EXCLUSIVE TELEGRAPHIC PRESS REPORT.

VOL. XLII, NO. 73.

ASTORIA, OREGON, THURSDAY MORNING, MARCH 29, 1894.

PRICE, FIVE CENTS.

## AN HONEST JUDGE.

Always listens to all the evidence. In this case the public is the Judge and we've proven to the Court's Satisfaction that we can undersell (or sell a higher class of goods) than anyone in the city in Men's and Boys' Clothing, Furnishing Goods, Hats, Caps, Boots, Shoes, Trunks, Valises, etc

which we buy direct of the manufacturer and sell to the consumers at prices from 10% to 33% per cent less than elsewhere.

**The OSGOOD MERCANTILE CO.**

The One Price Clothiers, Hatters And Furnishers.  
506 and 508 3rd St., Next to Griffin & Reed's Book Store. Astoria.

THEY SAY there isn't a slower city on the coast than Astoria. They'll say directly our clocks are slow. Then next, we suppose, they'll be saying that there isn't a slower store on Third Street than 502--our citizens book store.

We must be awfully slow. We don't know how to buy our blank books from manufacturers who use scraps in covers or have ill-paid binding. Our manufacturers don't know how to make the common cheap sorts and have us sell them for first class. They're afraid to--that's a fact. We don't want to know how.

But we're wide awake enough to buy the best, and slow Astoria is wide awake enough to buy it from us.

Griffin & Reed.

## MISS POLLARD'S CASE

An Old Lover of the Plaintiff Appears on the Scene.

TESTIMONY UNFIT TO PUBLISH

Col. Breckenridge Expected to Be on the Stand for the next Three Days at Least.

Associated Press.

Washington, March 28.—The surprise of the Pollard-Breckenridge case today was the unexpected appearance of Miss Pollard's old lover, Rankin Roselle, a Kentucky schoolmaster. His deposition had been read in the case, but to make his testimony doubly sure he appeared in person, and no sooner had he taken the stand than Madeline Pollard gilded in, for the first time this week, from the office of her attorney across the street, where she was to be sent for when her presence was desired. Probably she will be in court tomorrow to face her silver-haired accuser, for the attorneys declare there will be positively no longer postponements in the testimony for the principal, and Col. Breckenridge will take the stand in the course of the day. Most of the testimony today was in the form of depositions, and was of a character which can only be published in expurgation. The case for the defense is drawing to a close with the appearance of Col. Breckenridge, whose testimony is expected to occupy at least three days. Then there will be evidence in rebuttal for an indefinite period, as Miss Pollard will take the stand again, and witnesses have been summoned from Kentucky.

## A TEMPORARY CHANGE.

The Rumored Resignations From the Central Pacific Directorate.

San Francisco, March 28.—Charles F. Crocker, first vice-president of the Southern Pacific, was seen today regarding the resignation of C. P. Huntington, H. E. Huntington and himself from the directorate of the Central Pacific. "There is no great significance to be attached to the matter," said he. "There is no sensation in it, and no surprising developments may be expected. So far as I know, none of the stockholders are dissatisfied. If there are any dissatisfied ones, they may be heard from at the annual meeting, which takes place April 15." Mr. Crocker declined to enter into any further explanation of the matter, intimating, however, that the change is only a temporary one.

Relative to the retirement from the directorate of the Central Pacific of President Huntington and Directors C. P. Huntington, Charles F. Crocker and Stephen T. Gage, the Call will tomorrow report C. P. Huntington as saying that if the government does not accept the present bill before congress postponing the time of payment of the Central Pacific debt or extend the time of payment of the bonds to a reasonable period, the probability is that the first mortgage bondholders will take the road. If, on the other hand, he said, a reasonable time is given to meet the obligations and the proposed new issue of bonds is made, the government will receive every dollar due inside of 60 days after the bonds are issued. Huntington is said to expect litigation because of the recent change in the management of the Central Pacific.

## WHEAT MARGINS.

The McGlauffin Contracts Discussed by the Produce Exchange.

San Francisco, March 28.—The directors of the San Francisco produce exchange held a prolonged meeting today, at which the McGlauffin wheat contracts were extensively discussed, also the subject of wheat margins. The following was decided: "It is the unanimous opinion of the board of directors, after a careful consideration of the resolution adopted at a special meeting of the members of the San Francisco produce exchange Call Board Association, held on the 22d of March, recommending that the value for marginal purposes of May wheat be placed at \$1.10 per cental, that it is inadvisable, on account of the state of the foreign markets, to make any change at present in the marginal value already established.

## CANNOT DISGRACE TEXAS.

Dallas, March 28.—Gov. Hogg telegraphed the following from Austin to the Times-Herald today: "You can truthfully say that neither cormorant nor Commune can disgrace Texas while I am governor. When a railroad company hauls traps or unemployed peo-

nless into this state it cannot dump them into a barren desert and murder them by torture and starvation without atoning for it, if there is any virtue in the machinery of justice. Nor will I permit them to be shot down on Texas soil by any armed force whatever, no matter how much the Southern Pacific and other enemies of the state may howl about the Commune."

