CHARGED WITH ASSAULT.

Argrew Christensen has sworn to a omplaint charging Wade Hampton Smith with assault with a dangerous weapon, and the latter has been arrested. It appears that Christensen is one of a force of men employed by Mr. Smith in the manufacture of bricks at Fort Clatsop some months since, an agreement having been reached be tween employer and employes by the terms of which the latter were to wait until the bricks manufactured were sold, taking as security, a mortgage on the entire output. The tone of the market having been quiet, no sale was effected, and the men finally foreclosed the mortgage. After the sheriff had sold the material Mr. Smith claimed that he had no knowledge of the fore closure of the mortgage, and asserted that he would not relinquish posses sion. Upon his return to Fort Clatsop from this city he built a fence around the bricks, but this was recently torn down by Christensen, who intended if possible to realize upon the property which had, under the terms of the sheriff's sale, come into his possessio When Wade Hampton found the fence razed, he grew wrathy, and a second time erected it, and shortly afterwards found Christensen in the act of demolishing it.
