THE TARIFF QUESTION

The Ways and Means Committee Still Busy With It.

LEGACIES WILL BE LEVIED UPON

Tax on Cigarettes and Playing Cards to Be Materially Increased—Other Provisions.

Associated Press. Washington, Nov. 30.—It has been definitely determined that the income tax system to be reported by the ways and means committee will be confined to a tax on the net incomes of all corporations and on concessions and legacies. Bryan, McMillan, Whitlag and others, who made a strong fight for a plan broad enough to include all incomes of individuals in excess of \$5000, having been about forced to acquiesce in the will of the majority and abandon the graduated income tax in favor of one applying only to corporations and successions. It can be confidently announced that the tax system will be narrowed down to these specific limits, unless the recommendations of the committee are upset in the house. The tax on successions and legacies applies only to personality and monies. The democrats in the committee have also decided to increase radically the tax on cigarettes, and impose a tax on playing cards. Both of these points have been definitely decided. The question of placing an internal revenue tax on whisky is still unsettled. The committee is maintaining a studious reticence on this subject, for fear of manipulations by speculators on the stock exchange.

THANKSGIVING ABROAD.

The Day Fittingly Celebrated by Americans in Berlin.

Berlin, Nov. 30.—The most general, thorough celebration of Thanksgiving outside of the United States took place at the Kaiserhof Hotel this evening. The hotel was bright with American flags and 300 Americans, consuls and their American friends, dined there under the leadership of United States Ambassador Runyon. The celebration was on a larger scale than ever before witnessed in Berlin, owing to the desire of Americans to do honor to the raising of the United States flag to the dignity of an embassy. A telegram sent President Cleveland over the signature of the ambassador was as follows: "Over 300 Americans assembled at a banquet in Kaiserhof send you patriotic greetings. The festivities of the day were an immense success."

AN EDITOR ARRESTED.

El Paso, Tex., Nov. 30.—Victor L. Ochea was arrested this afternoon on complaint of the Mexican government on a charge of being the instrument of Santa Ana Peres and the revolutionists in stirring up the Mexicans on this side of the Rio Grande. Ochea is an American of some prominence and editor of the Hispano-American, a weekly paper. Ochea when arrested had on his person a copy of the original and a translation of the pronouncement issued by Santa Ana Peres several days ago, besides several other papers considered inflammatory.

CHANGE OF VENUE GRANTED.

Colfax, Wash., Nov. 30.—This morning Judge Sullivan announced that a change of venue petitioned for in the case of the state vs. Ed. Hill, charged with the murder of Langford Summers at the town of Garfield on November 5th, 1892, would be granted, but delayed naming the court to which the trial be transferred till December 11th. It is thought Judge Sullivan will name Walla Walla as the place of trial.

MINT STATISTICS.

Washington, Nov. 30.—The director of the mint in his annual report, says the value of the gold deposited during the year was \$50,000,000; silver deposits, 73,000,000 ounces. The export of gold was \$108,000,000; imports of silver, 42,000,000. The total amount of silver purchased under the Sherman act up to November 1, was 168,674,682 ounces, at an average price of .9224; the coinage value was \$218,048,431. The gold coinage throughout the world during 1892 was \$168,000,000; silver, \$143,000,000.

SOPCZAK RECAPTURED.

Winona, Minn., Nov. 30.—Anton Sopczak, who escaped from the state reform school at Red Wing about three months ago and returned to his home in this city, has been recaptured and taken back to the reform school. Young Sopczak was originally sent to the school for burglary. Two weeks before his time expired the lad manufactured a rope out of his blankets and sheets and lowered himself out of the dormitory window. Sopczak, it is understood, is the leader of a gang of young thieves

whose pilferings about the west end of the city have caused considerable annoyance. Their favorite diversion was to steal coal from the railroad yards and sell it and then play poker for the money.

THE VICTIM OF A STRIKE.

St. Paul, Nov. 30.—Frank Monagan, who says he is a victim of the Carnegie strike, has been at his own request committed to the workhouse for ninety days, on a charge of vagrancy. Monagan has been half over the United States since the strike in the Pittsburgh iron works, and he has looked in vain for work that would provide his family with a home. Footsore and weary he arrived in St. Paul Wednesday night and sought lodging at the central police station. He was shivering and nearly frozen, and his feet, protected only by somebody's cast-off shoes, were bleeding where they came in contact with the cold pavement. His garments consisted of a tattered suit of clothes, and he was unprotected from the cold weather by underwear.

CALIFORNIA RACING.

San Francisco, Nov. 30.—The racing today resulted as follows: Six furlongs—Ida Glen, Joe, Georgetown. Time, 1:19 3/4. Six furlongs—Motto, Cocheo, St. Croix. Time, 1:15 3/4. Five furlongs—Anna Mays, Alesia, Leg. Time, 1:06. Short course handicap steeplechase—Cuchara won; Sherwood second, Eldorado, third. Time, 3:52. Five furlongs, for beaten horses—North won; Charger second, Sir Reginald third. Time, 1:06 1/2.

MAKING A HAUL.

Eau Claire, Wis., Nov. 30.—Two men giving the names of Davis and Skimmerhorn, believed to be farm hands living south of Durand, put up at a hotel here. They had a team of mules and a wagon. When they left the hotel they loaded into their wagon several horse blankets, a sack of feed, and an overcoat, all property belonging to the hotel. When this was discovered officers gave chase, capturing the Pepin county men five miles south of town, and they are in jail.

MARINE MISHAP.

Hayfield, Wis., Nov. 30.—The steamer Arabia attempted to get out into the open lake early this morning, en route for Houghton. Her captain reports the storm much more severe than yesterday. He reports the Hodge and Passadena under the lee of the Apostle islands, in addition to the steamers reported yesterday. The Arabia was obliged to put back here, and will stay until tomorrow.

