character abound. It is reported from Chicago that two bold bad men, entire strangers to the rest of the party, took a hand, somewhat unexpectedly, in a game of poker at the Amity Club and scooped in \$400, all there was on the table. It is not stated what the other players held, but the strangers had two pairs—of revolvers.

Instead of buying the product of our silver mines and dumping it in the vaults of the government, on top of thousands of tons of the metal, we are sending it abroad, and that means an increase in our line of exports that will bring gold. Certainly this is a proposition change. And each week we have reports from the mines of California, Montana, Idaho and Colorado showing the development of gold ore.

The fight against overhead wires in the East continues, and in New York especially there is a great deal of ordering down of wires so placed. There are still many wires in the great Eastern cities that should be under the ground, but there ought to be an explicable system in regulating the wire facilities. Wires are an important to the public service as the rails in the streets, and should be subjected to severe, but not to arbitrary and at the same time irresponsible regulations.

The National Grange statesmen are again advertising their incompetency in public affairs. There are circulars out once more to "hold wheat." Of course, the statesmen of the Grange are playing into the hands of the wheat speculators, but they do not know that. The fact is, they do not apply what common sense they have, but meddle with the markets; and would like a monarchical mob government.

STRICKEN DEAD.

TRUSTWORTHY STATEMENTS. A recent New York dispatch reads: "James C. H., a fine looking and apparently healthy man, was observed to stagger while walking on Fifth Avenue this afternoon, and after taking one or two uncertain steps fell to the sidewalk. When picked up he was dead. A physician examined the body, and pronounced heart disease the cause of death. A peculiar feature of the case is that Mr. H. was on his way to Maine, to settle in the home of his boyhood. He had passed the previous ten years in the western mining country, and had amassed a fortune. IF YOU have any of the symptoms given in the following testimonials you should lose no time in seeking relief.

From John L. Roberts, Stratford, Pa.: "I have suffered with palpitation, irregular pulse, fainting and smothering spells, pain in shoulders, side, and arms for over forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, smothering spells followed one another, so my life was often in danger and I needed constant care. As my son had been cured by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy-five years old I feel twenty years younger. I claim my cure to be almost a miracle."

Here is a letter from Mrs. John Kolges, of Cleveland, O.: "I had been troubled with my heart and stomach for years, but for sixteen months had been confined to my bed. I had four of the best doctors in the city, but none of them could benefit the weakness of my heart. I never took medicine that relieved me at once as Dr. Miles' New Heart Cure does. I am much stronger. My appetite is splendid. I gain strength with every dose. I have gained more in six weeks from your treatment than in sixteen months from all the doctors."

"Dr. Miles' New Cure for the Heart is sold on a positive guarantee by all druggists. It is safe, effective, agreeable, and does cure." Dr. Miles Medical Co., Elkhart, Ind.

MERCURIAL. Mr. J. C. Jones, of Fulton, Arkansas, says of MERCURIAL: "About ten years ago I contracted a severe case of blood poisoning. Leading physicians prescribed medicine after medicine, which I took without any relief. I also tried mercurial and potash remedies, with unsuccessfull results, but which brought on an attack of mercurial rheumatism that made my life one of agony. After suffering four years I gave up all remedies and began using S. S. S. After taking several bottles I was entirely cured and able to resume work. It is the greatest medicine for blood poisoning to-day on the market."

DR. GUNN'S ONION SYRUP FOR COUGHS, COLDS AND CROUP. GRANDMOTHER'S ADVICE. In raising a family of nine children, my only remedy for Coughs, Colds and Croup was onion syrup. Large bottles 50 cents. Take no substitute for it. There's nothing so good. For sale by J. W. Conn, Druggist.
