### IT IS UNCONDITIONAL REPEAL

President Cleveland Triumphs after a Long and Bitter Struggle.

### SILVER LUNATICS ARE BEATEN

There Was an Impressive Scene in the Senate Last Evening when the Final Vote Was Taken.

Associated Press.

Washington, Oct. 30.—At 7:25 tonight, by a vote of 43 to 32, the senate, after one of the most remarkable parliamentary battles of the generation, passed the bill unconditionally repealing the purchase clause of the Sherman silver law. The end was reached at the conclusion of a continuous session of fourteen days, after sixty-one days of debate, during which five volumes of the congressional record have been filled with speeches, amounting in the aggregate to about 20,000,000 words.

Washington, Oct. 30.—It is generally understood that the senate will pass the Chinese bill while the house is considering the silver bill. This has been a field day in the senate. No more interest has been manifested at any stage of the long struggle than was shown today. Before 11 o'clock the galleries were black with people, and a number of foreign representatives looked down from the diplomatic gallery. The scene on the floor was impressive. Nearly every seat was occupied, while hundreds of representatives from the lower house were ranged against the wall. The call showed the presence of fifty-two members when the consideration of the repeal bill was resumed. As the hour of 2 o'clock approached at which time Voorhees on Saturday expressed the hope that a vote on the passage of the bill would be had, many representatives entered the chamber, and found seats on the sofas in the rear of the senatorial chairs. At 2:45 p. m. Morgan concluded his remarks and Vest was recognized. Vest concluded his remarks at 3:15, and Cockrell, his colleague, from Missouri, took the floor. Cockrell completed his remarks at 3:50, and Carey, of Wyoming, was accorded the floor to explain his position. At 7:38 the unconditional repeal bill. At 7:38 the unconditional repeal bill. At 7:38 the unconditional repeal bill.

Those voting in the affirmative were: Aldrich, Brice, Caffery, Camden, Carr, Cullom, Davis, Dolph, Faulkner, Frye, Gallinger, Gibson, Gorman, Gray, Hale, Hawley, Higgins, Hill, Hoar, Hutton, Lindsay, Lodge, McMillan, McPherson, Manderson, Mills, Mitchell, (of Wisconsin), Morris, Murphy, Platt, Proctor, Quay, Ransom, Sherman, Smith, Squire, Stockbridge, Turpie, Vilas, Voorhees, Washburn, White (of Louisiana)—43. The nays were: Allen, Bates, Berry, Blackburn, Butler, Call, Cameron, Cockerell, Coke, Daniel, Dubois, George, Harris, Frye, Jones (of Arkansas), Jones (of Nevada), Kyle, Martin, Pasco, Peffer, Perkins, Pettigrew, Powers, Pugh, Roach, Shoup, Stewart, Teller, Vance, Vest, Walthall, Wolcott.—32.

The following pairs were announced: The first named would have voted in the affirmative; Allison, with Mitchell, of Oregon; Chandler with Colquitt; Gordon with Morgan; Palmer with Hansbrough. The senate then adjourned till tomorrow.

### HOT AND STRONG OATHS.

Some of the Obligations Binding on an Anti-Catholic Society.

Washington, Oct. 30.—The memorial which Weaderek wanted read in the house today about the American Protective Association, comes from Youmans, a member of the last house, from the Eighth Michigan district, who was defeated by Wm. S. Linton. It declares that Linton and his supporters represented that Youmans was a Roman Catholic, and that the pope controlled his vote while in congress. The American Protective Association, a copy of whose oaths accompany the memorial, binds its members to do everything in their power to overthrow the Roman Catholic church followers. Exhibits of letters and circulars sent out by officers of the American Protective Association are attached to the memorial. They all breathe the same hostility to the Roman Catholics, and call upon "all true and loyal protestants" to vote for Linton. The alleged oaths which accompany the memorial are very binding. Among the oaths is number three, which is taken on a dagger, and binds the candidate to secrecy, commits him to the support of the government, makes it obligatory to keep the church and state separate, and renounces all foreign powers. In number four, the candidates swear warfare against ignorance and fanaticism, and to use their utmost power to strike

the shackles and chains of blind obedience to the Roman Catholic church from the hampered and burdened conscience of a priest ridden and church oppressed people. This oath goes on at great length against the Catholics, and in closing takes a political turn, the candidate swearing that he will not countenance the nomination in any caucus or convention a Roman Catholic for any office in the gift of the people, and will vote only for protestants. Should there be two Catholics for the same office, he will erase the names from the ticket. The remainder of the oaths are an elaboration of this, binding the candidate to do everything in his power to keep the Catholics out of public office. Oath number five winds up with, "I denounce the Pope; his priests, and emissaries, and the diabolical work of the Roman Catholic church. Amen, Amen, Amen."

