AN EARLY MORNING FIGHT.

An Encounter in Which Louis Harris Became Weary.

A fight for "satisfaction" took place about 3:30 yesterday morning on Benton street, below Concomly, beneath the overhanging branches of the tree that adorns the street at that place. The combatants were Louis Harris and a young man named Trainor. Bad blood had, it is said, existed between the two for some time, and at the suggestion of friends they met at the place above-mentioned for the purpose of "having it out." The mill, according to the evidence of eye-witnesses, was a lively one. Neither combatant knew anything about the science of self-defense, and it was give and take in ding-dong fashion for several minutes. In the first round Harris threw Trainor, but the tactics were fair, and the thrown one was allowed to rise. In the next clinch a "back-heel" laid Harris on his back. He was also allowed to rise without interference. After the lapse of three or four minutes Harris stopped fighting and began talking. He said he had come to the conclusion that fighting did not agree with him, and he was going to stop. He was tired, and his "belly needed repair," he went on to explain, and about the time that he had demonstrated the impossibility of continuing the encounter the graceful figure of Officer Seafeldt hove in sight and the party disbanded. The damage was slight. Trainor not showing a mark.

ERUPTION OF THE SKIN CURED.

Ed. Vennay, Brockville, Ontario, Canada, says:

"I have used Brandreth's Pills for the past fifteen years, and think them the best cathartic and anti-bilious remedy known. For some five years I suffered with an eruption of the skin that gave me great pain and annoyance. I tried almost every blood purifier, but, although gaining strength the itching was unrelieved. I finally concluded to take a thorough course of Brandreth's Pills. I took six each night for four nights, then five, four, three, two, lessening each time by one, and then for one month took one every night, with the happy result that now my skin is perfectly clear and has been so ever since."

COUNCIL PROCEEDINGS.

The City Fathers Hold Their Regular Fortnightly Meeting.

The city council met last evening.

Mayor Kinney in the chair, and the other members present being Messrs. Bergman, O'Hara, Lewis, Scherneckau, Webber, Thomson and Young.

Petitions were read as follows:

From Erickson & Wirkkala, for liquor license. Granted.

From Swan Wilson, for a liquor license. Granted.

From the West Shore Mills Co., asking permission to use East Fifth street to build a wood chute in, from Pine street south, a distance of probably 500 feet. Petitioners stated they wish to build a street for trucks or wagons, from Pine street north to Hemlock street, in a safe and workmanlike manner. Referred to street committee.

From John McCann, asking for revocation of fine imposed on him for obstructing Cedar street at the time of the opening of said street by having his house in the way. The fine and costs amounted to \$26. Referred to committee on ways and means and the city attorney.

From Fred. Sherman, asking the council to instruct the auditor to issue a new warrant in his favor for \$15, in lieu of one which petitioner lost. He also inclosed a bond to indemnify the city against possible loss should the lost warrant be found at any time and presented for payment. Referred to the ways and means committee and the city attorney.

From property owners on Polk street, asking for the passage of an ordinance authorizing the construction of a sewer on Polk street. Granted.

J. Q. A. Bowlby, attorney for A. Hinman submitted a proposition to allow the city to have the land for the street (Second street extension), provided the city pays for the work that has been done upon the ground and the costs of the suit. Referred to the committee on streets and public ways and the city attorney.

The report of the committee on ways and means on the ordinance introduced by Councilman O'Hara to amend section 13 of ordinance 1,195, relating to theatre licenses, was adopted.

The same committee's report on the petition to reduce the license on delivery wagons, recommending that no action be taken, was adopted.

The report of the superintendent of streets on the road pay roll for March was adopted.

Similar action was taken on the surveyor's pay roll.

The officers' pay roll for March was read and warrants ordered drawn for the same.

The police pay roll was read and approved and the warrants ordered to be drawn.

The police report on electric lights was read, and the auditor instructed to make the necessary deductions.

Ordinances were read a first and second time, as follows:

To change the names of certain of the streets within the city of Astoria. Providing for the numbering of buildings and the placing of signs with the names of streets thereon.

Declaring the determination of the council to repair Squemoque and Water streets, from the west line of Main street to the west line of West Seventh street.

The ordinance providing for the licensing of public laundries was read a third time and passed, Mr. Scherneckau voting no.

An ordinance was read a third time appropriating the sum of \$250 out of the general fund for the benefit of W. A. Sherman. Councilman Thomson spoke at length on the ordinance, objecting to the payment of the sum provided for in the ordinance on the ground that Mr. Sherman had been paid for all the time he had been engaged. Mr. Lewis stated that Mr. Sherman was authorized by the council to do the work, and should be paid for it. Mr. Young endorsed the sentiments of Mr. Lewis, as did Mr. O'Hara. Mr. Bergman took a similar view of the matter, and favored settling the claim on the basis proposed.

The ordinance was finally passed, Mr. Thomson voting in the negative.

A number of claims were read a first time and referred to the respective committees, and the following were ordered paid: Griffin & Reed, \$2.40; J. S. Delinger, \$1.46; C. G. Palmberg, \$2.76; H. F. Prael & Co., 50 cents; Clatsop Mill Co., \$12.00; Wm. Morse, \$2.50; Freeman & Brenner, \$2.25; Oregon Imp. Co., \$5; G. V. Porter, \$11.25; S. Danziger, \$15.

A resolution was offered directing that the driver and engineer of Rescue Engine Co., No. 2, be requested to care for and keep in proper condition the batteries for the dry alarm system. The resolution was carried.

The council then adjourned.

A CRY FOR HELP

In the stillness of the night is sufficiently startling. What if no aid be at hand or we know not whence the cry comes? This is not the case with that medical appeal made to the resources of medicine, every ready, ever available by disease on every hand. A prompt means of self-help for the marasmus, the rheumatic, the dyspeptic, the bilious and persons troubled with impending kidney complaints, is to be found in Hostetter's Stomach Bitter, an ever "present help in time of any trouble" for all such hapless individuals. They should not delay a moment in seeking its aid. Experience has shown its wide utility, the recommendation of eminent physicians everywhere sanction its use. Nervous, thin, debilitated individuals gain bodily substance and vigor by a course of this fine invigorant, which is eminently mercurial, also, to the aged and convalescent.
