TRIBUTE TO LINCOLN.

Memorial Address Delivered in Chicago by Luther Luffin Mills.

Luther Luffin Mills recently delivered before a large audience at the People's Institute, Chicago, a memorial address on Abraham Lincoln. The speech bristled with good points and was frequently and heartily applauded.

We contemplate, for one brief moment, Abraham Lincoln in the largeness of his attributes; his general influence on mankind. This is an old contemplation, but it wears like truth; it is never threadbare; it is like a lofty story of morals or religion, which constantly assumes a fascinating newness for our faith and interest.

In his mentality he shone in judgment, common sense, consistency, persistence, knowledge of men. In his sentiments he was kind and patient and brave. No leader ever more completely combined in his personality the graces of gentleness with rugged determination.

Special attention is called to our large stock of staple and fancy groceries which we are now selling at largely reduced prices for cash.

COURT HOUSE NEWS.

Silks

Only bad weather can check the deepening interest inspired by the continuance of our Great Silk Sale. We have all kinds of Surah Silks, Brocades and India Silks, all at prices that are interesting. You expect such things here. In fact you expect more here than elsewhere—more to buy and cheaper than anywhere else in Astoria. Are you often disappointed? Not often, we think.

Velvets

We've heard somewhere of a woman with black hair who bought a red switch, because it was cheap.

What a glorious place our Velvet Stock would be for such a woman these days!

These days are opportunities for any lady wishing velvets in any style. Whatever kind or color you need, you'll find that it takes less money to supply it, through us, than ever before.

Embroideries

It seems as though we must be selling Hamburg and Swiss Embroideries very low, judging from the crowds that have attended our great sale the past week. It isn't a very profitable business, we can assure you, to let goods go so low, but we intend having the embroidery trade of this town.

We're not stopping this sale yet. Better—we're not going to stop. This week you will find plenty of bargain nuggets left.

James Robinson, the athletic trainer at Princeton College, Princeton, N. J., says: "I have found it imperative to have sure and simple remedies on hand in case of cuts, bruises, strains, sprains, rheumatism, etc. Shortly after entering upon my profession I discovered such a remedy in Alcock's Porous Plasters. I tried other plasters, but found them too harsh and irritating. Alcock's Porous Plasters give almost instantaneous relief, and their strengthening power is remarkable. In cases of work back put two plasters on the small of the back and in a short time you will be capable of quite severe exertion. In 'sprint' and 'distance' races and jumping, the muscles or tendons in the legs and feet, sometimes weaken. This can invariably be relieved by putting the plaster in narrow strips, so as to give free motion, and applying on muscles affected."
