PROTECTION

is the demand and necessity, the most
important of all the issues of our
day. It is the great bond that will

save the farmer from the

plague of tariffs, and

save the manufacturer from the

plague of speculation.

This bond is a bond for

every man, for

every woman, for

every child, for

every nation.

These great bonds are especially tailored to all persons
who are calling out to them the crushing effects of our
gigantic tariffs, or who are troubled with other

industrial difficulties.
