END OF THE BATTLE

Mekinley's Majority Will be Near 100,000.

PENNSYLVANIA'S GREAT GAIN

Bartlett's Splendid Victory Totals 89,700 over His Tammany Opponent.

Associated Press.

Columbus, Nov. 8.—The latest official returns from the state at republican headquarters indicate that McKinley has carried the state by between seventy and eighty thousand plurality. Chillicothe, the home of Neal, McKinley's opponent, went republican for the first time in history. Telegrams of congratulations are pouring in on McKinley from all parts of the country, wishing him success in 1896. The republican papers are out with his name for the next president. The legislature will be republican by about two-thirds in both houses. At the democratic state headquarters the result is conceded by such figures as give them no occasion to look after the returns.

The republicans claim from nearly complete returns 25 republican senators to 7 democrats, and 83 republican representatives to 24 democrats. The populist and prohibition votes are also reduced. The republicans carried some counties which they have never before carried, even during the war. At 2 p. m. the tabulators of returns estimated McKinley's plurality at 100,000.

Chairman Dick only claims \$5,000. In reply to an inquiry from the general manager of the Associated Press, as to the causes of the result in Ohio, Governor McKinley said today that the campaign had been fought out between himself and Neal on the question of tariff and free trade, pure and simple, from beginning to end, and that the result was the verdict of the people of Ohio on these questions.

Revised figures at the republican headquarters indicate over 80,000 plurality for McKinley, and three-fourths of the state legislature.

Columbus, Ohio, Nov. 8.—The latest returns give McKinley 90,456 plurality. Chicago, Nov. 8.—The following telegram was received tonight by Melville E. Stone, general manager of the Associated Press, from Ex-Governor Campbell, of Ohio: "Replying to your inquiry, I believe the result of the recent election shows that Ohio is only sharing in the general shaking up which the democratic party has received all along the line from Massachusetts to Iowa. The business depression was attributed by partisans and the unthinking portion of our people to the recent federal administration. Ex-soldiers were somewhat moved by the needless fear that they will not be justly and liberally dealt with. There is a natural ebbing of the tide from the great flow of last year. There are sore and disappointed applicants for office. These are the causes of our defeat. Fear of the tariff revision had nothing to do with it whatever."

IN NEW YORK.

New York, Nov. 8.—The latest returns from all parts of the state show that Bartlett's (rep) majority for judge of the court of appeals over Maynard (dem), is in round figures, 89,700. General Palmer's (rep) majority for secretary of state is 35,000.

New York, Nov. 8.—The election in this state was a clean sweep for the republicans. Bartlett is elected to the court of appeals over Maynard, by probably 65,000, and the rest of the republican state ticket wins by 20,000. The state senate, now democratic, will have a majority of six, and in the assembly a majority of seven. In the constitutional convention, there will be 105 republicans and 70 democrats. Tammany has carried New York city by 60,000 except as to Maynard, who ran 30,000 behind his ticket. Brooklyn overwhelmed the ring with over 27,000 plurality. Buffalo repudiated Sheehan by 5,500.

Albany, N. Y., Nov. 8.—Governor Flower this afternoon admitted that the republicans had secured control of both the senate and assembly.

SWEPT IOWA.

Republicans Run Far Ahead of the Other Tickets.

Des Moines, Nov. 8.—Frank D. Jackson, the republican candidate for governor, is elected by about 30,000 plurality, or 6,000 more than Harrison got for president in 1892. The balance of the republican ticket is elected by large pluralities. Chairman Fuller, of the democratic state committee, concedes that Jackson is elected by 20,000. He lays the result to the calamity cry of

the republican party, claiming that the hard times were attributable to the democratic administration, and laboring men, merchants, farmers, and professional men, voted for a change. Chairman Blythe says:

"Iowa went republican because it is for protection and because of the liberal position the party took on the liquor question."

The legislature will be republican. The republicans elected 17 out of 24 senators, and 65 out of 100 representatives. The populist vote of the state will hardly exceed 25,000; the prohibition vote will not be more than 14,000. Returns continue pleasing to the republicans, confounding to the populists, and despondent to the democrats. The surprising thing in the election is the smallness of the prohibition and populist vote of the state. The prohibitionists only claim 15,000. General Weaver estimates the populist vote at from 30,000 to 40,000. It is believed to be about 30,000.

Des Moines, Nov. 8.—Pluralities received up to midnight from 93 counties give Jackson (rep) for governor, 43,523, and Boies (dem) 14,652. There are six counties to hear from, five of which are republican. These will raise Jackson's plurality to 33,000.

