THE LUMBER TRADE.

The proposal to remove the duty on Canadian lumber is being anxiously discussed by dealers throughout the East, and the Northwest Lumbermen is authority for the statement that dealers have resolved to buy little more until the tariff question has been settled.

ENGLISH SALMON MARKET.

Only the Lower Grades of Fish Are in Demand. Under date of December 21, B. Gollin & Sons, the Liverpool correspondent of the American Grocer, says of the salmon market in England: Now that the coal strike is at an end, holders seem confident that as soon as the grocers turn their attention to salmon, they will experience an active distributive demand.

was defeated. The employees of the manufacturer got the notion that they were not getting a large enough share of wealth. After Cleveland's election they rejoiced, and as times grew hard they thought republican malice was the trouble. The manufacturers ran a while at a loss rather than close the mills. This was the time the leaders of the hatters thought best to pursue arbitrary conduct, and so they forced a lockout. If the Wilson bill becomes a law the wages of hatters will fall about 25 per cent, and the result will be the downfall of the town, and the manufacture of hats in England.

William, of Germany, has issued an order to the band of Cuirassier Guards to use only old-fashioned instruments. A Berlin telegram says: "The trumpeters will be required, therefore, to wield daily the seven-foot tubes, on which, in the fourteenth century, the call to the charge was sounded." The emperor is immensely pleased with the enormous instruments. This news comes associated with the news that the emperor's ear trumpet is again torturing him.

STRICKEN DEAD.

TRUSTWORTHY STATEMENTS.

A recent New York dispatch reads: "James C. H. is a fine looking and apparently healthy man, was observed to stagger while walking on Fifth Avenue this afternoon, and after taking one or two certain steps fell to the sidewalk. When picked up he was dead. A physician examined the body, and pronounced heart disease the cause of death. A peculiar and feature of the case is that Mr. H. was on his way to Maine, to settle in the home of his boyhood. He had passed the previous ten years in the western mining country, and had amassed a fortune. If you have any of the symptoms given in the following testimonial, you should lose no time in seeking relief. From John L. Roberts, Slaton, Pa.: 'I have suffered with palpitation, irregular pulse, fainting and smothering spells, pain in shoulders, side, and arms for over forty years. For twelve years have been treated without avail by prominent physicians in my neighborhood and in New York. Growing constantly worse, smothering spells followed one another, so my life was often in danger and I needed constant care. About my son had been cured by Dr. Miles' New Heart Cure, he sent me three bottles. The first dose gave me instant relief. Before using the last bottle I was completely cured. Although seventy-five years old I feel twenty years younger. I claim my cure to be almost a miracle.' Here is a letter from Mrs. John Kolges, of Cleveland, O.: 'I had been troubled with my heart and stomach for years, but for sixteen months had been confined to my bed. I had four of the best doctors in the city, but none of them could benefit the weakness of my heart. I also had dropsy and rheumatism. I never took medicine that relieved me at once as Dr. Miles' New Heart Cure does. I am much stronger. My appetite is splendid. I gain strength with every dose. I have gained more in six weeks from your treatment than in sixteen months from all the doctors.' 'Dr. Miles' New Cure for the Heart' is sold on a positive guarantee by all druggists. It is safe, effective, agreeable, and does cure.' Dr. Miles Medical Co., Elkhart, Ind.

THINGS WORTH REMEMBERING.

When you feel a kind of a goneness, about the stomach, it is a sign that your food does not set well, and that you are about to have a fit of indigestion. When you begin to feel nervous and are unable to sit still comfortably; when your clothes seem to suddenly lose their fit and become too tight in places the fit of indigestion is surely upon you. When this fit of indigestion is repeated from day to day it finally resolves itself into dyspepsia. Remember that three to ten of Brandreth's Pills will cure the worst case of indigestion or dyspepsia, or both, and that a regular course of them, say two every night for a week or ten days, will act as a preventative of either complaint.

SPECIMEN CASES.

S. H. Clifford, New Cassel, Wis., was troubled with neuralgia and rheumatism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him. Edward Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and several boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawba, O., had five large fever sores on his leg. Doctors said he was incurable. One bottle of Electric Bitters and one box of Bucklen's Arnica Salve cured him entirely. Sold by Chas. Rogers, druggist.