Investigation proves that the 800 men dumped out on the western desert by the Southern Pacific were employees of C. P. Huntington's shops and lines in California who were discharged.

## IN LEGISLATIVE HALLS.

Dolph's Resolution to Declare the Clayton-Bulwer Treaty No Longer in Force.

Washington, March 28.—In the senate Dolph introduced a joint resolution declaring the treaty between the United States and Great Britain regarding the construction of the canal at Nicaragua, commonly known as the Clayton-Bulwer treaty, no longer in force.

## HOUSE PROCEEDINGS.

Washington, March 28.—In the house the democrats mustered a bare quorum, and will try to pass through the O'Neill-Joy and English-Hilborn election contests today.

Mr. Outhwaite, from the committee on rules, reported limiting the debate to two hours each on election cases, a final vote then to be taken.

The Joy-O'Neill case was then taken up. After the time for debate was consumed a vote recurred on the substitute for the report of the majority committee. A report was presented by the minority declaring Mr. Joy entitled to his seat. The vote resulted—yeas, 192; nays, 146. The substitute was rejected. Mr. Burrows moved to reconsider and Mr. Springer moved to lay the motion on the table.

The republicans then precipitated another filibuster by making a point of no quorum. The vote was—yeas, 137; nays, 8. The house then adjourned.

## THE COLD WAVE.

Reports From Different Eastern Points of Stormy Weather.

Fort Scott, Kan., March 28.—A blizzard from the northwest reached here this morning, and the fruits left by the last cold snap will be killed by this.

Indianapolis, March 28.—A small blizzard struck the city last night. Early this morning fine snow began falling.

Ottumwa, Ia., March 28.—It is snowing furiously. Two inches has already fallen and it is getting colder. Small fruits are killed.

Marshalltown, Ia., March 28.—The snowstorm of last night has developed into a regular blizzard.

Chicago, March 28.—Early this morning fine snow began falling, and promises to continue throughout the day. The temperature is at the freezing point.

Evansville, Ind., March 28.—A blizzard struck this city tonight. Snow began to fall at 6 o'clock, and it was accompanied by a strong wind. Farmers report the wheat killed, and also the peaches and other fruits. The weather has been at the freezing point for four days.

Hot Springs, Ark., March 28.—A regular blizzard struck this place this evening, and there was a blinding snowstorm. The weather was bright and beautiful this morning, and the change surprised everyone as very unusual. It means the destruction of the fruit and the early vegetables. The snow continues to fall and is drifting badly.

## COXEY SELLS HIS HORSES.

Chicago, March 28.—Coxey appeared at the horse sale at the stock yards today, and was greeted by loud cheers and calls for a speech. Coxey's horses brought but \$450, while he had expected not less than \$1,000, and with this for a cue he roundly scored the existing conditions, charging to the hard times the "lack of money." This evil he said he proposed to remedy by compelling the government to issue bonds for \$500,000. Coxey's Chicago lieutenant, Albert Mason, claims he will leave for the east Saturday with 5,000 men. At present the 5,000 is represented by 21 men.

## JUMP IN WHEAT.

Chicago, March 28.—Wheat jumped three cents today on the prospects of a cold wave. The scare started a wild rush to cover among the shorts, and with heavy trading the pit was a scene of wild confusion. May started at 65 5/8 and went till it touched 61 1/2. At that point the offerings soon caused the price to sag off to 60 5/8, the market becoming quiet and steady at about those figures.

## SUICIDE IN PORTLAND.

Portland, March 28.—H. L. Darr committed suicide today at his home near Sunnyside. He was 43 years of age and quite wealthy. Dependency over the loss of a small sum of money is supposed to have prompted the act.

## CLAIMED BY DEATH

Two of the Crew of the Holywood Drowned.

DRINK THE CAUSE OF THE AFFAIR

Second Mate McGavin and an Able Seaman Fall from the Gang-plank and are Lost

About 11:45 last night, James B. McGavin, the second mate of the British bark Holywood, and Peter Hageman, an able seaman on the same vessel, were drowned by falling off the gang-plank while going aboard their vessel at the bonded warehouse. It appears that several of the men were drinking during the evening, and about 11 o'clock became noisy and quarrelsome. Officer Seafeldt and Chief Loughery watched them for some time, allowing them some latitude on account of the fact that they had just come ashore after a long voyage, but were finally obliged to take the steward and one of the seamen into custody. Returning from the city prison, the officers saw the remainder of the party wending their way toward the vessel, and after seeing them as far as the gate leading to the dock of the warehouse returned up town. A few minutes afterward the report reached the officers that two of the men had been lost.

McGavin had been sleeping on a table in a down-town saloon, and his friends endeavored to carry him to the vessel. Being unable to do so on account of their condition, they were assisted by a couple of citizens, who took the inebriated man as far as the wharf and laid him down. Two of the other members of the party picked up McGavin and proceeded to cross the gang-plank. A moment later and McGavin and Hageman had dropped overboard.

