Advertising rates can be obtained on application to the business manager.

This paper is in possession of all the telegraph franchises, and is the only paper on the Columbia river that publishes genuine dispatches.

The Daily Astorian's circulation is five times as great as that of the com-bined circulation of the other daily papers of Astoria.

The Weekly Astorian, the third oldest weekly in the state of Oregon, has, next to the Portland Oregonian, the largest weekly circulation in the state. Subscribers to the Astorian are requested to notify this office, without loss of time, immediately they fall to receive their daily paper, or when they do not get it at the usual hour. By doing this they will enable the management to place the blame on the proper parties and to insure a speedy remedy.

Handley & Hass are our Portiand agents and copies of the Astorian can be had every morning at their stand on First street.

"Fluttering over appointments" is the latest expression used by a democratic congressman in describing Mr. Cleveland's methods of business. It seems that if the president ever had a faculty of doing work in a steady way, he exhausted it in writing letters during the Harrison administration, and working up what he called popular education to up what he called popular education to tariff reformation.

Self defense is instinctive. Persons who find themselves afficted with heart disease as manifested by its many symptoms, palpitation, short breath, irregular pulse, pain in side or shoulder, smothering, fainting or dropsy, etc., neturally desire a defense against what may terminate fatally. For this express purpose no remedy has ever approached Dr. Miles New Heart Cure, sold by Chas. Pegers on a guarantee. Mrs. O. F. Perkins, of Northwood, Ia., says, Dr. Miles' New Heart Cure, sayd her life. She suffored from palpitation and her heart would frequently beat as high as 12a a minute. Was not expected to live. Was a mere skeleton, no relief from physicians. New Heart Cure cured her. NOTICE OF ADMINISTRATION.