### EDWIN GOULD'S TURN.

A Crank from Crankville Wanted \$5,000 and Wanted It Quick. New York, Oct. 30.—Edwin Gould, second son of the late Jay Gould and co-heir of the latter's millions, had his first experience with a crank this afternoon. At 2 o'clock as Gould was sitting in his private office, a shabbily dressed man walked to his desk and said: "Give me \$5,000 and give it to me quick, or give me a tip on the markets." Gould asked him to sit down until he got the money from the safe. The crank sat down and Gould, stepping to a side door, summoned Detective Clark, who quickly took the young man to police headquarters. Gould had been prepared for his visitor, who it is said called at noon today, and being told by a clerk that Gould was out, said he would return by 2 o'clock, when he said he wanted a tip on the markets or \$5,000. The crank said his name was Mongolla Andrews and that he was 34 years old. His object in going to Gould was to get back \$5,000 which he lost in Rosedale, Kansas, while working on a railroad in Gould's system. The police think him to be insane. In a note book in his pocket was a list of wealthy men of New York City, with figures beside the name of each, indicating what Andrews thought they were worth.

### KANSAS CITY, Oct. 30.—Mongolla Andrews, who was arrested in New York today for demanding money from Edwin Gould, has been employed as a telegraph operator in this city most of the time during the past twelve years. He has been considered eccentric, but was not thought insane.

### STILL ANOTHER.

One More Murderous Crank Does a Man to Death.

New York, Oct. 30.—At 3:30 this afternoon a crazy man said to be named Thos. Bradley, shot and fatally wounded Frederick Matthies, superintendent of construction of the new Postal Telegraph building on Broadway. Bradley was locked up in the city hall police station last night, as a suspicious character, but was released this morning. The workmen about the Postal building say that he was looting around all day behind piles of brick. In the afternoon he came out and said the police and Superintendent Matthews were trying to murder him for stealing \$500. Shortly after this he stepped up to Matthies and deliberately fired two shots into his stomach. An infuriated mob quickly gathered and the policeman had a difficult task to get the murderer out. The working men in the building and other members of the mob wanted to lynch him. Bradley had behind a pile of cornice material, with the revolver in his hand. The police fired a number of shots and ordered him to come out. Bradley finally came out on a run and when the police seized him he fought like a wildcat. It required a severe clubbing to secure him, and when the policemen finally got him he was a sorry looking sight. He was taken to the station and the crowd dispersed.

### AN EASY WIN.

Clifford Rompe Home Fifteen Lengths Ahead of Yo Tambien.

Chicago, Oct. 30.—Clifford won easily at Hawthorn this afternoon in the sweepstakes mile and a quarter race in which he, Yo Tambien, and Lamplighter fought for an \$8,000 prize. Yo Tambien was the popular favorite. The odds were 3 to 5 on her, 8 to 5 on Clifford, and 10 to 1 on Lamplighter. After the start Yo Tambien quickly took the lead, but as the horses neared the half Clifford began to gain, and, as they passed that mark, he and Yo Tambien were neck and neck, with Lamplighter clear out of it. When the stretch was reached, Clifford was two lengths ahead of the mare and at the finish was fifteen lengths ahead, with Lamplighter twenty lengths further back. He finished in 2:49 3-4.

### A MELANCHOLY FATE.

Vancouver, Wash., Oct. 29.—Geo. P. Sears, ex-city treasurer, died last night from an overdose of morphine taken with suicidal intent. Being unable to work, owing to old age, he preferred death to starvation or to being a charge on his friends.

### ALL HER FLAGS HALF MAST

The Great Exposition Closes with Mournful Ceremonies

### HARRISON'S DEATH THE CLOUD

Over Twenty Millions of People Visited the Fair During the Few Months of its Existence.

Associated Press.

Chicago, Oct. 30.—The last day of the World's Fair opened with beautiful weather, but a pall hung over the great exposition, and its myriad flags floated at half mast. With the tragic death of Mayor Harrison, the life and gaiety of the exposition went out forever. Instead of a festival of oratory and music which was to have filled in the afternoon, memorial services were held in Festival Hall.

Washington, Oct. 30.—Prendergast's bullets, which took the life of Mayor Harrison, might have found lodgment in the heart of a United States senator, or even the president of the United States. For fully two weeks before the murder of Chicago's mayor, the assassin has been directing messages through the United States mails to at least one United States senator, which indicated that his mind was intensely wrought up against President Cleveland. The burden of all these communications was the silver question. Senator Dubois, of Idaho, and others, are recipients of communications which have been received almost daily since October 9th. The silver senators have paid no attention to these cards for the reason that since the silver fight began they have been receiving many of a similar nature from all parts of the country. These have included threatening letters telling them that if they did not cease their opposition to the repeal bill they would be shot down like dogs.

Chicago, Oct. 30.—Prendergast, Mayor Harrison's assassin, repeated to an Associated Press reporter this morning his former assertions that the reason for the deed was that the mayor had deceived and betrayed him, and he took that means of getting even, declaring he was justified in so doing. At a special meeting of the city council held this morning it was decided that the body should lie in state from Tuesday till Wednesday morning. Prendergast has been indicted by the grand jury for murder. When told of the grand jury's action, the prisoner merely took a cigar out of his mouth and said "Well?"

