LOST IN THE WOODS. Charles Thompson's Little Daughter Strays From Her Home.

News was received from Seaside yesterday that on Wednesday the five-year-old daughter of Mr. and Mrs. Charles Thompson had wandered away into the woods and been lost. It appears that the child's father was at work some distance from his house, which is East of the Stanley place, and the little one had followed him. She remained with him for some time, amusing herself in various ways, and finally got out of his sight. When he missed her, he at once began a search, but without success. He then enlisted a number of his neighbors, and the alarm being spread about fifty men started out. The tracks of the little one were discovered after an hour's search, and she was traced to the edge

of and across an extensive cedar swamp to the foothills beyond. In some places the child's footsteps were seen where she had sunk almost to the knees in the mud, but she had evidently persevered with the idea that she would succeed in reaching her home.

Night came on without any success for the searchers, who were forced to abandon their efforts until yesterday morning when they again started out. Whether they met with success yesterday has not been learned, but it is feared that the little one has, ere now, perished from exposure.

THE SOCIETY MINERVA. An Interesting Meeting Held at Bethania Church Last Night.

The Scandinavian Young People's Society Minerva met last evening in the basement of Bethania church, President L. O. Beiland in the chair. The program was as follows: Address, Niis Steffensen; song, Miss Hilda Johnson, who was warmly applauded; recitation, S. Gimre; paper, by A. Knutsen; recitation, Miss Venus. A novel feature in entertainments of this kind was then introduced. Eight slips of paper were placed in a hat. On four of these were written subjects for remarks as follows: "Water," "whisky," "women," and "matrimony." Eight members of the society had been selected, from whom four were to speak, those drawing blanks being excused. The speakers proved to be E. Nandrup, who spoke on "Water," Peter Walde looked after the "Whisky" interests. Ben Lee spoke eloquently in behalf of the fair sex, and Fred Olsen told what he knew about "Matrimony." Much amusement was caused by the remarks of the speakers, and considerable speculation indulged in as to what each would have to say.

A prolonged debate was then engaged in on the question, "Which is the mightier—the pen or the sword?" The house finally decided in favor of the sword. Nearly 150 persons were present, six new members were admitted, and the prospects are good for a large increase in the membership at an early day.

The subject for next Thursday night's discussion will be, "Which will be the most useful to man—wood or iron?" Niis Steffensen will speak in favor of wood, and Chris. Tistevold on behalf of iron.

A GOOD WORD. Mr. J. J. Kell, Sharpburg, Pa.

Dear Sir: I am glad to say a good word for Krause's Headache Capsules. After suffering more over three years with acute neuralgia, and its consequent insomnia (which seemed to baffle the efforts of some of our best physicians) you suggested this remedy which gave me almost instant relief. Words fail to express the praise I should like to bestow on Krause's Headache Capsules. Gratefully Yours, MRS. E. R. HOLMES, Montrose, Pa.

For sale by Chas. Rogers, Astoria, Or., sole agent.

A QUARTER CENTURY TEST. For a quarter of a century Dr. King's New Discovery has been tested, and the millions who have received benefit from its use testify to its wonderful curative properties in all diseases of Throat, Chest and Lungs. A remedy that has stood the test so long and that has given so universal satisfaction is no experiment. Each bottle is positively guaranteed to give relief, or the money will be refunded. It is admitted to be the most reliable for Coughs and Colds. Trial bottles free at Chas. Rogers' drug store. Large size 50 cents and \$1.00.

A WONDERFUL MACHINE. There is no doubt that man is a fine mechanism, but like every other machine he wears out by friction. It is said that he is born again every two or three years. His body is virtually remade from food. To retard this making over is radically wrong, as a man loses so much vitality in the delayed process that it takes a long time to recuperate. The process of making anew is so accelerated by purging with Brandredth's Pills that a new man, as it were, may be made in two or three months, and the change in the mechanism is such that the worn out part is replaced by the new without the usual running down of the entire machine. You don't have to stop for repairs. Purge away with Brandredth's Pills the old, diseased and worn out body. They are purely vegetable, absolutely harmless, and safe to take at any time.

HOLIDAY GOODS. See what Foard & Stokes have in this line before buying elsewhere.

THANKSGIVING.

Turkeys, geese, and chickens, apples, cranberries and fancy groceries, at Foard & Stokes.

"A TALENTED EDITOR."

Gentlemen—I had occasion to use several boxes of Krause's Headache Capsules while traveling to Chicago to attend the National Democratic Convention. They acted like a charm in preventing headaches and dizziness. Have had very little headache since my return, which is remarkable.

Yours, respectfully, JOHN U. SHAFER, Ed. Renovo (Pa.) Record.

For sale by Chas. Rogers, Astoria, Or., sole agent.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. Twenty-five cents a bottle. Sold by all druggists throughout the world.

THEY'RE NOT ALL ALIKE —blood medicines. There's only one that is so far-reaching and so unerring in its effects that it can be guaranteed to do all this for you. That is Dr. Pierce's Golden Medical Discovery. If that doesn't benefit you, you have your money back. It's not like the sarsaparilla or ordinary Spring medicines. They claim to do good in March, April, and May. All the year round, and in all cases, the "Discovery" purges the blood as nothing else can. Every blood-taint and disorder, Eczema, Tetter, Salt-rheum, Erysipelas, Boils, Carbuncles, Enlarged Glands, Tumors and Swellings—the most stubborn Skin and Scalp Diseases, and the worst forms of Scrofula, are completely and permanently cured by it.

Buy of reliable dealers. With any others, something else that pays them better will probably be urged as "just as good."

For colic, cramps, and pains, nothing equals Dr. Pierce's Smart-Weed Extract.
