THE COMING FIGHT. Although the democrats have a majority in the house and senate, any one who supposes that they will put through their new tariff bill without the liveliest kind of a fight will make a very large sized blunder.

PROOF OF MERIT. The proof of the merits of a plaster is the cures it effects, and the voluntary testimonials of those who have used Alcock's Porous Plasters during the past thirty years is unimpeachable evidence of their superiority and should convince the most skeptical.

but Mr. Parnell and Mr. Gladstone couldn't work together. At Mr. Gladstone's age he cannot wait long for the officeholders and office-seekers of his party without surrendering to circumstances defeating his highest ambition.

There is an interesting development in England, and the New York "World's" London correspondent set it forth clearly. It is the substantial settlement of the long disputed question as to the leadership of the liberal party when Mr. Gladstone leaves the stage. Lord Rosebery is the man. He has exactly the qualities Harcourt has not, and his position is very high. O his late wife's enormous fortune he has the greater part, nearly forty millions, and he has scored a splendid success in the settlement of the coal strike. Mr. Gladstone will be eighty-four years old before many days have passed, and it is not in human nature to go on much longer. He is reported to be suffering from insomnia, and to have lost strength and his buoyant spirits. The death of Sir Andrew Clark, his physician, is a serious blow to him.

THE OPEN SWITCH.

AN ESTABLISHED SAFEGUARD. Anybody who travels by cars knows what is meant by "an open switch." It is the terror of railroad men, and the dread of the traveler. Its victims—killed, horribly mangled or maimed for life—are numbered by the score each year.

Yet even the dreaded "open switch" is not so widely fatal as is a certain disease, which, without ceasing its activity for an instant, is daily filling hundreds of graves.

What is that terrible ailment? you ask. It is Heart Disease! "Bat," you reply, confidently, "I haven't any heart disease—my heart is all right." Are you sure?

Dr. Franklin Miles, of Elkhart, Ind., the distinguished specialist in diseases of the heart and nervous system, states that disorders of the heart are as common as those of the lungs, liver, stomach, bowels or kidneys, though often unsuspected. The reason people are not aware of this important fact is because symptoms of heart disease are not usually recognized as proceeding from this organ, but are attributed to some other source.

"I had been troubled with heart disease for years. My left pulse was very weak, could at times scarcely feel it, excitement would weaken my nerves and heart, and fear of impending death stared me in the face for hours. Dr. Miles' Hearting and How Heart Cure are the only medicines that have proved of any benefit and cured me."—L. M. DYER, Cloverdale, Md.

"My wife has been taking Dr. Miles' New Cure for the Heart. She thinks it wonderful. She has not been troubled with pain or smothering spells since using it. We have also used Dr. Miles' Pills, and we find them all they are claimed to be."—GEO. L. FINK, Philadelphia, Pa.

These and hundreds of similar testimonials are convincing proofs of the wonderful powers of Dr. Miles' New Cure for the Heart. It is effective, agreeable, and above all, SAFE. Sold by druggists on a positive guarantee, or Dr. Miles Medical Co., Elkhart, Ind.

Progress and Cookery.

"The World Moves." There is no better illustration of this old saying than the numerous schools now-a-days devoted to practical kitchen processes. These schools have been alert to find a reasonable substitute for lard, the use of which is so generally condemned. This want has been fully met by

COTTOLENE

the new vegetable lard. When science strikes the kitchen, it strikes home and everybody gets the benefit. Cottolene is a clean, delicate and economical substitute for lard—cleaner than the hog, delicate as the finest vegetable oil, economical from its low price and small quantity required to be used. Prove it for yourself by a trial.

How is Your Blood?

I had a malignant breaking out on my leg above the knee, and was cured sound and well with two and a half bottles of S.S.S. My other blood medicines had failed. S.S.S. to do me any good. WILL C. BEATY, VERNON, N. C.