AGAIN IN THE TOWLS.

Sacramento, Cal., Nov. 30.—Hugh Brown, the young horse thief who escaped from Sheriff Conde, of Baker City, Or., last Tuesday night, at Nelson station, Butte county, was arrested in this city this morning.

CLAIMS THE STRIKE IS OVER.

Philadelphia, Nov. 30.—General Manager Voorhees, of the Lehigh Valley, stated tonight that the strike is entirely over so far as the company is concerned. He says all trains are full and making good time.

THANKSGIVING.

The Union Services at the Presbyterian Church Well Attended.

The service at the Presbyterian church yesterday was well attended. The Methodist, Congregational, and Presbyterian churches all joined and had union services. Rev. Stayer, of the Congregational church, presided; Rev. E. J. Schmidt read for scripture lesson the 10th Psalm. Prof. Lyman read the president's proclamation. Rev. J. W. Bushong, of the M. E. church, who preached the Thanksgiving sermon, took for his text, First Corinthians, 9th chapter, 15th verse, "The unspeakable gift of God; the open bible." The speaker presented his subject in a most effective way. He gave some touching illustrations showing that indeed the word of God is the preserver and builder of nations. The subject and the thoughts presented were somewhat out of the usual trend of Thanksgiving sermons, and opened many new subjects of thought. In fact, the reverend gentleman's matter of fact way in putting his propositions demands attention and forces conviction. He spoke for fifty-five minutes and held the attention of his audience throughout. After the services, Rev. Stayer announced that the best part was to come—the collection—and requested Dr. Bushong to explain what it was for. The latter said that the contributions were to go to the Portland hospital, which took in Oregon, Washington and Idaho, and was doing about \$400 to \$500 charity work each month. The collection amounted to \$12.50. The Astoria people showed their generosity by the liberal gifts of vegetables, clothing, canned goods, fruit, etc., of which the boxes and barrels provided for this purpose were filled.

THE WORLD OF SPORT

Desperately Fought Football Game in San Francisco.

SEATTLE VANQUISHES TACOMA

The Multnomahs Beat the University Team—Yale Defeated by Princeton—Other Games.

Associated Press. San Francisco, Nov. 30.—Stanford 6, University of California 6, was the score of the desperately fought football game this afternoon. A drizzling rain sifted down all day, but ten thousand people sat in the stands and on the bleachers and howled for their favorites. The ground had been soaked by five days' rain, and patches of mud and puddles of water were numerous. Scientific plays were out of the question, and the players slipped and fell and floundered in their efforts to get over the ground. Stanford was the favorite in the betting at two to one, but the conditions were against them, and as predicted the Berkeley men proved to be better mud larks. Neither side attempted any tricks, and the game was simply a struggle and push with an occasional attempt at run around the ends. During the first half Stanford played in hard luck. A brisk wind was blowing against them, the rain driving in their faces, and they had to work all up hill towards the California's goal. Berkeley also suffered the loss of Hunt, their star player, who was injured and compelled to retire shortly after the game commenced. Benson and Code were also injured.

TACOMA AN EASY GAME.

Seattle, Nov. 30.—The Thanksgiving football game here today between Seattle and Tacoma was won by Seattle with a score of 8 to 0.

WALK-OVER FOR PORTLAND.

Portland, Nov. 30.—The Multnomah Athletic Club won the football game with the state university team here today. The score was 20 to 0.

YALE DEFEATED.

New York, Nov. 30.—The Princeton and Yale match today resulted in the defeat of Yale by a score of 6 to 0.

The game was phenomenal in the intensity and brilliance of the struggle as it was surprising in the result. Many moons will shed their lustre before the Yale men will recover their composure after this stupefying shock, their complete lack of preparation for which made this bolt from heretofore almost unclouded skies seem like some wrathful visitation for which they are at a loss to account. From the very start of the game it was plain that Yale was outclassed and outplayed by the modest young giants who went to battle with victory in their eyes. Princeton won the toss, and the wind not being sufficient to effectually aid the players, chose the ball. When time was called the ball was on Yale's fifteen yard line.

HARVARD'S HOLLOW VICTORY.

Cambridge, Nov. 30.—Harvard 26, University of Pennsylvania 4, tells the result of the football game today. The crimson is the popular color in this city tonight. In fact, any shade of red goes. All Harvard is wildly hilarious and growing more so as the evening ages. Harvard brawn triumphed today, and dragged down from its lofty pedestal the pride of Pennsylvania, mopped it about in Cambridge clay, and then sat upon it.

THE LUTHERANS.

The New Church at Everett Dedicated on Sunday Last.

The following has been received from Rev. L. Nissen, who is at present in Everett, Wash.:

The Norwegian Evangelical Lutheran church of Everett, Wash., was dedicated Sunday last. The services were attended by a great number of true Lutheran priests of the Pacific district and a great number of Scandinavian Lutherans. Right Rev. Harstad, of Tacoma, led the services, which were conducted according to the ritual of the Lutheran state church of Norway, and declared the church made holy for the use of the true worship of the Triune God with pure word and sacrament.

The day before and the day after the dedication the northern special conference of the Pacific district of the Evangelical Lutheran church met, and officers were elected as follows: President, Rev. N. Christensen, of Tacoma; vice-president, Rev. C. Hoel, of Everett; secretary, Rev. L. Nissen, of Astoria.

The conference will be together until Thursday night, and close with pastoral sermon and holy communion for the visiting priests and congregation.

Everett is a nice little city two years old, and the people extended to the visitors great hospitality and kindness.
