The Astorian guarantees to its anteribers the largest circulation of any awspaper published on the Columbia

Advertising rates can be obtained on pplication to the business manager. This paper is in possession of all the delegraph franchises, and is the only saper on the Columbia river that publishes genuine dispatches.

The Daily Astorian's circulation is five times as great as that of the com-duction of the other daily pa-

The Weekly Astorian, the third old-est weekly in the state of Oregon, has, muxt to the Portland Oregonian, the largest weekly circulation in the state. Subscribers to the Astorian are re-guested to notify this office, without loss of time, immediately they fail to yeceive their daily paper, or when they do not get it at the usual hour. By do-ing this they will enable the manage-ment to place the blame on the proper parties and to insure a speedy remedy.

Handley & Hans are our Portland agents and copies of the Astorian can be had every morning at their stand on First street.

TIDE TABLE. For the Week, Reginning To-day. HIGH WATER | LOW WATER hm | ft. || hm | jt. || hm | ft. || hm | f

YESTERDAT'S WEATHER.

Local weather for the twenty-four hours ending at 5 p. m. yesterday, furnished by the U. S. Department of Agriculture weather bureau.

Maximum temperature, 45 degrees; minimum temperature, 37 degrees; precipitation, 09 inch.

Total precipitation from July 1, 1893, to date, 74.39 inches; excess of precipitation from July 1, 1893, to date, 30.79 inches.

TODAY'S WEATHER.

Portland, Ore., March 6.—For Wash-ington and Oregon: Rain; warmer; southerly gales on the coast.

Two-thirds of the democracy of this state are said to be for Pennoyerism rather than Clevelandism. It is very hard on them

The Pall Mail Gazette, which was so generally berated by the press of London for its prophecy of the retirement fiture of its rivals, all of whom threw discredit on the stand taken by Mr. have been personally visited by some

We are glad to hear there are thousnows out of the mountains of Wyom- to go. ing, and it is a gratifying surprise that the Indians, who are keen to slaughter them, are not permitted to do so by the lly Indian agent, Capt. Ray. The safety of the elk in some parts is doubtless owing to the scarcity of white folks.

claim of the navigating officer of the sending to Norway for some Norwegian ill-fated vessel that Roncador reef is not correctly laid down on the chart, throws doubt on the position of other points in the Carribbean Sea, and the also subscribe and pay for a temperresult may be good if fresh surveys are ordered. A few miles of error in any location should not be tolerated in these days when accuracy almost absolute is possible. The survey was taken so long ago that there may well be some error in the longitude if not in the latitude, as the means of taking close observations were not then nearly as good as tried by prayer and conversation to

The South Bend Journal does not consider Astoria's railroad prospects very bright, and asserts with a degree of T. U. Rescue Home in Portland, and is confidence that is amusing that sev- now earning an honest living. Several eral important deaths must first occur letters have been sent to the friends of here before our hopes are realized. "Sometime," says the Journal, "Astoria will be, perhaps, one of the important our state Rescue Home, so that we may ports of the coast, but not until many changes have taken place in her moneyed populace. It would not hurt the Journal to inform itself on the subject before displaying such a conglom- subject. These are only a few hasty erate mass of misinformation. In the points gathered of our work in the last first place there are no moss-backs in few months, but the multitude of good this city, and secondly, the contract for the construction of the road will be signed at an early day and the work have cast-off clothing to bring them to finished before November I next. So that the "sometime," mentioned by the Journal, is not so distant after all.

assured he could cut down the republican majority in Pennsylvania by putting in some appointments according to Harrity. Straightway he sent in the desired names: John R. Reed, of Philadelphia, for collector of the port; P. Gray Mask, of Centre county, for surveyer; J. Marchall Wright, of Lebigh. for mayal officer; Dr. Eugene Townend, of Philadelphia, for superintendent of the mint, and St. Ciair Matholisms, of Centre County of the port; P. Gray Mask, of Centre county, for surveyer; J. Marchall Wright, of Lebigh. It is related that Mr. Cleveland was the mint, and St. Clair Multicliand, of Very machi, also, is this household Very machi, also, is this household medicine for those nimestry of common occurrence consulpation. Shousages Clevelandius used these summe to the

as having said that "if the republican majority could be kept down to 50,000, such a result would be of great advantage just at this time." The story goes that when the 182,000 majority for 60 cts Grow rolled in, "the old man was mad,"

The statement by Gen. Tracy that his client, Erastus Wiman, was not guilty of a crime remains a great source of relief to the many friends of the unfortional holiday, and when there was dangerous illness in his house.

