOKING is the natural outcome of the age, and it teaches us not to use lard, but rather the new shortening, COTTOLENE, which is far cleaner, and more digestible than any lard can be.

The success of Cottolene has called out worthless imitations under similar names. Look out for these! Ask your Grocer for COTTOLENE, and be sure that you get it. Made only by N. K. FAIRBANK & CO., ST. LOUIS and CHICAGO NEW YORK, BOSTON.

DR. GUNN'S ONION SYRUP FOR COUGHS, COLDS AND CROUP. GRANDMOTHER'S ADVICE. In my father's time I was often sick with coughs, colds and croup, and my mother used to give me Gunn's Onion Syrup, and it always cured me. It is a good medicine for all such ailments, and is very pleasant to the taste. Sold everywhere. Beware of cheap imitations. There's nothing so good for sale by J. W. Coan, Druggist.

PROVEN A BOON. Gentlemen:—I have always recommended Krueger's Headache Capsules whenever I have had a chance. They have proven a veritable boon in my family against any and all kinds of headache. Yours truly, J. E. WALTER, Leavesworth, Kansas. For sale by Chas. Rogers, Astoria, Oregon, sole agent.