Chicago, Oct. 30.—The official life of the World's Fair has ended. This evening was to be one of dazzling brilliancy, but the awful and untimely death of Mayor Harrison changed all that. Appropriate action was taken in memorial hall in memory of Chicago's beloved chief magistrate, and all ceremonies except those mentioned were abandoned. President Thomas W. Palmer, of the national commission, announced that in view of the sad circumstances that brought the assemblage together, the closing of the fair would be marked only by the salute of cannon and the hauling down of flags. When that took place, he declared, in obedience to the act of congress, that the exposition would be officially closed. The total paid attendance at the fair from the opening to the closing has been 21,458,919. The total free admissions, which include employes of all kinds, exhibitors, concessionaires, etc., has been 5,953,818. Today's admissions were 342,075.

### CAUGHT IN FRESNO.

And Released Immediately on a Writ of Habeas Corpus.

Fresno, Cal., Oct. 30.—Dr. J. D. Spongle of Brownsville, Oregon, was arrested today on a telegram received from Sheriff Jackson, of Linn county, Oregon, charging the doctor with rape. Spongle has been here about a week, and says it is his intention to locate here, having sent his effects to Fresno in advance. The prisoner appeared before Judge Holmes this afternoon on a writ of habeas corpus. It was asked that the defendant be discharged on the grounds of illegal arrest, as no officer has a right to arrest a man

from another state merely on a telegram from an officer in that state. The judge dismissed the prisoner and he walked out of the court a free man. The sheriff arrived from Oregon this morning, but so far all search for Spongle has been fruitless. He is accused of committing criminal violence upon Mrs. Wyatt, of Brownsville. She was his patient, and he committed violence while visiting her personally. Spongle left the town immediately thereafter. Spongle's story is that the charge is a scheme of Mrs. Wyatt's husband, to whom he owes \$150, and who is anxious to get him back to Oregon on that account.

### ALL IN THE TOILS.

Their Compulsory Generosity Didn't Work With the Jury.

Seattle, Oct. 30.—Thirty-three indictments against ex-Treasurer Adolph Krug and his associates were returned by the grand jury as true bills this afternoon. Krug is charged in thirteen indictments with using public money in a manner not authorized by law, and in nine with larceny by embezzlement. In five indictments Henry Furman, a rich broker, is made accessory, which, under the law of the state, is the same as the principal. Fred W. Sander and L. M. Griffith are jointly indicted with him on one count each, and D. T. Denny, the well known Pioneer, on two counts, and D. L. Ross, a Furman repaid the money he borrowed from Krug, and his bondsmen put up \$25,000 to make up the deficit, and Griffith and Sander also raised considerable sums to reimburse the city, hoping thereby, to escape punishment. Krug's shortage was \$125,000, but was all made good to the city by his bondsmen and friends.

### NO TRUTH IN IT.

Rio Janeiro, Oct. 30.—It is stated that a secret treaty between the United States and Brazil has been signed. This treaty, it is said, is in addition to the commercial treaty of 1891, and is said to involve the United States in support of Brazil, if the latter country asks for its support. It also says that the United States is pledged to support the Brazilian government in case of an attempt to restore a monarchy.

### WILL PRESS THE SUIT.

Washington, Oct. 30.—The state department this afternoon denied that the United States government had entered into a treaty with Brazil, pledging our support to that country in the event of an attempt being made to restore a monarchy there.

### A SIGN OF THE TIMES.

Chicago, Oct. 30.—President Miller, of the Chicago, Milwaukee, and St. Paul road, has issued an order restoring all salaries affected by the ten per cent reduction made about two months ago. The immense business done by the road in the World's Fair traffic, and the generally improved business situation are responsible for the order.

### CAN IT BE POSSIBLE?

Chicago, Oct. 30.—Behind closed doors the Chicago Presbytery today began the trial of Rev. Dr. W. W. Totheroh, late pastor of the Hyde Park Presbyterian church. One of the principal charges is that on two visits to the Pacific coast, one when the general assembly met at Portland, he was accompanied by a woman not his wife.

### FOUR RECORDS SMASHED.

Independence, Iowa, Oct. 30.—John S. Johnson made four new world's records today as follows: Flying start, one-fourth mile in 25 2-5 seconds; flying start, one-half mile in 55 seconds; flying start, one-third mile in 35 1-5 seconds; standing start, one-fourth mile in 29 seconds.

### A CHANGE OF MINISTERS.

Vienna, Oct. 30.—Emperor Francis Joseph has accepted the resignation of his entire cabinet.

### THE ASSISTANT SECRETARY.

Washington, Oct. 30.—The president has nominated E. F. Uhl, of Michigan, to be assistant secretary of state.

Highest of all in Leavening Power.—Latest U. S. Gov't Report.