The New York Press of last Wednesday morning, displays on its first page, headlines of news matter as follows:

"The President Goes Away-With Mr. Gresham He Takes a Trip Down the 7 1 14 7 9 12 55 8 0 7 12 2 4 7 21 0 8 8 1 40 8 2 1 34 7 9 7 45 1 8 7 48 0 6 Potomac-A Gunning Trip Which May Last for Several Days-The Sart in a

> The chief suggestiveness of this is in the fact that it not artistic, but ordinary business. The navigators who had the president in charge fortunately did not allow him to be blown to sea be had been caught on the Atlantic and wafted to Europe, there is no telling one is the interest of all. what would have become of the consti-

WORK OF ASTORIA W. C. T. U. How the Members Spend Their Time in Doing Charitable Acts.

1. Every Thursday of each week we spend part of an hour in earnest prayer for this town.

2. Relief Work-Part of an afternoon every two weeks we spend in sewing clothes for the poor, mending and making over clothes to be given to the

Ten needy families reported to us of our committee, and relief given them. One poor, sick woman was taken care of for four days in this city, then pro- Individuals who desire to make bevided with necessary clothing and her quests, or who care, during life, to aid sands of clk to be driven by the deep way paid to Portland, where she wished in building up funds for this purpose,

comes to get clothes for her needy fam-

Literature-Our superintendent of for eign literature reports that in the past few months she has distributed 1,000 pages of Swedish, Danish, and Finnish temperance literature, which was eager-The disaster to the Kearsarge, and the ly read by those nationalities. We are temperance literature, consisting of books, tracts, leaflets, etc., as no saitable temperance literature in that language is published in this country. We ance paper in that language for Fishermen's Reading Room.

American literature-Of temperance literature we have distributed many

thousand pages Social Purity-Since last May the su perintendent of social purity has distributed 1,650 pages on social purity. She has also visited women in the slums, city and county prisons, and lead them to a better life, offering, in the name of the Union, hiep to those who wished to leave their bad life and would accept our help. One woman accepted the offer, was sent to our W. C. other girls, that their families might rescue them.

As a union we contribute \$6 a year to send Astoria's erring ones to its care, Cigarettes-Our superintendent has distributed 50 copies of our late law where it would do the most good. Also, we have circulated a petition on the efforts put forth and good done can

never be told. The Union kindly begs those who Rescue hall, or 174 Main street, or send notice to some of our members. We are entirely out of material, and the cases of needy ones increase dully.

## LIFE OR DEATH?

atmost, and Mr. Cleveland is reported chron risurnatism.

GENERAL NEWS

Matches may be made in heaven, but the majority are made in the back parlor, with the lights very low.

The men who wear long cents, and walk fast in them, are no longer in a position to laugh at the way a woman

No woman is going to saw wood and say nothing. If she has to saw the wood S.S.S. the world will certainly hear from her.

If a wart be rubbed with the pared surface of a freshly cut potato three times a day, it will disappear within a ciscon mailed for a SWIFT SPECIFIC CO., Atlanta, Ga.

The latest swindle is an article advertised to do writing without pen or ink. Its price is \$3, and the purchaser receives a lead pencil.

The young man who thinks he dis-

plays his manhood by being "tough"

only displays the fact that he doesn't cnow what manhood is. Nearly all of the newspapers have abolished the habit of publishing lists of presents at weddings, and especially

the surprise and birthday parties. The Kentucky grandmother who is only 29 years old should be a warning to all the girls who are tempted to marry too early. Think of being a

That most men live fast lives is evident by the fact that a boy born in 1864 will be 30 this year, while the average girl born in the same year will be

The man who is dissatisfied with himself, with his family, with his church and with his creator generally proves to be a kicker in the community in which he exists.

There is a mutual responsibility resting upon the school and home for the promotion of the best welfare of the children, and it should be assumed by both teacher and parent alike.

A man cannot build up an honest business in a town without helping the town. A town cannot build up without helping the country. The interest of An editor may be able to please all

the people part of the time, but just as soon as he tries to please all of the people all the time, he will make a total failure of it. That is something he cannot do, and it is useless to try, Aluminum dimes are now being circulated. The coins are of the finest speci-

mens of counterfeiting that none other than an expert can detect them except by comparison. They have a clear ring and the only flaw is in milling.

Endowed church choirs are worth thinking about. With an income from such a fund sufficient to induce the finest vocalists and organists to sook positions in these choirs, congregations would be in position to enjoy the best quality of sacred music without stint. have a field in which many persons weekly meetings, some poor woman generations, the music, all the while, baker. He kneads good bread for all becoming akin to the melody of "ten thousand harps and voices."