The returns show that the republicans have elected 75 members in the lower house and the democrats 24, giving the republicans the largest majority in more than a dozen years in that body. In the upper house of the state legislature the vote will stand, republicans about 2 to 1, or 33 to 17, but these figures may be changed.

BOIES DOES NOT REGRET.

Waterloo, Ia., Nov. 8.—Governor Boies takes his defeat philosophically. On account of his illness he was not apprised of the result until this morning. The governor manifested no surprise and said that personally he had no feeling of regret, though for his party he had hoped for a different result.

IN DOUBT IN NEBRASKA.

Omaha, Nov. 8.—The returns are meagre, and the result is still in doubt. The republicans claim the election of Harrison for supreme judge by a small plurality.

Indications tonight are that Harrison (rep) for supreme judge, will carry the state by from 2,000 to 5,000 plurality, over Holcomb, populist. Only about half the state is heard from. The returns show a heavy falling off in the vote, probably ten per cent republican, fifteen per cent democratic, and five per cent populist. Five per cent of the republicans went to the populist candidate for supreme judge, and probably ten per cent of the democrats. In spite of this the populist vote shows a decrease and it is taken as good evidence that the party in Nebraska is on a decline.

PENNSYLVANIA'S WIN.

Philadelphia, Nov. 8.—Pennsylvania, elected a republican supreme court justice by probably 80,000.

Republicans had everything their own way in this city. County candidates were elected by an average plurality of 53,000.

At midnight, with full returns, it looks as though the majority on the state ticket would not be less than 130,000.

ALTEGELD'S UNBLUSHING CHEEK.

Springfield, Ill., Nov. 8.—Governor Altgeld, interviewed today on the causes of the democratic defeat in Chicago, says: "If Judge Gary does not run 20,000 ahead of his ticket, then his election will be a rebuke. While Judge Gary as a man is re-elected, 'Garyism' is defeated. So far as my personal attitude is concerned, it has been deliberately misrepresented for partisan purposes." Gary's plurality is about 8,000.

Chicago, Nov. 8.—The returns to 6 o'clock indicate the election of the entire republican judicial ticket, with the possible exception of Kraft, who was supposed to have some anarchistic leanings. Judge Gary, on whom Governor Altgeld made his fight, is elected by 10,000 or more, and leads the rest of the ticket by from two to four thousand, and partly by the aid of democratic votes. The board of county commissioners will be mixed.

A GREAT HOPE.

New York, Nov. 8.—Commenting editorially on the result of yesterday's election, the Mail and Express says: "The result will enable the legislature to override any veto that Flower writes and the legislature will undertake the repeal of the Tammany anti-home rule and anti-honest election laws, and may legislate Tammany's city officers into oblivion."

IN MASSACHUSETTS.

Boston, Nov. 8.—Massachusetts elected Greenhalgh by 30,000. All of the republican state ticket is elected. Returns at noon indicate Greenhalgh's plurality to be 22,658.

EQUAL SUFFRAGE THE CAUSE.

Denver, Nov. 7.—This state has gone almost entirely republican in the county elections. Equal suffrage carried the day.

SLAUGHTER IN THE FOG

One Passenger Train Ploughs Clean through Another.

FIRE ADDED TO THE HORROR

A Calamity Inside Chicago's City Limits When Signals Were Blurred.

Associated Press.

Chicago, Nov. 8.—By a rear-end collision on the Chicago, Rock Island and Pacific railroad at 71st street this evening three people were killed and eleven injured. A limited vestibule express crashed into the rear end of a Blue Island accommodation train, badly wrecking two coaches and the engine of the limited. The dead are unidentified as yet. The injured are N. Hitz, Waldon, Ill., both legs cut off; Lottie Brigham, badly scalded; Nicholas Wosht, Chicago, leg broken, and badly scalded; Minnie Schaffer, Beverly Hill, scalded; Louis Sharp, Morgan Park, Ill., both arms cut off; J. W. Templeton, Morgan Park, hand cut off and badly burned; D. N. Snow, Longwood, Ill., internally injured (will probably prove fatal); James Grady, Englewood, Ill., left hand cut off and badly scalded; W. S. Steff, Blue Island, Ill., internally injured; W. E. Jameson, Englewood, Ill., severely burned; James Kinzer, Washington Heights, Ill., badly scalded. The accommodation train left this city a few minutes ahead of the limited and stopped at 71st street. The limited bore down on it, it is said, at a rate of 20 miles an hour. A heavy fog had settled over the city, and it was almost impossible to discern the signal lights. The engine of the limited ploughed its way into the rear coach of the accommodation train. The car was driven with terrible force into the end of the second coach. The explosion of a lamp ignited the woodwork and the fire spread rapidly.

THE NEWS IN WASHINGTON.

A Genuine Surprise to All the Political Parties.

