

FATAL TRAIN WRECK.

Baker City, Ore., March 14.—Two wrecks occurred on the Oregon Short line last night. Passenger train No. 2, east-bound, was derailed near Mountain Home, Idaho. It is reported the fireman, mail clerk and three tramps were killed.

Freight train No. 24, in charge of Conductor Naah, was derailed two miles west of Durkee, by running over a cow. The engine and six cars left the track, the engine turned over, and brakeman Phillips, of LeGrande, was killed instantly. Fireman Lenzal, also of La Grande, was so badly scalded by steam that he died this afternoon. Engineer Jacobson was slightly injured.

LATER DETAILS.

Boise, March 14.—A special to the Statesman from Mountain Home says the east-bound passenger train on the Oregon Short line was wrecked last night in a chalk cut 14 miles west of that place. A rock slide filled the cut, and the train dashed into it at full speed. The engine and baggage, postal and express cars were smashed. Three tramps were riding on the front of the mail car and were killed. Engineer Evan Williams was fatally hurt. Fireman A. T. Petton and Mail Clerk Mahon and Tipson were slightly injured.

A flood occurred along the Oregon Short line this afternoon between Bliska and Caldwell. At Nampa a part of the town was covered. It is estimated the damage in and around that place will reach \$50,000 to \$75,000. Every bridge between Caldwell and Bliska, 40 miles, is said to be gone or damaged. All trains are held, and it is thought it will be several days before trains can get through. The flood was caused by the bursting of the great Indian Creek reservoir and the melting of the snow in the hills.

A DETERMINED MAYOR.

Brooklyn, March 14.—Mayor Schieren expressed himself today fully determined to maintain the position he had taken in refusing to allow the Irish flag to be raised on the city hall on St. Patrick's day, notwithstanding the resolution passed by the board of aldermen Monday. Without his approval the resolution is inoperative, and the passage of the resolution over the veto cannot be done until ten days have elapsed and St. Patrick's day has passed.

REFUSE TO TEACH.

Pittsburg, March 14.—The nuns have withdrawn from the Riverside schools. The action was taken in view of the injunction proceedings entered yesterday by the Junior Order of American Mechanics and the refusal of the central board of education to pay their warrants. President Minnick, of the Riverside school board, said no further attempt would be made to introduce nuns into the schools as teachers.

DELAYED TRAIN ARRIVES.

Seattle, March 14.—The Great Northern passenger train arrived tonight from the east, a week overdue, having been delayed by snow in the Cascade mountains. Its progress was first stopped by the derailing of an engine in the mountains, which blocked all the snow-plows. The snow got a start and piled up above the tops of the cars. There were 86 passengers aboard.

WOOL GROWERS' SESSION.

Boise, Ida., March 14.—The Idaho Wool Growers' Association closed a three-days' session here today. Frank R. Gooding, of Shoshone, was re-elected president and Will T. Kennedy Tod & Co., of New York, representing the first mortgage bondholders, \$1,000,000. The road was knocked down at this figure.

GUILTY AS CHARGED.

Brooklyn, March 14.—Justice of the Peace Sutherland, one of McKane's henchmen, indicted for conspiracy in connection with the Gravesend election troubles, was today found guilty as the result of his second trial. In the first trial the jury disagreed. Sentence will be pronounced Saturday.

A. P. A. TROUBLES.

Cleveland, O., March 14.—A membership list of one of the leading American Protective Association's lodges, containing 700 names, has fallen into the hands of Catholics, and a great stir has been made by ordering a boycott of the merchants whose names were found on the roll.

THE CHARGE DISMISSED.

San Francisco, March 14.—The charge against William McConnell, the Spokane merchant arrested for obtaining goods by false pretenses from W. & J. Blaine & Co., was dismissed yesterday on motion of special attorney for the prosecution. McConnell purchased from Blaine's a lot of furniture, carpets, etc.,

on presentation of evidence that he was solvent. In time they discovered that such was not the case, and that McConnell had departed for New York. A warrant for his arrest was sworn out, and he was arrested in New York.
