The last letter we had from him was received in 1864, in which he stated that he had a contract with the United States postal department to carry the States postal department to carry the mails from Astoria, Oregon, to Olympia, W. Now, my object in writing you is, if there is any possible way of finding out whether he is alive or not, and if you could give me any information to that effect. He was then 42 years old. Yours truly,
