FOR THE COLUMBIA. A Monster Ship Now on the Way to

This Port.

Another blg four-master is on the way to this port. She is the Norwegian ship Prince Robert, and she registers 2654 tons. In size she is 200 tons larger than the Drumails, which recently arrived, and only 100 tons smaller than the Mowhan, which was here last season. The Prince Robert is a new vessel, and is making her maiden voyage She left Barry June 30 for Rio, arrived August 10, and sailed October 20 for Taltal and San Francisco. At the latter place she will receive orders for Portland. The ship is consigned to Meyer, Wilson & Co., and will load grain for Europe. Captain Hansen is the commander of the vessel.

The Lord Shaftsbury, which recently arrived in ballast at Tacoma from Valparaiso, it is said has been ordered to Portland to take on wheat. The British ship Thistle, a 2200 ton vessel, just arrived at San Francisco from Swansea, was chartered for wheat loading prior to arrival, with the option of Portland and Tacoma in addition to San Francisco. Her rate from San Francisco is 23s 9 d, from Tacoma 31s 3 d, and from Portland, 32s 6d.

THE RIGHT SPIRIT.

Police Commissioner Kopp was the first property owner to come to time with his subscription of water-front property for the railroad subsidy. Mr. Kopp yesterday gave one-third of his 150 feet, and accompanying the deed was a deed to the right of way through his remaining property. This excellect example, it is believed, will be followed by a goodly proportion of the other property owners.

QUAINT SAYINGS.

Spiritual dyspepsia is harder to cure than the other kind.

If some of our heads were not so big our hearts would grow faster.

Whenever faith proys it holds out both hands to receive the answer.

When people are hired to be good they will stop as soon as the pay stops A rose measured by its fragrance

makes a cabbage head look little. There are people who will not trust the Lord till they lose everything else When you want a friend, don't choose

a man whose children are afraid of him

A preacher who has a praying church behind him is a hard man to discourage There are some people in the church who feel injured when the devil gets a backset.

Every time the devil makes a hypocrite he has to admit that nothing pays so well as being good.

Many people who pray for a deeper work of grace, do not want it to comdeep enough to reach the pocket .-