Washington, Nov. 8.—The results of the election were a surprise to all parties here. In fact they do not accord with the prediction either of the democrats, the republicans, or the populists. The only grain of comfort for the democrats is in the defeat of the populists and the election of O'Farrall in Virginia, where they were terrorized by the populist claims. They expected defeat in the states where the free coinage element was strong, but were not prepared to be snowed under in sound money states like Massachusetts and New York. All the prominent democratic leaders ascribe the result to two causes—dissatisfaction of the farmers over the financial situation and the apathy of disappointed office seekers. The defeat in Iowa is regretted, as it practically removes Governor Hoies from the list of eligible presidential candidates. The populists are much disappointed at their showing, but claim that later returns will be better for them. About the only complacent men in the democratic ranks are the silver men, who are in a position to say to the president, "I told you so." They will take this as a text, and at the opening of the regular session will be prepared to renew the fight for silver more vigorously than ever. It is not believed that the president is discouraged by the landslide, as he is known to believe that time will vindicate his policy.

NOT SO MUCH AS EXPECTED.

Louisville, Ky., Nov. 8.—In Kentucky the democrats more than held their own in the state legislature. The populists lost altogether. Pettit, the leading populist of the state, is beaten for state senator by a large majority. Probably one populist is elected. The returns so far show that of 123 legislators, 111 will be democrats, 7 republicans, and

20 doubtful. Most of the doubtful names are in republican districts. There was an overwhelming majority in favor of the election of Lindsey to the United States senate.

Returns received later today from the state indicate a falling off in the democratic vote throughout the state.

KANSAS GOES HOME.

It Looks as if the Populist Craze There Is Over.

Topeka, Nov. 8.—Notwithstanding adverse reports the populists claim that they have carried the state and that the full returns will carry out their ante-election predictions. Jeany Simpson expresses the greatest confidence that the populists have carried the state, and will show gains of from 10 to 15 per cent over the vote of 1892. The republicans, on the contrary, say that their reports come from both city and county, and that both show republican gains.

(Later)—Today's returns add to the overwhelming defeat of the populists of this state by the republicans. The democratic and prohibition vote cut a small figure. The indication is that the republicans have elected the county officers in 90 out of 105 counties of the state.

POPULAR CONDEMNATION.

Denver, Col., Nov. 8.—The "Republican" says: "The sweeping victories achieved by the republican party yesterday can only be construed as an overwhelming popular condemnation of the administration of President Cleveland and its policies regarding the tariff, finance, and other momentous public questions. It is difficult to say what figure the silver question has cut in the elections."

IN THE CITY OF DETROIT.

Detroit, Nov. 8.—Complete returns from yesterday's election shows that the entire republican municipal ticket is elected. Griffin (dem) was elected to fill the vacancy caused by the death of Congressman Chipman, by a plurality of 1,700.

IN SOUTH DAKOTA.

St. Paul, Minn., Nov. 8.—Complete figures or anything approaching complete returns are unobtainable yet from South Dakota, but enough is known to assure a republican victory all along the line. The independent vote seems to have been very light.

IN NEW JERSEY.

Jersey City, Nov. 8.—The republicans have a majority in the legislature, which stands: Senate—Republicans, 11; democrats, 10. Assembly—Republicans, 33; democrats, 21.

CARRIED BY 50,000.

Richmond, Va., Nov. 8.—The returns so far indicate that the democrats have carried the state by 50,000 majority.

THE EUGENE FLOUR MILL

Burned to the Ground With All Its Contents.

Eugene, Or., Nov. 8.—The Eugene flour mill owned by Messrs. Wm. Edria & Sons, was burned to the ground about midnight last. The mill was in operation and five men were in the building. The first intimation of a fire was an explosion in the third story, and before the men could get to the place the entire upper part of the mill was in flames, which spread so rapidly that there was no chance of saving anything. The fire department was on hand promptly and saved the neighboring buildings. The mill is a total loss, and was valued at \$20,000 and insured for \$10,000. There were about twenty thousand bushels of wheat in the mill, which is a total loss. Only a part of it was insured. The books of the mill were saved.

HARRISON IS PLEASED.

Indianapolis, Nov. 8.—Ex-President Harrison says: "I am much gratified with the result of the elections."

SHOT FROM AMBUSH.

Hoodspoor, Wash., Nov. 8.—Joseph Nadir, an Arab peddler from Seattle, while walking with his partner on a lonely trail from Skokomish Indian reservation to Hoodspoor, was shot and instantly killed at noon today. The shooting was done by a rifle ball from ambush, supposed to be a stray shot from some hunter. Further particulars may develop at the coroner's inquest tomorrow. Deceased has a sister residing in Seattle.