The alarm was given quickly, and Capt. McCaulay, who had remained up for the purpose of ascertaining how his men were conducting themselves ashore, had one of the boats ready to lower in a minute's time. He also had a number of lines thrown to the men in the water, but without avail.

One of the crew went over the side with a line and endeavored to render assistance, but was unable to accomplish anything; while others were forcibly restrained from jumping overboard to help their unfortunate fellow-seamen.

McGavin was a native of Scotland and Hageman hailed from Holland. Both were single. Capt. McCaulay, who is very popular with the crew, was deeply moved by the affair.

## REPORTED FAVORABLY.

The Adoption of Morgan's Nicaragua Bill Recommended.

Washington, March 28.—It is understood the sub-committee reported to the full senate committee of foreign relations recommending the adoption of Senator Morgan's Nicaragua canal bill, with some amendments. The bill provides for the reorganization of the canal company with a capital stock of 1,000,000 shares of \$100 each, for the issuance of bonds, the payment of which will be guaranteed by the national treasury, and for the cancellation of the stock of the old company, and prescribes the method of procedure under the reorganization act.

## RAISED THE SUBSIDY.

Tacoma, March 28.—The subsidy of \$35,000 required for moving an eastern rolling mill to Tacoma has been raised.

## DENVER'S POLICE BOARD.

Denver, March 28.—After hearing the arguments today on the appeal from Judge Glynn's decision quashing the writ of injunction against Mayor Van Horn and the new fire and police board,

the supreme court judges announced they could not take jurisdiction in case of error. Unless the old members, Orr and Martin, now retire voluntarily, a writ of mandamus will be obtained by the new board to compel them to vacate.

## REPORTED MINING ACCIDENT.

Hancock, Mich., March 28.—It is rumored ten men were killed at the Central mine, Newenaw county, by a premature blast last night. The wires are down on account of the storm, and it is impossible to obtain particulars.

## PRONOUNCED A FAKE.

Detroit, March 28.—A special from Hancock characterizes the story of the fatal explosion in a mine as purely a fake.

## THE SEALING QUESTION.

Washington, March 28.—There is reason to believe the British ambassador here will soon receive authority to consummate an agreement by which the small differences respecting the closed zone will be adjusted on the basis of the 42d parallel. This would make it impossible for sealing vessels lawfully to take seals anywhere in the Pacific north of the boundary between California and Oregon after May 1.

## THE SUGAR BOUNTIES.

Washington, March 28.—A plan for abolishing the sugar bounties without waiting for the repeal in the tariff bill is being informally discussed. Should they be contained in the tariff bill when it passes the senate either a special bill will be introduced in the house, or a rider will be attached to some other bill repealing the bounties.

## REINFORCEMENTS FOR COXEY.

Denver, March 28.—The Denver contingent for Coxe's army met today and decided to take up the march for Washington Saturday morning. They number about 50 men, and expect to be reinforced at Colorado Springs and Pueblo. They will not walk, but expect to capture a freight train. Many of the men will desert the first time they have an opportunity of securing work.

## SHORT OF PROVISIONS.

El Paso, March 28.—"Gen." Frye, who is still at Sierra Blanca, 99 miles east of here, with 470 men, wired A. L. Whiteside, of this city: "We need provisions and box-car transportation to San Antonio. Can anything be done for us?" This afternoon \$200 worth of provisions for the hungry men was forwarded by express.

## WHIP AND SPUR.

San Francisco, March 28.—The races today resulted as follows:  
Half mile—Piquant, 0:50.  
Mile—Haymarket, 1:44 1/4.  
Six furlongs—Faro, 1:14.  
One mile—Prince Henry, 1:42 1/2.  
Six furlongs—Border Lammie, 1:12 1/2.

## KOSUTH'S FUNERAL.

Turin, March 28.—The funeral services over the remains of Louis Kosuth were held in the Evangelical church this morning. The remains were then placed on a train, which will reach Buda Pesth tomorrow.

## TEN YEARS AT HARD LABOR.

New Whatcom, Wash., March 28.—A motion for a new trial in the case of Newell S. Barr, convicted of the murder of John Erickson, was denied this morning, and Barr sentenced to ten years' imprisonment at hard labor.

## ANOTHER INJUNCTION.

Denver, March 28.—The counsel for the old commissioners tonight obtained from Judge Allen, in the district court, an injunction restraining the new board from taking the office or proceeding with reorganization of the police departments.

## REPORTED FAVORABLY.

Washington, March 28.—The senate committee on foreign relations took action upon the Chinese treaty today, and while the senate was in executive session reported it for ratification.

## COXEY'S ARMY DWINDLING.

Alliance, Ohio, March 28.—Coxey's army broke camp this morning, with 193 men in line by actual count. The next camp will be at Salem, 13 miles distant.

Highest of all in Leavening Power.—Latest U. S. Gov't Report.
